LOCAL NEWS.  
A New Story next week.  
We have to thank Mr. Arrowsmith  
for treating our staff to some of those  
excellent plans of his.  
ALL our goods are being marked  
down to cash system prices. Look out  
for bargains.—J. A. Hunter.  
The old reliable Millinery establish-  
ment is still to the front with the latest  
novelties in Fall Millinery. Mrs. E.  
Davidson.  
No more fancy profits now-a-days. We  
are determined to sell our goods at  
homest live and let live profits, but we  
must ask the spot cash for them.—J. A.  
Hunter.  
MODEL ASSISTANT.—Mr. Logan, lately  
of Hanover, has been appointed to the  
charge of the 5th classed considerable  
experience in various schools and is  
genial and capable. We welcome him to  
town.  
This balance of my stock at the Woolen  
Mill must be all cleared out within  
the next ten days. If you want a fine or  
course suit of clothes, blankets, flannel,  
sheeting or yarns, do not fail to call  
early and secure your share of the bargain.—T. H. WATCHORN.  
The following Durham pupils have  
been awarded Commercial Certificates.  
They will be obtained from the Dep.  
Minister of Education—J. Burnett, M.  
Gunn, M. Hopkins, H. Meredith, A. Parker,  
J. Web, W. Weir, J. Johnston, N.  
Chadwick, M. McCrovy, A. Laidlaw, E.  
Nichol.  
Mr. Wm. Hughes died last Friday.  
The deceased has been a long patient  
sufferer and the lesson of patience has  
not been the only one learned from his  
last years. There has been an example  
of devoted attention to the part of his  
family which has been good to witness.  
The funeral was largely attended.  
We furnish our readers this week  
with a sermon by Mr. Henry. It is published  
by request. Mr. Henry had not  
full notes of the sermon and consequently  
much that may have been said in the  
heat of discourse may not be there.  
However it is something to leave as a  
memento, and his many friends will  
value it.  
A BASE-BALL match was got up Labor  
Day by the town sports. The interest  
and excitement was as great as if the  
players had come 100 miles. The Captains  
were Jas. Fleming and Con.  
Knapp, the former winning by a score  
of 28 to 23. At the end of the 4th  
inning Knapp's team was well ahead, but  
lost ground afterwards.  
GOLF A MOVE ON.—Our trustees are  
hustlers when they like. Late Saturday  
night it was decided to get an assist-  
ant teacher, by Monday at noon he  
was secured. He was in the town Monday  
night, and on Tuesday morning at  
one o'clock work in the Town Hall.  
This is business. Five teachers wore  
a broad smile on Monday as they learned  
of the action of the board.  
KINCAIDNE and district had a sensation  
last week. Angus Matheson dis-  
appeared in November last after being  
refused a lady's company home from a  
dance. The friends thought he was  
murdered and tried to find the murderer  
by employing skilled clairvoyants. Super-  
stition is not dead yet. The matter has  
been solved by his body being re-  
covered late dredge. It has been de-  
clared by jury to be a case of accidental  
drowning.  
THE senior foot ball club met Varnhey  
last Friday on the above grounds here  
and evening for their match about the  
month ago. Game stood 1 to 0 in  
favor of Durham. The teams are now even.  
Both are good stuff. Give us the test  
match on Friday Day. The junior foot  
ball club drove out to Markdale on  
"Labor Day" to play a friendly game  
with their juniors. A goal of 1 to 0 in  
favor of Markdale was the result. Our  
boys spend their force on lacrosse. A  
little more practice at foot ball and we  
know it is in them to give a better show-  
ing.  
Miss McKechnie, of Haunted School  
House fame, has become famous. By  
permission of Inspector Hughes of Tor-  
onto, she was allowed to teach a 2nd  
class in a Toronto school. She took up  
reading lesson and got the boys both in-  
dividually and in concert. She also had  
them repeat the multiplication table in  
concert, and in general put them  
through the same exercises in the same  
way she adopted in Glenelg. She  
taught 4 minutes, but there were no  
manifestations. The report says she  
hauled the class with excellent disci-  
plinary powers controlling the youngsters  
with firmness but yet with kindness.  
