Don't forget Trinity S. S. Entertainment, in the Town Hall, to-morrow evening. Admission 15 and 10 cents.

Mr. Wm. Gorsline is at present enjoying the company of his brother from Marlette, Michigan.

The O. Sound *Times* marked Christmas by a tasty 4 page Calendar supplement printed on tinted paper.

Still another shipment of Ladies' Mantles to hand this week. Cheap during Ramsay & Morlock's clearing sale.

Mr. and Mrs. Vause, from Artemesia gave the REVIEW a pleasant call last week while renewing their sub. for another year.

The Mt. Forest *Representative* came out with a 12 page Christmas issue last week, printed at home and filled with good things.

Fine budgets from Crawford and Dromore cannot appear this week as they did not reach this office till Wednesday owing to the holiday.

The "Old Boys" of Upper Canada College, had a brilliant reunion last Thursday evening. We noticed the name of J. A. Hunter among them.

Mr. Malcolm McKinnon, of this town, thinks times are not so bad after all, as he has the contract for the carpenter work of five new houses and a barn for next season.

Lieut. F. F. Hunter, of the Royal Military College, Kingston, and Mr. H. A. Hunter, of the Bank of Commerce, Toronto, are spending Xmas with their mother, Mrs. J. H. Hunter.

The Hanover *Post* this week gives a cut of the genial features of Dr. Landerkin M. P. with an interesting account of his life and public work. George Landerkin has a record as a public servant that many might envy.

J. A. Hunter has 300 price boards printed and is distributing them throughout the surrounding country. They are very neat and attractive and we feel sure they will repay Mr. Hunter for his push and enterprise.

We have to thank the Pope Mgf. Co., "Columbia Bicycles," for a serviceable desk Calendar. A slip for every day in year contains date and space for notes, as well as a reminder, of course, of the excellence of the Columbia Bicycle.

CARD OF THANKS.—I have to thank the electors of the North Ward for their kind support in the last two elections and I beg to say that owing to pressure of business I have decided to retire from the municipal board. J. A. Hunter.

Among the teachers and students home for their holidays we notice Misses Frankie Hughes, Lydia Male, Emma Whelan, Alla McRae, Julia Weir, Mary and Aggie Ball, Messrs. Walter Elvidge, Thomas Hutton, Thos. Farr, Chas. Robson, Alex. Firth, and Angus McKelvey.

We are glad to learn that our late fellow-townsman J. M. Fisher, recently employed as assistant in Mr. H. Parker's Drug establishment, has passed the Primary Examination of the Ontario College of Pharmacy with honors. Our hearty congratulations to Mr. Fisher.

We would call the attention of our readers to a slight mistake in our issue of last week whereby some might think Mr. Wm. Derby had joined the Mormons. Not so. It was his cousin Andrew who married Miss Hughes but the type made it Wm. and we hasten to make the correction.

THE modern mother has found that her little ones are improved more by the pleasant laxative, Syrup of Figs, when in need of the laxative effect of a gentle remedy than by any other, and that it is more acceptable to them. Children enjoy it and it benefits them. The true remedy, Syrup of Figs, is manufactured by the California Fig Syrup Co. only.

Nothing more delightful than a sharp Carving and Bread Knife to carve your Christmas turkey and cakes with. Take them to Taylor's workshop on wheels, opposite Middaugh House, and have them ground and made equal to new. Also Scissors and Razors, Saws filed and set; Umbrellas and Parasols neatly repaired and old ones purchased; Skates hollow ground by latest improved machinery no better work done in Canada. Razors ground honed and set ready for shaving; new blades put into old handles.

Don't have your work spoilt by incompetent workmen, if you want first class work done come to W. Taylor, the Sheffield Cutler, Durham.

