Let me see, Mr. Sherman was pushed over the floor by a long handle like that of a lawn-mower. The motor was fed through a flexible conductor of sufficient length from a tap in the wall. In the

electric shoe brush a motor in the lower part of the machine worked two brushes Mrs. Pennoyer. Do you wish any of This was in the reign of Louis XIV., and from which water is taken by means of a placed in front. The upper was grooved, so as to fit over the boot, while the lower

These are only a small part of the wonderful things shown at Buda-Pest. Electricians are now talking of a permanent exhibition of the kind, to be held in Paris, and to be kept supplied continually with new electrical curiosities.

COWHIDED BY A GIRL

Huggards live just across the street and sent a little thing. Just before she left New a note to May Huggard, requesting her to meet him at an assignation house. Carroll sake."

"Miss Aylmer! Leah, you mean. Dear processes of manufacture, the industry was processfully developed in Kidderminster, Durham, Kilmarnock, and Glasgow. meet him at an assignation house. Carroll sake," Godfrey, of this city, hearing of the insult to his niece, went to Pine Bluff secured a watchin him, and she saw him start as if shot-gun, which he held at Colburn's head a serpent had touched him when she laid in while May Huggard cowhided him in the his hand Leah Aylmer's little fan, the one presence of a large crowd of spectators.

Columbus, the man who descried another here, was of humble descent.

DURHAM, CO. GREY, THURSDAY, JANUARY 17, 1895.

The Natural Boy. O, for a glimpse of a natural boy, A boy with freckled face,

With forehead white 'neath the tangled h And limbs devoid of grace. Whose feet toe in, while his elbows flare, Whose knees are patched all ways, Who turns as red as a lobster when You give him a word of praise.

A boy who was born with an appetite, Who seeks the pantry shelf To eat his "piece" with resounding smack, Who isn't gone on himself. Robinson Crusoe-reading boy.

Whose pockets bulge with trash, Who knows the use of rod and gun And where the brook trout splash, t's true he'll sit in the easiest chair, With hat on his tousled head;

That his hands and feet are everywhere-For youth must have room to spread. But he doesn't dub his father "old man," Nor deny his mother's call. Nor ridicule what his elders say, Nor think that he knows it all. A rough and wholesome, natural boy, Of a good old-fashioned clay;

God bless him, if he's still on earth,

For he'll make a man some day.

MILLIA DI LA DUOTTI OF HITTIE "If you will take it, Leah." Archer Sherman laid an exquisite little fan in Leah

"If I will take this darling little fan ! Oh, Archer, indeed I will, and thank you little fan close clasped in her fingers, he very much." And yet, with a strange diffidence, he "My darling, when we are married we

shipped her-he who could eloquently by fate the most momentous event o address a crowded audience; he, whose pen our lives." had often caused dire consternation among his enemies. This proud man was a coward when he fain would pour out his soul at the feet of this girl of eighteen. And Leah? Oh, she blushed and smiled, and wordered with a sly glance at his PROPOSED TRANSCONTINENTAL OPmagnificent and clear-cut features if he could be won by her or any other woman. For she loved him better than she knew The Manitoba Covernment Said to be Ar. herself.

It was the same house, the very same room; and in the bay window pendant baskets, covered with trailing vines, and lent to the apartment an appearance strangely familiar, yet strangely unlike. In the days past there had been an air of indescribable elegance and refinement in the Aylmer mansion; now, when it had passed into the hands of Mrs. Albert Pennoyer, it was characterized by the same economy; the Northern Pacific is in the high-colored splendor that that lady re-
