WESTERN FAIR, LONDON.—As usual at this time each year the Western Fair Office staff are busily engaged in mailing Prize Lists and other advertising matter throughout the Province, in connection with their Live Stock and Agricultural Exhibition, which they hold in London, September 13th to 22nd, this year. The Secretary writes us that he will be pleased to mail Prize Lists to any who may have been overlooked, on receiving their address. On examining them you will find the Directorate have had their eyes open to the continued advancement of this Great Fair. The Live Stock Agricultural, Horticultural, and Dairy Departments have been carefully arranged, and several very important changes have been made, which will tend to better the excellent displays of past years. The Manufacturers' and Merchants' Display in the other Departments always are abreast of the times. The people of Ontario have always shown the highest appreciation of the Western Fair, and we feel that in wishing them a prosperous future we but express the sentiments of every one in this section of the Province.

FAMILY PIC-NIC.—Mr. F. Tory, artist of this town, was visiting friends in Nelson Township, Co. Halton. Last Monday attended a picnic at the residence of Mr. John Sheppard Jr., composed of all relatives, about seventy in number. It was intended to have four generations representing them, but on account of the very hot day and not being very strong Mr. and Mrs. John Sheppard Jr. were prevented from leaving. The party was composed of fathers, mothers, brothers, sisters, uncles, aunts and cousins of all degrees. Had all the families been present they would have numbered over one hundred. The chief amusements were swings, speeches and foot races. However, when the party had all gathered and Mr. Tory had been armed with a camera, he took a photo of the group, after which tea was served. Then came the speeches and shortly after everybody left for their homes, well pleased with the day's amusement, only sorry that Grandpa and Grandma were not able to be present. On the following morning Mr. Tory, before he left, took a photo of a group of four generations in order: Mr. John Sheppard & Mr. Henry Sheppard. Mrs. Tory and her son Freddie, with other members of the family. Mr. John Sheppard, Jr. once lived on the south concession of Bentinck, but moved away several years ago to Milton Co.