P.S. Inspector Chapman, the regular  
teacher, and a Globe representative  
were present.  
SCHOOL BOARD.—The meeting last  
Saturday was an important one. For  
the first year or so only four members  
of the board were present and these  
listened to Mr. Laidlaw and others of a  
deputation who were pressing for the  
board, for the well-being of the school,  
to reverse their decision not to employ  
an assistant during the model term.  
After some discussion, Holt and Pat-  
terson moved that an assistant be pro-  
cured and this was carried. Messrs. Harris  
and Johnston now engaged in the  
acquired in what was done, while  
Messrs. Carson and Harris thought the  
board was acting with undue precipi-  
tation. A motion to adjourn with a  
little of "close" look about it was carried  
and the meeting, which was getting  
lively, adjourned.  
Mr. FINEBERG was on file last Thursday.  
The Scots of Scotland must feel gratified  
at the success of their first entertainment  
as 3000 were in attendance and a large  
portion of these would feel their  
hearts beat warmly at the martial  
music furnished by the ten pipers of  
St. Hubert's—all in costume of course.  
The prizes for the playing of the Pibrochs  
went, 1st to Jas. Sutherland,  
Jury of Establishment; 2nd to Fitzgibbon  
Baron, of Toronto; 3rd to W. Thain,  
Guelph. A man with the Irish name of  
O'Neill from Ridgetown, flung the  
heavyhammer farthest and was first  
also with the light hammer—distance  
124 ft. Scott, of Brussels, tossed the  
cane 25 ft. 11 inches. The dancing was  
good, Bertie Allister, under eight years  
of London, got 1st prize for best high-  
land fling, sword dance and costume,  
Philadelphia, Montreal, London and  
Swifton Park sent prize winners in the  
dancing. But score one for Irish  
music, for, on a day of Scotch sports,  
with blood fired by the bagpipes, the  
Irish team won the tug of war. A fine  
procession was held to the Horticultural  
Grounds from the market square. Ten  
or twelve members of Ben Nevis Camp  
were present. C. G. McPayden, who  
wore a most distinguishing badge and  
features, depicts the visiting brethren  
were well received.

Miss Lizzie Young, of Hampton, is  
this week shipping some 250 pounds of  
Pure Honey to Manitoba. The reputa-  
tion, as well as the output of "Ter-  
rone Apriary" is increasing.  
Trinity Church intend holding their  
annual Harvest Home, Thanksgiving  
services on Thursday evening, 27th  
Sept. Rev. Mr. Farthing, well known  
here, is expected to be present.  
The services in the Presbyterian Church  
on Sunday will be both conducted  
by Rev. Mr. Henry and will be of  
the nature of farewell talks. Mr.  
Henry's last appearance will be at  
the Christian Education meeting next  
Tuesday which he has promised to  
lead. He leaves on Wednesday.  
A GRAND entertainment will be held  
at the opening of the new School House,  
S. S. No. 9, Glenelg and Egremont, on  
the evening of Sept. 19th. Programme  
of music, song and speech. Refreshment  
service, good time expected and  
the ghost has disappeared. Admission  
15c. & 25c. etc.  
THE MODERN BEAUTY thrives on  
good food and sunshine, with plenty of  
exercise in the open air. Her form  
glows with health and her face blooms  
with its beauty. If her system needs  
the cleansing action of a laxative rem-  
edy, she uses the gentle and pleasant  
Liquid Laxative, Syrup of Figs.  
The farms belonging to the J. H.  
Hunter (Estate), advertised for some  
weeks, came under the hammer on  
Friday last. The Glenelg farm went  
to Peter Neil for \$7000.00 while Egremont  
with its 100 acres and 150 cows, to  
E. W. Lindsay for \$1200. Mr.  
Carson, the auctioneer, was in his usual  
good form and made the most of them.  
