SERVANT GIRL WANTED.—Apply at
Arch. McKenzie's Drug Store, Durham.

Rheumatism is primarily caused by
acidity of the blood. Hood's Sassa-
parilla purifies the blood, and thus cures
the disease.

We are sorry to hear that Mr. H. J.
Midgough is in poor health this week.
Hope to see him familiar form on our
streets again before long.

We would be obliged if those sub-
scribers who promised wood for subscrip-
tions would bring us some soon, either
to house or office.

Mrs. Kennel, of Protton, who died two
weeks after her husband, was buried
last Sunday in Swinton Park. A paralytic
stroke was the cause of her death.

Following are the new officers of the
P.P.A.: President, Mr. Busby, Owen
Sound; Vice-President, Alex. Wm.
Forest; Treasurer, Dr. Ovens, Parkhill;
Secretary, Jackson Little.

That Boss Yarr.—Prof. Frank's Joseph
Brown will appear in the Town Hall on
Tuesday evening 19th inst, under the
auspices of the Mechanics Institute.
Hear him.

Rev. C. H. Lesson, of N. Johnson, Ind.
in meeting with much success. Some
40 new members were recently added to
the membership of his church, and his
congregations are obliging him to build a new one.

Laird Taylor, of Drumore, was in town
Friday last, and left Saturday for To-
ronto to be on hand as delegate to the
Central Farmers' Institute this week.
His colleague, Mr. Irvine, left on Mon-
day.

Mr. F. W. Stone, well known in
Durham and indeed throughout the
Province as one of its most successful
brokers of thoroughbred stock died a
week ago yesterday at the ripe age of 61
years.

The County meeting of the Orange
Society of South Grey met in Mount
Forest on Tuesday last. Mr. Wm.
Ritchie, one of the Co. officers, was re-
solved upon attending on the occasion
of the death of his brother-in-law, Mr. For-
est.

The Rev. J. Hunter was inducted into
the charge of the Presbyterian Church
at Markdale, last week, by Revs. Dr.
Waits and Rev. Mr. Forest. Dr. Waits
preached to a large congregation in
Durham, and Mr. Thompson in the Church
there.—O. S. Star.

We had a very pleasant call from
Mrs. J. W. Hornsby last week. We
enjoyed the occasion on an extended
visit, and returned home laden with
gratulations, though somewhat late.

The Review, of course, finds its way to
every freeman and its editor may
make a call there too before long.

Corinth—now famous—will again
have a crowd on Wednesday evening
next. The occasion is an extended
meeting of the Baptist body there. Dr. Lan-
derkin M. P. is to occupy the chair, and
several Rev. gentlemen, D. McNeill,
M. P. H. H. Miller and others will
address the assembly. Good music. Ad-
mission 25c and 50c.

THE MODERN INVALID has tasted
medicinally, in keeping with other
luxuries, a recently introduced
preparation in form of a purgative
in composition, truly beneficial in effect
and entirely free from every objection-
able quality. If really ill he consults a
physician; if convalescent he uses the gen-
tle family laxative, Syrup of Fig.

Boothville Cheese Factory, Mr. Jas.
Marshall, Prop., has very successfully
last season. Over 50,000 lbs. of cheese
were made during the past year, all of
which sold at good prices. General sat-
isfaction was expressed at the annual
meeting, held on the 15th inst, and the
payments were made during the afternoon.
—O. S. Star.

CHURCH OPENING.—A recent issue of
the Perth Courier gives an account of
the opening of a new church at Elphinstone,
one of the charges under the pastorate of
Rev. Jas. Binnie, M. A. Several
prominent clergymen, assisted by
Mr. Binnie himself conducted the
dedicatory part of the Sunday morning
services. The next evening, Mr. Binnie
occupied the chair at a social gathering,
which addressed the music furnished
by a part, and Mr. Binnie took part in
a trio, the latter presiding at the or-
gan during the evening.

CHURCHY.—In the township of Bent-
ineck, on the 24th inst, Catherine Currie,
relict of the late John McNeill departed
this life. Deceased was a native of
Ayr, Scotland, and came to the above
named township with her husband and
family in 1838. She was an affectionate
wife and mother and was well and
widely known for her self denying
character. Till she was 80 years of age
she was ever ready at any hour and in
any weather to go far or near to nurse
the sick or comfort those in distress. She
died very peacefully, all the living mem-
bers of the family having the satisfac-
tion of seeing her before she passed away.
She was a few days past her
83rd year when she fell asleep, having
been laid out on the 25th January 1892.
The deceased was the mother of Mr. D.
McNeill, member of the Legislative As-
sembly of Ontario.

