We regret to have to chronicle the death of Mr. Charles Vollet, which occurred in his home in Durham, at 7 the world. Be sure and ask for "MRS " welock Tuesday morning. Mr. Vollet | Winslow's Southing Syrup" was one of the pioneer settlers of Duram, of which place he was a highly respected citizen. For some years he has een driving Messrs. Caldwell's stage between this place and Durham and it was while in that capacity a couple of weeks ago that he contracted the illness which resulted in his death. He was an obliging and courteous old gentleman, and was a great favorite with those who travelled by the stage and with the citions here and along the line.-Chatsworth News.

New York, July 25. - The north pole expedition, with Walter Wellman at its head, which is now believed to have been lost, left Tromsoe, Norway, May 24, 1894. They sailed from Spitzbergen on the steamship Ragnvald Jarl. The intention was to take what Wellman considered to be the true highway to the north, namely that which the influence of the gulf stream carves out of the ice in the Norwegian United States coast and Geodetic surs.ey; Franklin, an American skater; Oyen, a geologist from Christiana; Alme, a meteorologists, and two sportsmen and runners from the University of Christiana. They were last heard of at Danes Island, off the northwest health in a wonderful manner after hav coast of Spitzbergen, where Prof. Oyen ing suffered since boyhood from aporemained loguard the provision depot plectic fits.
