REVIEW

Durham, July 6th, 1882.

-The pominations in British Columbia took place on Monday last. It is highly probably that all the Members for that Province will support the present Government. It has been bought and is being No. 1, Normanby. The pic-nic will take dearly paid for too.

-We notice that from the official figures of the full returns in East Grey that Dr. Sproule's majority is 414. The total vote polled was for Dr. Spronle 1934: for Sproule,-Collingwood Township, 105 Euphrasia, 212; Melanethon, 75; Osprey, they enjoy. See adv. 86; Shelburne 30; Meaford 5.