BEN'S ANNIVERSARY.—From Ayr of
the STANLEY NEWS we learn that the
Sons of Scotland there and in neigh-
bouring parishes, gathered the day in true
Scottish style. The speakers were Rev.
Jno. Galbraith, D. D. G. C. Rev. Dr.
McCree, Mr. Wm. Williams and others.
Songs and bagpipes also enlivened the
meeting, while Master A. McEachern,
of Stayner, in highland costume, danced
the Highland fling to the delight of all.
In Walkerston the day was celebrated
with great enthusiasm. Pipers and
dancers and singers excelled themselves.
A splendid supper was part of the pro-
gramme, and the day closed with a
patriotic toast followed. The menu
was a Scotch one: mutton, few henns,
black herring, fine Aberdeen awa', Biliot
Haddies, Bubbly-jack, both roasted an
cuddly, Tatties, white jackets, on, Biled
peeps, Ingins, Kail, Haggis, Soups,
Achoo hese, Curran Rows, Short bread,
Soo-dock, Saus, Yill, &c.

THE DELICIOUS.—The delineator for
March is the great spring number, and
in our opinion is the finest issue of this
popular magazine that has yet been
published. All the departments are
unusually well filled, and the fashions have
an increased value through being the
first authoritative pronouncement of the
Spring modes. The chief feature of the
literary matter is a most comprehensive
chapter on cards, their uses and Et-
quette, by Mrs. Rodger A. Pryor, this
being the first of a series entitled the
Social Code. There is also a very inter-
esting first article on the Experience of
Life at a Training School for Nurses,
the subject of a "Conversation" between
Edith M. Thomas and Dr. S. R.
Elliot, to which is appended a deli-
cious bit of verse by Miss Thomas. Mrs.
Carrie M. Dearborn, ex-Principal of
the Boston Cooking School, writes of
the Teaching of Cookery as an employ-
ment for Women, and Josephine Adams
tells the story of a girl who worked at
the University of Michigan. Mrs. Long-
street has an instructive paper on the
Care of the Hands and Feet. Mrs. Maud
C. Murray contributes another chap-
ter on her interesting series on the Relations
of Mother and Son, and Mr. Witherspoon
continues her enthralling gossip in
Around the Tea-Table. Pleasurably
and profitably employed is found in
Burnt Work—H. K. Forbes, Venetian
Iron Work—J. Harry Adams, and Crepe
and Tissue Papers—Ella Roomer Little.
The household will find much of value
in the care of Silver, Cookery for the
month and hints on sewing Lessons,
and the fancy worker will appreciate
the new designs in Knitting, Netting,
Sew-ing, &c.

Correction.—Bentineck Township Council meets on Monday, 11th inst.

The D. D. G. M. R. W. Hopkins, of
the craft from Mr. Forest and Harri-
son visited their Durham brethren on
Friday night last. A fine fraternal evening
was the result.

The pleasures of the dance drew some
of our youth and beauty Markdalewards
last Tuesday night. Just fancy! Cut-
ter followed for many years, and the
pianists, thermometer 30 degrees below
zero. Yum, Yum.

CHERRY-TREE CURE IS A DAY.—South
American Remedies Co. for Rheuma-
tism and Neuralgia, radically cures in 1-3
days. Its action upon the system is remark-
able. It restores the system to its normal
condition, and the disease immediately disappears.
The result is greatly benefited. 75 cents.

A great battle is continually going on
in the human system. The demon of
impure blood strives to gain victory
over the constitution, to ruin health, to
draw vitality to the grave. Hood's Sas-
saparilla is the weapon which is used
to defend one's self, drive the desperate
enemy from the field, and restore bodily
health and for many years.

HEART DISEASE RELIEVED IN 20 MINUTE

fect relief in all cases Organic or Sympathetic
Heart Disease in 20 minutes and speedily
effects a cure. It is a positive remedy for
Palpitation, Shortness of Breath, Suffering

toms of a Diseased Heart. One dose convin-

At a meeting of the Town Council
held on Monday night last, Mr. Gornell
brought up the question of increasing
the license fee paid by Hotel-keepers.
The Town was fortified with figures from
8 neighboring towns, most of
which were slightly above Durham.
The council, however, after hearing Mr.
Dan Kenny on behalf of the hotel-keepers,
refused to raise the fee. The matter
for printing were placed before the
council, but owing to an unfortunate
omission in the License tender, the
matter was delayed till next meet-
ing.

mediate relief for Constipation, Sick

and all kinds of nervous pain, and
another in capsules, from 4 to 6 of which
is an ordinary dose which acts on the
Stomach, Liver and Stomach, forming a

STAY'S POWERS.—The sudden demise
of Mr. Peter Y. Fox sent a thrill through
the community. He was an active
figure on our street a few days ago and
his sudden taking off reminds us that in
the midst of life we are in death. He
leaves a widow and large family, who,
while they mourn his loss, sincerely
will now have the benefit of his fore-
thought for them. He was insured in
the Workmen for \$200 and his widow
will be amply provided for. The
Funeral was held at the residence of
the deceased on Monday last, and was
attended by a large number. The Rev.
Mr. Pomeroy conducted the services.
