REFORM.

THE EVE OF ELECTION.

The written scrolls a breath can float; Of Freedom is the freeman's vote: Our hearts grow cold,

I stand by Empire's primal springs;

Around I see

The powers that be:

And princes meet

In every street,

DEPOSITS of \$4 and upwards Received, We lightly hold A right which brave men died to gain, The stake, the cord, The axe, the sword, Grim nurses at its birth of pain

The shadows rend And o'er us bend, O martyrs, with your crowns and palms,-Breathe through these throngs Your battle-songs,

Your scaffold prayers and dangeon psalms! Look from the sky, Like God's great eye, Thou solemn mood, with searching beam; Till in the sight

Of thy pure light Our mean self-seekings meaner seem Shame from our hearts Unworthy arts, The fraud designed, the purpose dark; And smile away

The hands we lay rofanely on the sacred ark. To party claims And priva'e sims. Reveal that august face of truth Whereto are given The age of heaven. The beauty of immortal youth

So shall our voice Of sovereign choice swell the deep bars of duty done. And strike the key Of time to be, When God and man shall speak as one!

-John G. Whittier.

Garibaldi. General Garibaldi was born at Nice, on Furnished. Work Superintended and inspect the 22nd of July, 1807, and so was in his 75th year at the time of his death. His parents were respectable, but not rich. His father owned a trading vessel, and had been all his life engaged in maritime pursuits. It was therefore quite natural that young Garibaldi should have early developed a taste for a seafaring life. His second voyage was made in one of hi

father's vessels to Rome. "Once," to quote Lis own words, "the capital of the world," and Bills of Lumber made out on short notice. A at that time "the capital of sect." Rome regarded as the centre of that Italy for whose unity he even then longed, had be 1860, in sight and partially under fire of With Garibaldi's death there passes off fore fired his imagination : from this time the Neapolitan fleet. Within a fortnight the stage a character which has few paralforth it filled his heart and inspired him his little force had routed an army of 3,600 lels in history. In beautiful simplicity of with hope and energy. For several years Neapolitan troops at Calatafimi, and had nature, in unselfish singleness of purpose, he continued his nautical career. In one gallantly fought its way, after a desperate in the personal magnetism which binds of his voyages in 1830, in the first ship conflict, into Palermo. In less than four the bearts of thousands in unswerving love which he commanded, Nostra Signora months Garibaldi's rapidly increasing army and loyalty to one, in the kindly social della Grazin he fell in with a young Ligur | defeated a Royalist army of nearly thrice qualities and virtues which begets enthuian, one of the passengers, whose account their numbers at Melazzo, captured the siastic private friendships, and in the of the plans and aspirations of the Italian garrison at Messina, crossed over to Cala- strength of will and the stern sense of juspatriots fauned to a flame his innate love bria, and commenced that memorable cam. tice and of duty which can enforce discipof Italy.
