Exciting Fire at Sea.

Capt. Henry Barlett, who came into port at New York ofew days rage in the ab his remel at sea which lasted ton days, and dom that the transition can be was most unflammable, as it comprised day. whitewood lumber, baby carriages, thirty cases of cartridges, and 10,000 tin cases of oil. Conscious of standing over a volcano that might at any moment explode, the ketry in a battle. The cartridges began to explode, and the balls flew in every direc. signed by Nicholas Constantinovich, cousin tween decks. The noise ceased, but the Russian Ministry of Marine. fire continued to burn as the heat detected During the June month British imports in the vessel indicated. The crew were in increased by £700,000, and the exports by explode. After ten days of hard work the ing month of the previous year, fire seemed to cease. Then the vessel Mr. R. W. Carmichael, Chemist and Druggist of Bellville, under date of May 31st 1882. crous use of water had been the salvation of Bitters have a steady sale, are patronized by the ship. It was found that the fire had the best families here and by surrounding borned a space the whole width of the ship country, and all attest to its virtues with unfor sixty feet. Five of the beams of the deck frame were burned to charcoal, and the size of several others was greatly reduced. The whole upper deck was ruined, and the heat was so intense that it melted a barrel of white sugar standing a distance of seventy feet away. The tin and the glass bottles were twisted. The hand, life may be in danger. Those whose total damage was \$100,000. The fire is keep Dr. Fowler's Extract of Wild Strawbelieved to have been caused by spontan-berry at hand for prompt relief, and a Phy-sician is seldom required. —b225. the cargo. C., the land at the battle of Khokand, and by a turning move- 'Brown's Household Panacea" has no equal ment captured 58 cannon. Being appointed Chief of Staff of General Trosky, he led the assault on Andijan, and after some days fighting was obliged to retreat. During this retrograde movement, the ammunition baving become exhausted, Skopeless made a cavalry charge by night on the enemy's camp of 6,000 or 7,000 men and routed of the strength of any other the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach and Pains and Aches of all kinds," and is for sale by all Druggists at 25 cents a bottle. camp of 6,000 or 7,000 men and routed them panic-stricken. Being left in sole command, he took the revolted city of Nemangan, and finally saw Khokand an-Russo-Turkish war he was at first on the staff of the Grand Duke Michael, then Chief of the staff to his own father a cavalry General. As a volunteer he swam the Danube on horseback and led a bayonet fore Krudener's unsuccessful attack on Plevns and remained there for a few minutes. He then covered the Russian retreat and brought off all the wounded. In the second attack on the same city he was Im eritursky's Chief of the staff, and led four regiments to the attack, capturing two redoubts on the Loftcha road. These he held for 24 hours, but had to retire with a Saddles, loss of 8,690 out of 12,000 men and three guns. As Lieutenant-General and Chief of the 16th Division he commanded the Russian line on the Green Hill, and subsequently at the passage of the Balkan's turned the Turkish left flank, carried the positions at the village of Shenovah, and on January 10 captured the enemy, who had previously beaten of the attacks of Prince Mirsky and General Radetsky in the Shipka Pass. He then commanded the Russian advance on Adrianople, which he entered on January 18, again leading to Constantinople and occupying Tohataldja on Feb. 6. These bross, after helding a temporary com- Spanish SOLE LEATHER nend in the Belkans, he led back to Adanople. As a soldier he was brave to a fault, as a strategist be was a spooses. As p crator be was adventorous, especially after dinner, as may be seen from his latest peech, which the Gear had to disown eathing fire and slaughter and the cur rollment of Europe generally.

The loss of nearly 100 lives by the recent wreck of the Ohio River is but another in 366 a week in your own town. Terms and 85 and list of marine disasters which demonstrate the imperative necessity for proper and judicious regulations restricting the number of passengers which are carried AMERICAN JEWELLERY, rence at London last year, the loss of the Sciote appears to have been caused by the utter disregard of her officers for human LOCKETS, life, in allowing many times the number of passengers which the boat could carry with safety to crowd aboard. The offence in GOLD & Silver WATCHES in that the vessel started back, in direct ion of the orders of the Government effects who had ted her up for overleading on the passage down, with an in-

A Dead Church.

A dead church does not become cold and negligent, or formal or loose in doctrine or Charger, tells a strange story of a fire upon practice, by any sudden change. It is selwas every hour expected to send all of the On the contrary the change is quite unchip's crew to Davy Jones' locker. The noticed, save by those who may recollect vessel sailed hence on June 15 for San the past and noting the change, they make Francisco, and on the afternoon of the a comparison with the present. They used tenth day at sea a fire was discovered be- to enjoy the old time prayer meeting, and low in the forward part of the ship, be- they remember how it was first neglected, tween the fore and main masts, and at the and then the Sunday night preaching sersame time flames burst through the deck vice, family worship went next, the fires in several places. Before the fire could be went out on the home alters, and the Satcontrolled the flames ran up as high as the bath school ran down and became dull and foreyards on the main must, consumed uninteresting. The young people gave up some of the rigging, and as the night came their prayer meeting and began to drift aon illuminated the whole vessel, so that the way; then infidel ideas crept in; a great ship seemed in imminent danger of des- clamor was heard for "more liberties," untruction. The order was given to close all till finally pulpit, pew and family alter bethe openings between the decks, so as to came a mockery and a farce. Pastors, exclude the air, and the holes through church officers and Christian people need which the streams of water were constantly to watch most earnestly for the beginnings pumped were tightly plugged. The cargo of evil. No church will go astray in a

Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical exseriment, and are the most effectual remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. Aven's Pills are specially applicable to this class of diseases. The act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel of any injurious properties, and can be admin-istered to children with perfect safety.

Aven's Pills are an effectual cure for Constipation or Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbress, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhœa, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disorder state of the digestive apparatus

As a Dinner Pill they have no equal While gentle in their action, these PILLS are the most thorough and searching cathar-tic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the
