That is just exactly what it is doing. The Markdale Standard, of last week says :- "93 loads of farm produce Durham would give 43,000 towards a woolwas sold in Markdale on Tuesday and 86 on Wednesday." Several loads were driven off the Market in Durham and taken home, why? because some of the tuyers have been prohibited from buying unless at an outlay of several hundred dollars extra expense if they comply with the by-law. Who are the suicides? The by-law is do ing more damage than we even anticipated and the ratepayers in the Town are coming to the conclusion that we predicted they would.
