THE GHOST EXPLAINED.

We had the pleasure of examining noted grove. one of the photographs of the haunted school, a day or two ago, at the resi dence of Mr. David Jackson of this town, and we can vouch for the presence of the strange face. It is nearly town on pastoral duties. as distinct as any of the other faces | Merchant Parks, of Williamsford, and appears to be that of an old man. was renewing acquaintances in this yi- to-day feels that he is completely cured. The hair is long, the forehead high cinity lately. the nose prominent. This it is claimed by many, and among them Mr. Jackson, is the picture of the spirit that has been kicking up all the racket. Mr. Jackson's theory regarding the mystery is that the teacher or some of her pupils is a good materializing medium, of the season. All are welcome. and that during the process of taking the picture the spirit was able to borrow enough material from this medium to give form to his being. The whole thing is mystery that no amount of in- 27th vestigation can apparently unravel, but if any of our readers don't believe ley. He is as popular as ever. that the face of that ghost can be seen | Fully five hundred assembled in in the picture they have only to go Holland Centre on the 24th to witness all diseases depending upon a vitiated and see for themselves to be convinc- the large match between Dornoch and ed. - Telescope.

Letter from Mr John Cameron.

DEAR SIR. On my arrival at a station called Elkhorn, 22 miles east of Moosomin the other evening, my attention was drawn their play immensely. I stood, and a while yet. dians. On my arrival at the hotel I was lecture last week. lished here a few years ago, called Priceville a visit. Washakada Indian Home. The Home Mr. Ketchum formerly of Dundalk. ted its Superintendent. At its opening hinder, while he was flying down a it was a day of small things, only eight | rather steep descent as merrily as you scholars being enrolled. Since then, please. He had passed a double rig just under Mr. Wilson's wise management, a few minutes before, and before he it has accomplished much good, and to- knew where he was it bounded forward day there are ever one hundred Indian and was determined to sweep every children at the Home, which at the thing. The gritty German let go the present time comprises four good-sized | brakes and away they went. A collision buildings, providing ample accommoda- took place and Mr. K. with a few sume. tion for that number. A large addition | saults landed swiftly in a ditch. A shatto the boys' home was erected during tered bike and a strained knee was the the present summer. The Home resut. His racing chums wheeled throughout is thoroughly heated, and round and conveyed bim a mile or so is cheerful and comfortable. Four trade when they had to go home, promising shops are run in connection with it, viz: faithfully to return and land him at the curpentering, boot and shoe making, nearest station. They never came back tailoring, and printing. Blacksmithing, Here he lay until picked up by the Rev. tinsmithing and harnessmaking, are Mr. Little and brought to our burgh a'so taught by outside parties, where he spent the night with a triend I am told that the progress made by Mr. E. Muldoon, who saw him safely to the boys at the various trades is sur- Durham next day. A. J. P. Neill setprising.
