PERSONAL POINTERS.

Interesting Items About Some of the Great Folks of the World.

Little Boy-"That watch you gave me of Bombay about the end of February, and the post probably will be offered to Sir Foreign papers say that Professor Leyion, the famous German physician who was called to attend the dying Emperor of Russia, received \$50,000 for his fee.

Oueen Marie Amelie of Portugal enjoys the distinction of being the first crowned head, or, indeed, royal personage, to submit to inoculation by the newly discovered

serum of diphtheria. Long live the Queen ! Another South African celebrity has just reached London. This is Mr. Joseph Mylchreest, the Manx diamond king. Mr. Mylchreest was the last, as he was also the largest, individual diamond mine-owner in South Africa, until the scheme of amalgamation was perfected. Sir Edward Blount, of Imberhorne, the popular English banker at Paris, was to have celebrated his diamond wedding a iew

days ago, but the celebration has been postponed for a while. He was married in Canada. 1834 to Miss Jerningham, a younger daughter of the late William Charles A well-known woman once asked Rubinstein, the famous planist, for a ticket to one of his concerts. " Madame, "he replied. "I have only one seat at my disposition, But if you do not object to occupying it, I shall gladly give it to you." The happy

woman asked where it was. "At the piano," replied the great musician, with a Sir Oswald Walters Brierly, marine painter in ordinary to the Queen, has just died in London at the age of 77. During the Crimean war he was present with the fleet at the operations in the Baltic, the Black sea, and the Sea of Azoff, and when the naval review was held at the end of the war, he made sketches for her Majesty from the deck of the Royal yacht.

Twenty years ago the persons of the Emperor and Empress of Japan were sacred; and they were seen by no one save high court officials, and even to these the Emperor's face must be veiled. The Empress now visits the free hospital of Tokio, and talks or gives presents to the patients as freely as in any Western land. This rapid change is characteristic of the new Japan. Many men have claimed to have invented the phrase " Grand Old Man," as applied to Mr. Gladstope. Now it is suggested that G. O. M. may have originated with Mr. Bradlaugh. In the life of the late member for Northampton just issued, Mr. J.M. Robertson, referring to a speech which Mr. Bradlaugh made in Edinburgh in 1881, says :- " In this particular speech he used the phrase 'that grand old man,' of Mr. Gladstone. It was probably he who set the

Queen Victoria's newest maid-of-honor, Miss Majendie, owes her entrance to Royal favor to a curious bit of chance. She happened to be singing in a church choir one day when the Queen was present at Divine service, and her Majesty was so greatly pleased with the fresh sweetness of the girl's face and voice that she invited her to till the place coveted by the young girls of the English aristocracy. The offer was the last thing Miss Majendie herself ex

The Maharajah of Mysore, who has just died of liphtheria at 30, was the most progressive of the Indian native Princer. Under his rule Mysore was fully abreast of British India in the administration of justice, the protection of property, and in public works, while in some things, like the education of women and the development of the natural resources of the country, it was far ahead of it. The Maharajah was the first Hindoo Prince to establish a school for girls in India.

Mrs. Rachel Foster Avery is a practical dress reformer. For her three little girls she invented garments called, "trouseroons," and during their early youth kept them astired in them. "I dress them in Lord Harris will vacate the governorship trouserloons," she said, "because it is so much safer. They play about the floor a great deal at home, and among the draughts that prevail in country houses they would catch cold all the time were it not for the trouserloons. It's the most splendid way to dress children ever invented. I suppose I shall have to give it up though when