An arbitration on a school question  
was held in the Town Hall on Saturday  
last. The arbitrators, Judge Campbell,  
the C. S. Judge, Insp. Campbell and  
Messrs. J. H. S. and J. C. S. and  
Holstein section. The board granted  
the appeal but saddled Mr. Dickson  
with his own costs, amounting to over  
\$25.00. He has refused to pay this.  
HOW OYSTERS SEE US.—In dealing  
with the fire of last week, the Chate-  
aux News gets off the following:  
—"Durham is an antiquated hamlet situ-  
ated about half way between Rocky  
Saunders P. O. and Varnhey, on the Gar-  
rard road, and the inhabitants know  
nothing about fire engines, but are re-  
ported to have worked well at the fire  
with pails and kitchen utensils in which  
they carried water from adjacent  
streams.  
The Roman Catholic Plie in Latt-  
der's grove was not so well attended as  
usual. A counter attraction in Mt.  
Forest, busy times, and a threatening  
sky no doubt accounts for this. Father  
Malony seems to be as popular among  
the clergy as among the parishioners,  
never more than five reverend Fathers  
being present. These were Craven of  
Hamilton; Kelly, Walkerton; Halan,  
Carleton Place; Dumbalk, and Back-  
ley, O. Sound. The young people  
tripped the "light fantastic" to the  
music of the pipes, violin, organ and  
flute as well as the strains of the  
thousand present. We were glad to  
see some of our former pupils, Miss Min-  
nie Ryan and her brother Tom, Mr.  
David McKechnie, Miss McGrath, and  
others.  
OBTURY.—It is with feelings of  
regret we receive the death of Maggie  
Wilson, of Drumore, The deceased after  
a lingering illness borne with  
Christian fortitude, and resigna-  
tion passed away on Sept. 1st. She  
was of a winning disposition and to  
the last greeted her friends and many  
visitors with her own expressive smile.  
Her companions of the choir will be  
proud to say she was a most devoted  
member of the choir. She was ever  
willing to assist in all kinds of Christian  
work. Her funeral which took place to  
Ebenezer cemetery on Monday last  
was largely attended. The services were  
conducted by the Rev. Mr. Farthing,  
and the interment in the cemetery  
was very sympathetic of the whole  
community in their loss. Her companions  
of the choir will not soon forget her  
pleasant presence and obliging man-  
ner. The Rev. Messrs McViccar and Hartely  
conducted the services at the house, the  
latter preaching the sermon on the  
occasion.  
FIRE PROTECTION.  
The town is red hot. The agents of  
the Brussels and Watsons Fire Engine  
Company have appeared before the  
Council and the sparks were flying.  
Black was white, white was black and  
green was no color at all. In all seri-  
ousness the Council has decided to get  
an engine. Mr. English, Watsons'  
Agent will not consent to a trial on  
same day as Ronald wishes. The differ-  
ence in price is \$500 and both guar-  
antee their engine to fulfil all re-  
quirements of the Underwriter's Assn-  
ation. Ronald will show his kind Eng-  
lish wishes for a contract signed by  
a Com. of Council, but this the Com.  
have not done. The voice of the town  
seems to demand of their council to  
sign nothing till they see it. A Mass  
Meeting is to be held on Friday (Wed.)  
We believe both should be seen to-  
gether if possible, if this can not be  
done, singly, and expert advice  
secured to assist the town in their  
decision. At the meeting of Council  
Tuesday night, three members  
voted to send delegates to exam-  
ine both engines in respectable Pres-  
byterian, others voted to go on with  
the Watsons' contract. The committee  
appointed, as has been said, have not  
done so.

