EXCELSIOE!

Has been our Motto in the past and we are quite willing to stick to it for awhile yet. We have just finished Stock-Taking and it has showed us that we have done a splendid business during the eight months we have been here.

WITT?

Because we have had Good Goods and sold them at the lowest possible living prices and we are going to continue in the same line, confident of the patronage of every good and discriminating buyer. Although we have denied it over and over again many people are still under the impression that we are only here to run off a Stock. Don't you believe it. We reiterate once more.

WE ARE HERE TO STAY.

We wouldn't be buying and opening up New Goods as we are doing now every day if we weren't going to stay. The values this Spring are better than ever and of course as we buy and sell for cash we have been able to get not a few snaps.

THIS WEEK WE ARE OPENING New Dress Goods, New Prints, New Flannelettes, New Shirtings, New Boots and Shoes.

One Speciality we have to offer this week is in Ladies' Oxfords. We opened out 4 new lines and we claim that one line we offer for \$1 00 can't be touched in Town. Come and
