Arch. McKenzie is in Toronto this week buying stock for summer trade. For Bargains the Pharmacy takes the lead.

DOG TAGS.—Clerk Russell desires us to give warning that all dogs must be tagged before the 1st of June. Better attend to this and save trouble.

Nixon and Peter Hamilton's latest improved Seeders are in demand. The reply will be found at the shop of A. McKimmon, Priceville.

Rev. Mr. Connor is holding weekly confirmation classes in preparation for the visit of the Bishop of the Diocese, which is expected next month.

CRAYON WORK.—Photos enlarged to life size and placed in an elegant frame for \$1.20. This is an introductory price as I am just beginning the business. Satisfaction guaranteed.—E. J. Shewell.

The fire practice last Thursday evening showed that the "boys" keep improving. They will no doubt soon be giving an exhibition of ladder work, so important on high buildings.

D. JACKSON offers for Sale all his Real Estate in Durham at reasonable prices, and on easy terms of payment. For further particulars apply to A. H. JACKSON, JAMES CARSON.

GET ONE.—Spring Calendars showing when and at what stage of plant life spraying should be done, and the various solutions necessary to do it, have been issued by Stone & Wellington, nurserymen, Toronto. Call at REVIEW office and get one free.

WORLD'S COLUMBIAN EXPOSITION.—Will be of value to the world by illustrating the improvements in the mechanical arts and eminent physicians will tell you that the progress in medicinal agents, has been of equal importance, and as a strengthening agent that Syrup of Figs is far in advance of all others.

PASSEY.—We notice with pleasure that Mr. J. M. Fisher, late clerk in Parker's drugstore has been successful in the Pharmacy Examinations. He is in the Honor List, too, and stands among the first. Congratulations J. M. We learn later that Mr. Fisher's percentages were most creditable ranging from 75 to 100 per cent.

On Wednesday last week a congregation of over 200 people, direct from London, England, were placed on the shelves of the Public Library. We hope to see an increased interest taken in this flourishing institution. The membership fee is more nominal and the wealth of reading matter and books of reference open to all is a privilege far beyond its cost.

KNOX CHURCH, NORMANSY.—It is now becoming an annual institution in this church to sing the 242nd psalm at a meeting of some kind. To-morrow when will be a goodly crowd gathered to sing the "Ode of Reason and the flow of soul" with ice cream and other refreshments thrown in. Admission free to be applied to Sabbath School purposes, Friday, the 24th, in the evening. Don't forget.

The services in the Presbyterian church on Sunday next will be conducted by Rev. Dr. Smith, of Donohoe, Missionary to Honan, China. On Monday evening following he will give a lecture, illustrated by lantern views of his travels, &c. As Dr. S. is a keen observer and has had lots of experience, interesting meetings are expected. Collection at close of lecture for missions.

The government of Ontario and our town are to be congratulated on the excellent choice which has been made of the two new Justices of the Peace, in the persons of Messrs. H. W. Mocker and Wm. Cairns. We are sure both of these gentlemen will do honor to the office, which has sought them, and their appointment is an example of non-partisanship and creditable to the Municipal Government. Three "fledged" "sleaks" in town and the acting Mayor should be a terror to evil doers.

NEARLY AN ACCIDENT.—While the fire practice was going on last Thursday night, one of our boys, a frazzled cook, made a dash for freedom at J. & J. Hunter's corner where stood a dozen or two of men and boys. They reached and tumbled out of the way, not one receiving a scratch. The team bolted across the hose and were almost at once caught by Mr. Jas. Andrews, whose "hook" was used to stop them and still in a few rods. If ever we have a runaway we want Andrews around.

S. G. TEACHERS' CONVENTION.—The 18th Annual Convention of the S. G. Teachers' Convention will convene in Flesherton on the 6th and 7th of June. Dr. McEwan is to be present. The Rev. Wm. Morrison, of McVicar of Dromore, besides hosts of pedagogues. We learn from the program issued by Berry, Irwin, who has our thanks for not forgetting us, that the weather will be fine and the roads good, and so "free conversation is allowed between the acts" everyone should see Mr. W. L. Dixon, Business, will preside as President.