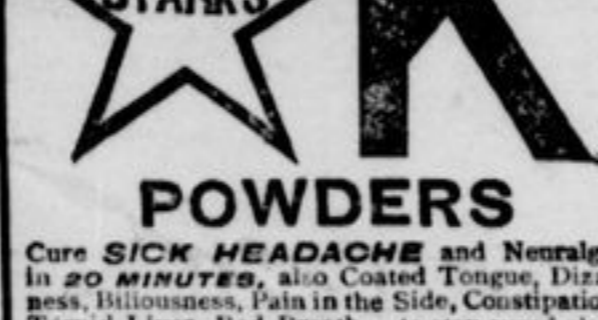

PERSONALS.  
Miss Beatrice McIntyre returned home  
on Tuesday from her visit to Markdale.  
Mr. and Mrs. Henry Wilson, of Ham-  
ilton, are visiting friends at Edge Hill  
this week, and their daughter Mrs.  
Thos. Craig, of the 10th concension.  
Miss Maggie McDonnell, who has been  
on a visit to her grandmother Mrs. E.  
Davidson and other friends returned to  
her home in Drumore on Tuesday.  
Rev. Mr. James came home Monday  
night. The S. S. meeting was kept up  
a little later to receive him, and we are  
sure his heart was gratified his hand  
was so sore.  
Miss J. Arrowsmith left Tuesday  
morning for Toronto where she will  
take in the fair and visit friends there  
and also in Port Perry.  
Mr. Godfrey McCrovy gave us a call  
the other day while staying for the Br-  
view away ahead. He has a good  
barn about finished, and very well fitted  
for this year.  
Master Jim and Miss Jean Ross, who  
have been on a visit to their uncle, Rev.  
Chas. Cameron and other friends, re-  
turned to their home in Toronto this  
morning. Miss Margaret Cameron ac-  
companied them back.  
N. E. NORMANBY.  
Mrs. Maher, widow of the late John  
Maher, of Normanby, is to become a  
resident of your town shortly. She has  
had a satisfactory settlement of her late  
husband's estate.  
The Presbyterian church has now af-  
ter some delay, been repaired and  
presents a very pleasing appearance.  
Some outside features still need at-  
tention.  
Mr. Thos. T. Gault enters Guelph  
Agricultural College as a student, Oct.  
1st. Tom's ambition is to be an up-to-  
date farmer, and he thinks a little  
science is needed.  
Rev. R. Maitland, and wife are expected  
home from British Columbia soon.  
Mr. Maitland is a layman in the  
Presbytery, and is a delegate to the  
conference. His wife accompanies him  
to recuperate her health.  
Varnhey Cheese Factory has made its  
4th sale of cheese. Price 10 to 16c. A  
very good figure, but it would need  
to be made up milk shrinkage.  
Miss Edith Lesson takes charge of the  
school at Cambridge, P. O. succeeding  
Mr. Jas. Moore, who we are informed is  
going to a business College. Miss  
Lesson will now be in charge of the  
Maidville, while Rev. Chas. Lesson is  
away to his work in Indiana.

"CANADA'S FAVORITE"  
WESTERN FAIR, LONDON,  
Sept. 13th to 22nd.  
It is with pleasure that we call  
attention to the advertisement, which appears  
in this issue of the Great Fair, for such  
it has grown to be. It is now second to  
no Live Stock and Agricultural Exhi-  
bition on this continent. Ever since 1880  
it has steadily increased in size and im-  
portance, and is now looked forward to  
by animal sources of enjoyment as well  
as instruction to the people of Can-  
ada. It is desirable that those Fair  
shows and annuals should be of benefit  
to all, especially the farming community  
as they afford opportunities for seeing  
the actual advancement in agricultural  
machinery, the improvements in stock  
stock, numerous new varieties in field  
and garden produce, together with the  
latest inventions in all fields. Every  
year brings its requisites and neces-  
sary improvements in the grounds and  
buildings. This year it looks to be  
of "public comfort" and the directors  
have decided to expand some of their  
funds in this direction, and the public  
visitors to the Western Fair of 1891 will  
find them more ample than ever, and  
by any other fair associated in this con-  
tinent.  
