Otherwise the shape was natural to Orangaville about twenty-two years ago, in the stitution of the first was an about of that place, and one for Durbar the stitution to the Bishop of Toronto, accepting the offer of the Rectorable of St. James Cathedral, Toronto, stipulating, however, and fast horses being placed at his disposal. In the excited residents, some dozen vehicles and fast horses being placed at his disposal.

THE EGYPTIAN EMBROGLIO.

This Egyptian affair is another outbreak of the irrepressible Eastern Question. As trouble will be how to keep it in order. There being so much jealousy among the Powers as to Eastern matters Britain may find it advisable not to assume permanent, direct control in that quarter, and the probable result may be the handing over the direct sovereignty of Egypt into the hands sick man another breathing space, and of the Sultan which would give the poor sick man another breathing space, and Dougall.
