Arabi's sole sim was to be sole master of the position. They therefore withdrew al. together from the movement, and this all the more when they more than suspected,if they did not clearly perceive, that the Saltan took the side of the world-be-dictator. In addition to this Arabi aroused a fanatical feeling among the lower classes, the fe.lahs, from amid whose ranks he himself sprang. The rioters of June 11 were of the lowest ranks of life, just as the insurgents were in the Sepoy mutiny. "Dog of a Christian" came back to life as a common epithet in the streets.

The people now appear for the first time shown anything like equal resolution at the outset the existing state of things, in volving rain to Egypt, would have been a

The Rejuvenating Bitters' world known nar No others have obtained such fame:
From North to South from East to West
The people say they are the best.
Let sufferers from dyspepsia fly
And hurchill's Blood Bitters try;
They sold in every city, town,
And chaurs have such wide renown.
Light who would enjoy good health
Tis more than houses, scree, wealth
Remember now they can obtain