The exhibition of the live stock of all  
kinds promises to excel in excellence  
number, past years, and the exhibits of  
field and garden produce of all kinds  
only depends upon the production of the  
country for, as in the past, special  
effort will be made to secure speci-  
men.  
The alterations being made in the in-  
ternal arrangements of the Manufac-  
tures and Liberal Arts Building will  
add largely to the heretofore attractive  
display, and already several very  
valuable firms have indicated their in-  
tention to extend considerable money on  
fitting out their sections and some extra  
low exhibits may be looked for.  
The seedling in the river will equal  
any exhibition ever given by the Ass-  
ociation. The Kemp Sisters' section  
in the country are now on foot and all  
the events will be hotly contested.  
The special features, many of which  
have been already evoked, are a  
best for exhibition purposes that can be  
prevented. The Special Attractions  
Committee are alive to the public de-  
mand for this branch of the show and  
have spared neither time nor money in  
making their selections. Among those  
already secured are the famous Grecian  
Roman Hippodrome & Chariot Racing  
Company, The Kemp Sisters, making a  
great exhibit in Fa'loon Racing, a lady  
and vent going up in one balloon and  
riding down on separate parachutes, mak-  
ing an exciting act: Professor Calverley,  
Niagara's Hero on the High Wire, who  
gave our fair exhibitor an excellent  
and who met with so serious an acci-  
dent, which was noted throughout the  
Press; the Continent and Europe; The  
Celebrated European Eclectic Grot-  
toque Pantheism; The Almonds, origi-  
nators of the Aerostatic Comedy Co. W.  
Jarret, America's Greatest Blasiotic;  
"Hijack" Wonderful Table; The  
Trained Seals, Albatross, Prairie Dogs,  
and the best Pyrotechnic Display ever  
given on this continent.  
Intending exhibitors should make  
entries at once, and those desiring Prize  
Lists, Programmes or any information  
pertaining to the Fair will receive it  
promptly by writing the Secretary, Mr.  
Thos. A. Brown,  
Remember the dates, SEPTEMBER 13th  
to 22nd.

Ayer's Cherry Pectoral  
Cured by Ayer's Cherry Pectoral.  
Mrs. P. D. HALL, 217 Genesee St.,  
Lockport, N. Y., says:  
"Over thirty years ago, I remember  
having my father describe the wonder-  
ful curative effects of Ayer's Cherry  
Pectoral. During a recent attack of  
Croup, which assumed the form of a  
croup, some of the lungs, accom-  
panied by a severe cold, I used  
this valuable medicine and promptly  
obtained relief. The coughing during the  
day, and the hoarseness at night, were  
entirely removed, and I was enabled  
to sleep at night. After using twelve  
such nights, I was  
Nearly Well, Despair  
and had about decided to walk all night  
in my easy chair, and proceed with  
sleep I could in that way. It then oc-  
curred to me that I had a bottle of  
Ayer's Cherry Pectoral. I took a  
spoonful of this medicine in a little  
water, and was able to lie down without  
coughing. In a few moments, I fell  
asleep, and awoke in the morning  
greatly relieved. The coughing had  
entirely disappeared, and I was  
able to sleep at night, and in two  
weeks my cough was cured."

PAINS IN THE JOINTS  
Caused by Inflammatory  
Swelling  
A Perfect Cure by Hood's Sarsapa-  
rilla.  
It affords me much pleasure to recommend  
Hood's Sarsaparilla. My son was afflicted with  
great pain in the joints, accompanied with  
swelling so bad that he could not get up stairs  
to bed without crawling on hands and knees. I  
was very anxious about him, and having read  
so much about Hood's Sarsaparilla, I deter-  
mined to try it, and get a half-dozen bottles.  
The pain was entirely cured him. MRS. G. A.  
LARK, Oshawa, Ontario.  
Hood's Pills act easily, yet promptly and  
efficiently on liver and bowels.
