The Egyptian War.

The straits to which the Porte has found himself reduced has caused him to somewhat soften the tone of his communications to Lord Dufferin. He has indicated his willingness to declare Arabi a rebel on certain conditions, which were not accepted. Negotiations on the subject are progressing. The first detachment of Turkish troops have embarked for Egypt, but England will not allow them to land unless they agree to remain subordinate to General Wolseley and obey his orders. Arabi, who is kept constantly informed upon all negotiations of Constantinople, probably perceiving indications of the Sultan's early submission to Englands demands, has adopted the desperate resolution of marching upon Alexandria, and at 8 p. m. last Tuesday night firing had commenced between the British outposts and his advance guard. He has a large body of troops, and appears from his movements to contemplate surrounding the city and driving out the British. On Wednesday the Mex forts, near which Bedouins have been observed hovering, were occupied, and a vigorous defence will be made. Russia has rejoined the Conference from which she withdrew a day or two ago, but her action in withdrawing from the deliberations has excited suspicion, and her future action will be closely watched. It is now proposed that a collective occupation of the Suez Canal be undertaken by the Powers but it is doubtful whether this will be accepted by all the Powers interested. Troops are leaving England daily for the scene of action, and are loudly cheered by crowds who witness their departure. The number of Christians murdered at Damanhour, Tantah, and Mahalah is now estimated at 560.—*Globe.*

MISCELLANEOUS.

A steamer with King Cetewayo, of Zulu land, arrived in the Thames on Tuesday.

A Westminster farmer fell in front of his mowing machine on Thursday and received fatal injuries.

At a fire on Water and Pike streets, New York, a million dollars' worth of property was destroyed last Monday.

The *Times* foreshadows that wheat will give below a fair average, barley rather less than an average, and oats a good yield in England this year.

Pollock Castle, in Renfrewshire, the most ancient family seat in the West of Scotland, was destroyed by fire on Monday evening. Loss £30,000.

As a remedy for Sea Sickness, for any irritation of the stomach and bowels, for canker of the stomach and mouth, for piles and hemorrage, and for all varieties of bowel complaints, Dr. Fowler's Wild Strawberry is nature's true specific.—b229.

Sixteen cases of smallpox have been reported at Winnipeg, eight of which were fatal. The disease, which is said to have been confined almost exclusively to immigrants, is now abating.

W. H. Crooker, Druggist of Watertown, under date of June 1st, writes that "Dr. Fowler's Extract of Wild Strawberry cannot be surpassed, when all other remedies fail then it comes to the rescue, and I find the sales large and increasing." Wild Strawberry positively cures all bowel complaints.—b229.

A young man named James Campbell was killed in a street fight in Carleton, N. R. on Saturday evening. Six youths have been arrested in connection with the affair.

The firm of J. & S. McEachen, Douglas, writes us June 1st, saying "There is not a nother preparation we can recommend with so much confidence as Burdock Blood Bitters, as it invariably gives the best of satisfaction." Burdock Blood Bitters cures all diseases of Blood Liver and Kidneys.—b229.

A young woman of Campbellford went to the circus in Belleville, and in exchange for a four dollar bill received some worthless advertising scrip and her ticket. She did not discover the fraud that had been perpetrated till she got home. The ticket was purchased from the circus agent.

Mothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle. y207
