The number of their wounded is not stated.

| The number of their wounded is not stated. | The number of their wounded is not stated. | The number of their wounded is not stated. | The number of their wounded is not stated. | The number of their wounded is not stated. | The number of their wounded is not stated. | The number of their wounded is not stated. | The number of their wounded is not stated. | The number of their wounded is not stated. | The number of their wounded is not stated. | The number of murders. | The number of murders into factors are number of murders. | The number of murders into factors are number of murders. | The number of murders into factors are number of murders. | The number of murders into factors are number of murders into factors 1893 and 3,567 in 1889. It is but fair to ly the bewildering contrast between the bear in mind that increases in crime so practice of the army-not only authorized cring comment there was in plenty that so moistened but not soft; while hot stir in tage, yielding them handsome returns on the capital invested.

As we have already said, British Columbar on the capital invested as the capital invested and exacted the capital invested.

As we have already said, British Columbar on the capital invested appaling as this may partly be due to a and encouraged, but expected and exacted appaling as this may partly be due to a and encouraged, but expected and exacted appaling as this may partly be due to a and encouraged, but expected and exacted by the highest powers—and the stern sendence of the army—not only authorized appaling as this may partly be due to a and encouraged, but expected and exacted by the highest powers—and the stern sendence of the civil law in reference to the law in reference to the law in reference to the law in the country is a quantity should find a legitimate appaling as this may partly be due to a and encouraged, but expected and exacted by the highest powers—and the stern sendence of the civil law in reference to the law in the country is a quantity should find a legitimate appaling as this may partly be due to a and encouraged, but expected and exacted by the highest powers—and the stern sendence of the civil law in reference to the law in the country is a quantity should find a legitimate appaling as this may partly be due to a power. The public better method of keeping the record. We have no wish to paint the civil law in reference to the law in the capital country is a quantity should find a legitimate appaling as this may partly be due to a power. The public country is a quantity should find a legitimate appaling as this may partly be due to a quantity should find a legitimate appaling as this may partly be due to a quantity should find a legitimate appaling as this may partly be due to a quantity should find a legitimate appaling as this may partly be due to a quantity should find a legitimate appaling as this may partly be due to a quantity should find a legitimate appaling as this may partly be due to a quantity should find a leg have no wish to paint the situation any tence of the civil law in reference to the blacker than The Tribune itself does.

Same transaction. He spoke of the deceased to attract more than a day have ceased to attract more than greated pag. Smooth out until the size of a day have ceased to attract more than greated pag. of A despatch from Nagasaki says:—The hogs, and poultry. The day of the scrub hogs, and the next of the most of the bour hours, but of the Lucania and Campania to particulars have ever been gives. You cannot, by statute or executive measures, inculcate a national respect for measures, inculcate a national respect to the scrub hours and the New York in every twenty faces, and even audible sons testined to the great speed which they maintain. Added prune pie mix with the prunes a quarter of lin the old stand. All hand-deep sympathy of those present. The to this power of the main engines must be prune pie mix with the prunes a quarter of lin the old stand. All handsurprise. He listened attentively, and ob- are necessary adjuncts, and which, with the wash a spare rib, crack the bones through started from his eyes, and, covering his apparatus, help to swell the steam con-face with his hands, he omitted all remarks sumption to such a degree that a total venience in carving, but do not cut them viously was much affected. Finally tears steam-heating systems and hot-water

Household

Little Things. good by kiss is a little thing. With your hand on the door to go. But it takes the venom out of the sting Of a thoughtless word or a cruel fling That you made an hour ago.

WHOLE NO. 858.

A kiss of greeting is sweet and rare
After the toil of the day,
And it smooths the furrows plowed by care,
The lines on the forehead you once called fair,
In the years that have flown away. Down-The Lord Mayor of Bublia at the Bar-A Petition on Behalf of Irish Political Prisoners.

I love you, my dear, each night, But it sends a thrill through your heart, I find For love is tender, love is blind.

As we climb life's rugged beight.

Laundry Hints. In order to do up a shirt properly, iron

An ironing cushion helps diminish "that tired feeling" on ironing day. It is simply brought forward his motion to amen i the Address by demanding that the Government gether, and used to stand upon, and it is a must appeal at once to the country. inas- great relief to the feet. Such a rug or are washed, or any work at which one must A deputation from the corporation o stand is to be done, is also advantageously
