The Canadian Almanac, published by Copp Clark, Co. of Toronto, is a valuable annual. It is crammed full of local statistics and information of all kinds. A special feature this year is the article on Parliamentary procedure by the well known authority Dr. Bourinot. A series of articles "Defences of Canada" are also included. This is the 48th annual issue beats all previous ones. At all sellers.

OBITUARY.—Our columns record the death of one of N. E. manly's oldest settlers in the person of Mr. D. McNiece. The deceased was normally nearly forty years of age during that long period has led a life scarcely ever having a day's illness. A few weeks ago he met with an accident at a raising, which it is supposed resulted in an injury to some vessel on the brain, the collapse brought about his death. He was a consistent member of the Church and highly respected by his neighbors. We extend our sympathy to the sorrowing relatives and friends.

For the fifth and last time of the season, the patrons of Varney Factory had their milk returned to them, in which over \$2,300 was paid. The factory did well during the fall, and the prospect for another season are good, as we seemed quite pleased with the they received. During the season by 44 tons of cheese have been the energy and skill of the manager, Mr. Wm. Marshall was taker. Mr. Wm. Marshall was with a pleased smile having in his pocket.

WHERE CAN IT BE.—There is not many miles from Fisherton newly everything appears to be political lines. For instance, the Conservative and Reform doctors do, hotel, do, druggist, etc., churches and public school have closed, but this will no doubt due time when the wealth of the will permit. The identification of the situation which we wish attention to. The young people town will either become "expensive" or what is probably more imbibe an abhorrence of political kinds.—Advertiser.