C. E. S.—The executive meeting of the Local Union, C. E. S., was held last Saturday. The attendance, owing to inclement weather, was small, however a programme was outlined and a decision arrived at that the next meeting should be held in Priceville, on Thursday July 4th. Rev. Dr. Dickson, from Galesburg, is to be present as well as the local clergy and other Endeavor workers. Present Cooper, Haughey, Messrs. Thos. Nichol and Malcolm McDonald, Priceville, and Messrs. Geo. A. Ewers and Jas. Lawton, Dromore, were the outsiders present.

The Foresters of Dromore are entertaining. On Friday the 31st inst. they are going to be entertaining, and if there is truth in the line "coming events cast their shadows before" they are going to be crowded. The fine Hall built by Laird Taylor and named "Russell Hall" after his wife's family, and perhaps with a side look towards the famous Lord John Russell, is to be opened by a Public Entertainment for which a brilliant array of entertainers has been secured. H. A. Collins, of Toronto, H. C. R. of the High Court of Out, is to be there. Inspector Campbell and the Johnson Family, of Durham, the Haw brothers, of Swinton Park, and the Mc. Forest Dramatic club, will make the programme one of rare excellence. See posters and secure a ticket.

LACROSSE.—The match Durham v. Walkerton played last Friday on the grounds here resulted in a tie, each scoring two goals. Walkerton juniors seem a healthy growthy lot, and put up a good game but in combination work Durham can lead. Mr. T. Whelan was umpire for Durham, while Mr. Arch. McKenzie of the Pharmacy was referee. The following is the field:

A district meeting of the Epworth League was held in Mt. Forest last week, and the formation of a County Union was inaugurated. Miss Orchard was a delegate from Durham.

It is an execrable realism which attempts to gratify morbid curiosity by exhibiting the murderer of Jessie Keith in waxwork. We hope but few in our town were gratified at the exhibition last Saturday night.

We regret to hear of the death of Miss Nellie Brown, who stayed with our grandmother, Mrs. McCull, for some time, and will be remembered for many because of her bright amiable disposition. Her grandmother will miss her very much.

CATHARIN BELIEVED IN 10 TO 50 MINUTES.—One short puff of the breath through the BLOWER, supplied with each bottle of Dr. Agnew's Catarrh Remedy, diffuses the Powder over the surface of the nasal passages. Painful and delightful to use, it relieves instantly, and permanently cures Catarrh, Hay Fever, Colds, Headache, Sore Throat, Tonsillitis and Deafness. 50 cents. At McFARLANE & Co.

We are glad to notice amidst the depressing influence of frost that the price of cattle keeps up. At Donohoe on Monday last Mr. Geo. Skene sold 3 or 4 head at \$12 a head, while Mr. Wm. Smith of the same place sold 6 head at \$50.00. These were shipping cattle of course, and illustrates how "fishermen" gets the profit in Durham on Tuesday Mr. Lyall Robson sold one of nine, and that the poorest, for \$20, and we hope he may yet realize the \$50 and odd dollars he places on the others.

The subject of temperance is receiving much attention just now from the local clergy by sermons and in other ways. The local society is now under weigh. Mr. E. Parker, President of the Epworth meeting was held on Tuesday night and ringing addresses were delivered. Let Ourselves be the motto. Watchfulness and Faithfulness the aim and victory will be the reward.

WHEAT A DOLLAR A BUSHEL.—In Toronto the other day wheat reached the dollar mark and has since gone beyond it. As we quote to-day it is \$1.16 in Durham, for the best. This is a return to old time prices, and if the bins had an old time appearance, there would be much cause for congratulation. The price of wheat is now \$1.16 in Durham, and we hope it will realize the \$50 and odd dollars he places on the others.

PRICEVILLE.

The piles of brick that adorned our streets are now occupying a more symmetrical and pleasing position. Kinross street especially, is improving its appearance owing to the donations of H. and H. McD. making the shovels fly.

We notice that the comical and humorous quill driver of the "Pedagogue Union" characterized the members of said union as "Windbags," which we judge is the sum and substance of the 1st item 3rd page of the programme. He struck it about right.

Seeding is about done in this part, but owing to the severe weather it may be necessary to sow some fields again.

Mr. James McDonald, who has spent the winter in Algona, arrived home last week with a catarrh removed from his eye.
