

THE REVIEW

Durham, Sept. 20th, 1894.

On Monday last a convention to consider the deepening of the St. Lawrence Canal system met in Toronto.

The object of the promoters is to secure a depth of water sufficient to pass the largest ocean vessels.

On Monday last a convention to consider the deepening of the St. Lawrence Canal system met in Toronto.

Canada has not escaped the devastating effects of forest fires during the late long-continued drought.

The Count of Paris, grandson of Louis Philippe, the head of the House of Bourbon, and according to the doctrine of the divine right of Kings, the rightful heir to the throne of France died in England a week ago, at the age of fifty-six.

The Patrons of Industry met in Toronto last week, and with the Board were elected sixteen of the Patron members of the Ontario Legislature.

2. That the payment of any sum for Lieutenant-Governor's clerk hire or services...

3. That beyond the salary attached to any office there should be no allowance...

4. That while we approve of the principle of the payment by fees, the amount retained by officials should be fixed by a fair remuneration for the services rendered...

5. That a bill should be passed in accordance with the existing system of inspection of county officers be continued...

6. That clause 16 of the Medical Act be repealed, and that the power of the Medical Council to amend the certificate of any physician regularly authorized by the faculty of any duly chartered college to practise medicine be abolished...

Also, that all enactments conferring special privileges upon the legal fraternity be repealed.

The following resolution was passed by a standing vote of all the members: Resolved, That we pledge ourselves to vote and act unflinchingly on all questions and we hereby declare our determination to resist all attempts at coalition or affiliation with either of the existing parties.

MR. LAURIER AT WINNIPEG.

The leader of the Opposition is making a triumphant tour of the North West. Everywhere he has been received with enthusiasm, as the herald of a new era in the political history of the Dominion.

The Town Council on Wednesday evening resolved to let the matter of Fire Protection rest until the town shall first of all come to a clearly defined decision as to what they really want and then instruct the council to take steps to procure it.

"PRICEVILLE COURIER"

The advertising columns of the Courier introduces us to the business men of that time, and to-day we shall present our readers with a sketch of these. A few are yet with us but many have passed to the "Greater Number".

SOUTH GREY FALLS SHOW.

Next Tuesday and Wednesday, when being favorable will witness the annual reunion of several thousands of St. Grey residents.

THE CONFERENCE.

The Methodist Conference now sitting in London, has its hands full in arranging the work to be done throughout the Church for the next four years, and as its labors go on the interest seems to increase.

Another important item of business, and one of general interest to the League, was the relation of the Epworth League to the Christian Endeavor Society.
