RAMSAY & MORLOCK'S boot and shoe department is still booming. We have added another large shipment to our already large stock which was bought for spot cash at manufacturer's prices, consequently saving middle men's profits, and are going to give our many customers the benefit of our cheap buying.

We were a little amused last Monday in our office to hear from Mr. Lake that his promise to write some letters for the Review had been construed by some fevered conjecture as an indication that he was about to assume its editorial chair and turn his back on the country.

You want find Mr. Lake doing that, but he finds that difference in politics are no bar to prevent him from furnishing an old fellow type with a letter now and then.

Mr. Donaghy, general agent of the Prov. Building and Loan Assoc. has organized a local Board in this town. The following comprises the Board:—J. W. Crawford, Esq., President. G. J. Spaulding, Esq., Vice-President. William Calder, Esq., Thomas Allen, Esq., Solicitor. James Carson, Esq., Valuator. Wm. D. Mills, Sec.-Treas. and local agent, Durham, Ont., from whom all information may be obtained.

DUNDALK SHOW was a success, the second day being very favorable, being inside exhibits of vegetables, etc., being the opinion of our informant, equal to if not beyond the average of country shows. There were splendid farmer's teams, three heavy draught and two general purpose. The running race was won by Ravenhill owned by Dundalk, White Oak, 2nd and Jat-qui which took list in Durham, 3rd. Ravenhill showed cannibal propensities, seizing one of the riders by the hand and all the efforts of 6 or 8 men could not prevent a severe laceration of the wrist and hand. The slight somewhat murred the day's proceedings. A display of furs came in for much attention. Mrs. Ferris of Peyton took 21st in harness. Some from Deacons and East Egremont took it in, and of course Proton was there in numbers. Mr. Jno. Acherson drove over with his speedy driver, but did not enter. We are indebted to him for his call, his information, and of course for his name on the Review list.

SAD AND FATAL ACCIDENT.—A girl was thrown over the house of Mr. Neil Black, 2nd con. N. D. R. Glenelg, last Wednesday which will be long in fitting. Mr. Black's daughter Catherine, a young lady much respected and beloved by all for her many amiable qualities met her death in a tragic manner. She was returning from Priceville show in company with her brother-in-law and sister, and Mrs. Patrick Sullivan, and while coming down the hill near Miss Black's home, the tongue dropped. The wagon, of course, came down onto the horses, which became excited and ran. They crossed one little bridge safely but on a second bridge the pole, it is thought struck a log and the three, who were all in one seat, were pitched out close to their own door. The mother was the first to reach her partner's help. She was found largely attended. She was buried in the Roman Catholic cemetery, East Glenelg, her six brothers acting as pall-bearers. Rev. Father Mahony officiated at the house, church and graveyard.