The Hanover *Post* has a full account of a meeting held in Corinth lately in the interest of the P. of Industry at which Mr. McNicol, M. P. P. was one of the speakers. He refers to some Sunday printing which was done in a certain office in the interest of his opponent. If the REVIEW office is meant we have the authority of Mr. McArthur, the late proprietor, to state that no Sunday work was ever done in his time, by himself or any of his staff. An unfortunate mistake did occur in a bill, not a dodger, printed on June 18th but dated June 17th which was Sunday. The mistake was a purely clerical one, and was fully explained at the Yeovil meeting and several times since. Any way, it may easily be supposed that had there been morality loose enough to violate the Lord's Day, it would also have been cute enough to change the date to a week day.

An accident, which might have had serious results, befell the Chatsworth and Durham stage about two miles north of the town on Friday night last. It was in charge of Mr. Tom Noble on this occasion and the other occupants were Joseph Burnet and Dora Davidson. In coming down the hill in front of Donald McArthur's, where the road is narrow and in bad condition. The rig came too near the edge, and in the dark night toppled over the bank turning twice in the descent. Noble got some bad bruises. Burnet scrambled out safely but the little girl went to the bottom, receiving a wound on the head and some bruises on the body, but nothing very serious. That she escaped with her life seems a miracle, since the rig is a wreck, and one of the horses it is thought is useless. They got free and dashed off into McArthur's place. Mr. Jas. Burgess drove the little girl home, and the thankfulness of the parents can well be imagined. The county will likely have to make good Mr. Caldwell's loss, as the road is not only our ill-kept as it should have been, but is in bad repair as well.

A Happy New Year.

Purify your blood, tone up the system, and regulate the digestive organs by taking Hood's Sarsaparilla. Sold by all druggists.

The GREY REVIEW issued a very pretty Christmas extra last week. We congratulate our Durham exchange on its enterprise.—*Mt. Forest Rep.*

So thorough is the excellence of Ayer's Hair Vigor that it can be used with benefit by any person, no matter what may be the condition of the hair, and, in every case, it occasions satisfaction and pleasure, in addition to the benefit which invariably comes from its use.

Inspector Campbell was in O. Sound last Friday and Saturday in connection with the Model examination, and this week is struggling with the papers of the Normal School candidates. He is examiner on the important subject of methods.

To the aged, with their poor appetite, feeble circulation, and impoverished blood, Ayer's Sarsaparilla is a boon beyond price. Its effect is to check the ravages of time, by invigorating every organ, nerve, and tissue of the body. See Ayer's Almanac for the new year.

RHEUMATISM CURED IN A DAY.—South American Rheumatism Cure, for Rheumatism and Neuralgia, radically cures in 1 to 3 days. Its action upon the system is remarkable mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by McFarlane & Co.

Matthew Watters, at one time a well known farmer in Egremont, died in Marlette, Michigan, about a month ago. He was a brother of Mrs. Jas. Hoopes of the 21st con., and also of the late John Watters at one time resident of Durham. He was a warm hearted man and a good neighbor as we can testify. His wife and a large grown up family survive him. These will now profit by his forethought as his life was insured for $2000.

S. S. ENTERTAINMENT.—On Friday evening last the Baptist Church had a crowded house on the occasion of their annual entertainment, Mr. A. W. Patterson was in the chair, the right man in the right place. The recitations, etc. and singing by the children with Miss Brown at the organ were above the average. Miss Patterson and Mr. Jackson each gave a recitation in a creditable manner. The speakers were Mr. Thos. Allan, whose address on Habits, is likely to be remembered from his graphic way of treating it. Rev. Messrs. Flagg, Boone, and McGregor also spoke briefly. We would like to notice at more length a few special features, as the tableaux on the parable of the 10 virgins and some other features, but space forbids.

A School entertainment was held in S. S. No. 1, Glenelg, on Wednesday evening last. Mr. Wm. Young was appointed to the chair, and from 7.30 till after 11, he was kept in office while the pupils and others endeavored to entertain the audience. Some idea of the work undertaken by Mr. Dixon, his pupils and his friends may be formed when we state that some 75 pieces of one kind or another were prepared and given. Mr. John Graham gave some very fine remarks on "obedience" and other qualities that go to make up successful men, and gave local illustrations to prove his points. Of instrumental music there was no lack, Mr. John Stewart on the Bag-pipes thrilled the hearts of his auditors, while Messrs Grant McComb on the Dulcimer and John Gray on the violin made sweet music for all. The club swinging by Mr. Sam Jackson in unison with Grey's violin was much admired. It would be impossible in a brief notice to give an idea of the songs, readings, recitations and dialogues rendered by the young people, many of them good and all of them interesting. The proceeds amounted to about $10,50 which is to be spent in prizes for the children.

