A Good Filter.

To have pure water in the house every family should have a good filter, the health and comforts depend largely upon the use of properly filtered water. The liver is the true filter for the blood, and Burdock Blood Bitters keep the liver and all the secretory organs in a healthy condition. It is a grand blood purifying, liver regulating tonic. b214

Kingston has passed a by-law prohibiting the tying of teakettles and other articles to the tails of dogs. The Mayor objected on the ground that "tinning" was the only sure method of keeping vagrant curs from trespassing on the premises. (T. M. says that the above must be a bob-law.)

Mothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever tried it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle. y207
