Forty-nine buildings have been erected in Peterboro' during the season, at a cost of \$148,000.

Port Colborne has a population of 1,425, and Stonebridge 1,410. and they want to amalgamate. About \$40,000 have been expended in

buildings at New Hamourg this year. Among the results of this expenditure is . magnificent Roman Catholic Church, co t Thron . Rh u gatian. Tooth whe, Lumbag ing \$10,000. The by-law for raising \$3,000 to purchase

a right of way for a Y for the Grand Trunk Railway at Palmerston has passed two readings in the Council of that town and now published. Miss Minnie Smith, a young lady of

more than ordinary skill, who for the past two years has been teaching in S. S. No. 11, Normanby, is at present suffering from slight aberration of mind .- Mt. F. Advo On the 15th ult., at noon and whilst all

were absent from the premises, a fire broke out in the barn of Mr. Smelter, on lot 20 concession 3, Luther, destroying the building and all its contents. The fire is sup . posed to have been the act of an incendiary.

A supper at Luther village over the completion of the railway station at that place was a most successful affair. About sixty guests were present. Mr. J. Elgie, formerly station-master at Waldemar, has been appointed to that position at Luther village. the tunes, as the guide is such that he cannot pieces of musicaccompany the Method. Sent by

The Montreal City and District Savings Bank has instituted twenty-eight suits to recover \$165,000 from the directors of the City Passenger Railway Company for le ses sustained by the bank by way of money loaned upon security of the stock of the railway company, alleged to have been in flated by illegal declaration of dividend which it had never earned.

Reports of extensive and heavy loss and damage to shipping on the lakes in th heavy gales of last week continue to arriv unhappily accompanied by the news of le of life. The schooner "Collingwood," vessel previously pronounced unseaworthy while on her way from St. Helen's to Ch cago, went to pieces in the middle of the lake, five of her unfortunate crew bem

A gravel train overtook and telescoped the Pullman car of the train from Quelec on the Intercolonial River at Beaver Brook on Friday night. The driver, brake man and stoker of the gravel train were scalded fatally and several other employees severely injured. The cause of the accident appears to be the slow progress of the Quebec train and the failure of the hand of the gravel t ain to observe the tail lights of the passenger train.

Sir John Macdonald says that "the Do minioa Government does not intend t make any attempt to relax the present re strictions on the sale of liquor in any Province of the Deminion." According to this if Sir John carries out his prvious declaration that the regulatoin of the liquor traffic belonged to the Dominion Government, the liquor dealers have, in appeal ing from Mr. Crooks to him, only put or the yoke of new boudage. We wink, how ever that at least until this promise is better guaranteed the people of Outario had better stand by the Crooks Act, which one of the greatest boons which provincial self-governments has given them .- Mon-SHOEMAKERS' Supplies.

SHOOK OF EARTHQUAKE. - A severe shock Boots & Shoes was felt at Welland about 6:30 p. m. Monday. At port Colborne it was quite distinct, and it was supposed that another nitro-glycerine explosion had occurred ou the canal works between that place and Orders taken for WOOL CARDING, Cloth Stonebridge. Enquiry from the telegraph was unfounded. At Thorold, about twen y miles distant from Port Colborne, the shock was felt distinctly, but no theory as to its cause could be advanced. Inter- Hides mediate towns report feeling it more o loss distinctly. It was supposed that the shock had followed the canal, but a report just received from Drummondville states Particular attention paid to onsiderable distinctuess. Welland, Allan burg.