Common sense should be used in attempting to cure that very disagreeable disease, catarrh. As catarrh originates in impurities in the blood, local applications can do no permanent good. The common sense method of treatment is to purify the blood, and for this purpose there is no preparation superior to Hood's Sarsaparilla.

"When I was a Boy,"

Writes Postmaster J. C. WOODSON, Forest Hill, W. Va., "I had a bronchial trouble of such a persistent and stubborn character, that the doctor pronounced it incurable with ordinary medicines, and advised me to try Ayer's Cherry Pectoral. I did so, and one bottle cured me. For the last fifteen years, I have used this preparation with good effect whenever I take

A Bad Cold,

and I know of numbers of people who keep it in the house all the time, not considering it safe to be without it."

"I have been using Ayer's Cherry Pectoral in my family for 30 years, with the most satisfactory results, and can cheerfully recommend it as being especially adapted to all pulmonary complaints. I have, for many years, made pulmonary and other medicines a special study, and I have come to the conclusion that Ayer's Cherry Pectoral occupies a position pre-eminent over other medicines of the class."—Chas. Davenport, Dover, N. J.

HAMPDEN.

The Hampden Foot Ball Club held their social on the evening of Dec. 18th. At an early hour the hares accompanied by their mates began to put in an appearance and before eight o'clock quite a no. (not ladies but boxes) were piled up at the front. Mr. Jas. Mather was appointed chairman and it was lucky that he was not an arm chair for we think if he had been he would not have gotten out of it at all. Before the sale started Mr. Isaac Ball favored the audience with a selection of music on his violin. As soon as the sale started the prospects looked bright, for everybody seemed determined to have a box at any cost, so that the sales were quick and high. After all the luxuries were disposed of the boys began to look through the audience for the lucky girl. After all this part of the programme was ended, the chairman again took his seat and the somewhat long and excellent intellectual programme was started. Recitations were given by Messrs. M. Byers and J. G. Collinson, readings by Miss L. Young and Mr. John Kyer. Songs were given by Mr. and Misses Young and Messrs. John Cooper, James Arthur and Alex. Emerson. The programme was brightened by instrumental music by Mrs. Lobsinger and Mr. F. Besides all this were some dialogues. The Fortune Teller gave us a good example of what true love will do. The train to Mauro which was the treat of the evening was well performed Mrs. Buttermilk gave us a good example of country life and what some people are like when they come to town. When the programme was finished votes of thanks were given to the ladies, the partakers in the programme, the auctioneer and the chairman. The meeting was closed by singing "God Save the Queen," after which, the boys, with their best girl on their arm or in the buggy wended their way homeward. The net proceeds were $14.85.

What some of the boys would like to know:—

When the next social is coming off?

If J. got back home that night?

When the literary society is going to start?

If this one will result in any weddings?

One of those pleasing events of which we are all so glad to hear took place at the residence of Mr. John Hughes, on Wednesday last, when his daughter Bella was united in wedlock to Mr. Andrew Derby. A large number of friends witnessed the event. It is needless to say the bride looked charming. The presents were handsome and many. The newly married couple left last Friday morning for Buffalo to spend a week among friends there. We are sure the people all wish them happiness and prosperity in their new life.

We are sorry to hear that Miss Lizzie Ford who has been sick for some time past is not improving very quickly. We all hope that she may soon be well and be out in our midst again.

The new saw mill is now running in full blast and they seem to be working late and early, for you can hear the song of the saw long after dark and before daylight.

The school has closed for the year, and the teacher has gone home to spend his holidays. He will be back in about two weeks to resume his work amongst the young of this section.

