ABERDEEN. The Union S. S. held a social on Friday Dec. 7th in order to raise money to secure prizes for the pupils of that school. The weather looked rather gloomy all day with now and then short showers and towards night it seemed to grow worse. Undoubtedly this kept numbers away who would otherwise have come. Nevertheless the church was well filled so that all the seats were occupied.

After some time they were satisfied as far as eating was concerned and all waited patiently for the programme. Mr. Wm. Allan, of Egremont, was appointed chairman and the meeting was called to order. The first piece on the programme was a selection by the choir which was excellently rendered. Next was the chairman's address in which he very clearly defined uses of the Sabbath.

School. Solos were given by Messrs. Conkey and Meredith and by the Misses Meredith and a quartet was given by the same four. Addresses were given by Messrs. Rev. Connor on "Our Wants," Mr. Allan on Habits, and Mr. S. Putherson on the Rev. Mr. Connor, gave a short address to the children illustrating his words by objects. The meeting was closed by singing "The Sweet Bye and Bye". The net proceeds were \$13.80.

The Dun-halk Herald says, in reference to the janitor's potatoes which had been stored in the basement of the Markdale school building recently burned, "The trustees, deserve the roasting the tubers got." To which the Markdale Standard retorts "That's a harsh judgement Mr. Glendinning, the sacrifice of the lives of six men by such a cruel death, for such a trivial offence - if indeed an offence at all."
