KILLED BY A CRICKET BALL.—On Saturday week, Albert Fowlie, son of Robert Fowlie, License Inspector, St. Catharines was struck on the head by a cricket ball. He did not suffer materially from the blow at the time, and was out on Sunday and Monday. On Monday evening he was attacted with nausea, and medical assistance was called in, but he graduall sank into unconsciousness and died on Tuesday afternoon.

STEAMER BURNED.—It is now certain that the steamer *Vanderbilt* has been burned on Lake Huron. The *Vanderbilt* left Collingwood on Tuesday, the 6th of June, with 280 barrels of lime and a mixed cargo of building material, bound for Mamainse Dake Superior, the property of the Michipicoten Native Copper Company. Everything went well until the morning of the 10th, when, off Sulphur Island, smoke was discovered issuing from the forward hatch. The captain was at once notified of the fact that there was a fire in the forward part of the vessel, and very thoughtfully and cooly headed his steamer for Serpent Island, some twelve miles distant, with the view of saving life and the steamer if possible. After the boat had been beached and an examination made it was found and fully realized by those on board that the fire was raging below, and had originated from the lime. The crew were picked up by the captain of the steam barge *Kitty Haight*, who showed great kindness to the shipwrecked crew, and conveyed them to Bruce Mines, where they now await the arrival of the first steamer down. The *Vanderbilt* during last winter went under repairs which cost the owners some $2,500, which made her an A 2 vessel, and was owned by J. M. Appleton and R. G. Campbell, of Collingwood. She was partially insured in the Anchor Marine on the hull, and her cargo fully insured by the consignees.

MISCELLANEOUS.

Building operations are unusually active this year in Mount Forest.

There are now 317 convicts in the Central Prison, at this time last year there being 275.

The *Herald* is informed that the Silver Islet Mining Company have struck a rich vein of native copper at Mamaise.

Useless Fright.

To worry about any Liver, Kidney or Urinary Trouble, especially Bright's Disease or Diabetes, as Hop Bitters never fails of a cure where a cure is possible. We know this.

The natives of Pellew Island have failed to pay fine imposed for robbing a British schooner wrecked on the island, their villages in the neighborhood have been burned by two British war vessels.

If you would have a clear complexion, a freedom from Blotches, Pimples, Boils and all foul humors, purify and regulate the Blood, Liver, Kidneys and Bowels with Burdock Blood Bitters. Trial bottles 10 cents.—c222.

The County Council of Perth have united the two divisions of the county for school inspection purposes, and thereby saved the expense of a second inspector. The salary of Mr. Alexander, the inspector for the north riding, has been increased by $200, and will take charge of the entire county.

The worst Scrofulous Sores, the most indolent Tumor, and the most foul Ulcer known, may be cured by the combined use of Burdock Blood Bitters and Burdock Healing Ointment. Ask your druggist for these infallible remedies.—c222

The combats between the Chilian and Indians of the interior still continue. The greatest barbarities are practiced by both parties. Four hundred Chilians cut the throats of all the inhabitants in a small Indian village on the supposition that they sheltered defeated Indians. All the whites were slaughtered indiscriminately by the aborigines.

Many suffer from supposed Organic diseases of the heart, when the trouble is only an irregularity in the circulation of the vital fluids, which Burdock Blood Bitters will promptly remedy.—c222.

The captain of the ship 'Freeman Clark' was killed and the first officer seriously wounded in mid-ocean by two Chinese members of the crew. The crew in revenge murdered the celestials and threw them overboard.

Mothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold every where. 25 cents a bottle. y207