Last Wednesday Mr. Henry Muir and Miss Mills were made one. The happy couple left the same evening for a trip amongst friends. Perhaps we are intruding on Allan Park ground but please excuse us this time.

PRICEVILLE.

The weather has been very changeable lately. We had a heavy fall of rain last week which was much needed as the water was very low.

Robert Fisher killed a snake about three feet long one day last week which is something very unusual at this time of year.

Mr. Donald McMillan, Councillor, held a meeting of the rate-payers, of his ward, last Wednesday evening for the purpose of ascertaining whether the people wished him to fill the position next year or not. Donald is a gentleman and as usual the meeting was unanimous in his favor.

Mrs. Robertson, of Priceville, has rented her house to Mr. Middaugh who is coming to live in our town. The friends accompany them as they go.

We are sorry to hear that Donald Cameron is very sick at present. We hope that he will soon be around again.

Mrs. McMillan, of Manitoba, and Mrs. J. McLaughlan, of Cheyenne, are home at present visiting their parents, Mr. and Mrs. McLean, of Artemesia.

Miss White, of Mrs. Ide, was the guest of Miss Hartley of this village for a few days last week.

At the fair last Monday quite a number of buyers were looking for cattle and quite a number of sales were effected, but prices ranged very low.

Mr. Blakestone, of Artemesia, sold five head of cattle for $105. Mr. Blakestone understands feeding and so makes good sales.

CRAWFORD.

Mr. Editor its some time since you heard from our burg.

Times are somewhat dull and many are looking for snow as a good deal of teaming is to be done. Our town is beginning to be quite a telephone connection to Elmwood. Such is needed very much especially in the time of bad roads. We hope every one who is wise will assist in the effort.

Miss Jennie Livingstone left for Toronto this week where she intends to remain for a few months.

Mr. B. McPhail, of Walkerton, paid friends in this locality a short visit last week.

Mr. D. Black, of Dromore, is visiting friends in this locality at present. He speaks well of the P. I.

Municipal matters are being discussed. The reports here are that Mr. Brigham will oppose reeve Messinger. The contest will be a hot one, but we rather think Mr. Brigham will win the day for the reason that he is a P. of I. Mr. Geo. Ries it is said will oppose Mr. Jacklin, but his chances are slim in this locality. Mr. John Brown will oppose Mr. Dickson and the day will tell the victory. It is rumored that Mr. Sam Pattebough will stand for councilman. His show is good as he is well known here. We also heard that Mr. John Stewart will stand for nomination. The election of '95 will be a keen contest.

We hope if at a y time any of these officials get into a squabble and they offer to pay costs out of their own pockets then turn round and charge the township a bill for law scrapes—a word to the wise is sufficent.

The concert held in the Corinth school house on the evening of 13th was a complete success. The following speakers were on the platform:—Mr. H. Brigham occupied the chair; Mr. D. McNichol M. P. P. was present and addressed the meeting in his usual cautious manner; Mr. Allan was also present and gave a very suitable address. Rev. Mr. Burns was also on the platform.

FLESHERTON STATION.

Mrs. D. McLeod is ill at present and has been for the last three weeks, at last accounts she was a little better.

Miss Mary McLeod returned home last week from New Marlborough where she has been spending the past six mos.

Miss Johnston returned to her home in Tara after spending the holidays.

Miss Ray Cleave of Owen Sound, is visiting this week with Mrs. R.P. Legate.

We have some new additions to our town in the persons of Mr. Sergeant, harness-maker; Mr. Mayleuff, barber; and Mr. Brown, harness-maker. The Station is beginning to flourish.

GLENELG NORTH

feels that it is somewhat neglected in the council and steps are being taken to have Mr. Geo. Lamb again enter the field. Mr. Lamb had 2 years of municipal experience in his own township and got out of it by resigning. His record is all right and he would make a good councillor.

Mr. Jno. Moffat is we hear to try conclusions with Reeve Binnie. He lacks his father's experience, though he may have more of youthful courage, and were it not that Binnie has both youth and experience on his side as well as courage, Moffat might be a formidable opponent. As it is he is somewhat handicapped.
