siders can ascertain. Certain demands | Mr. McNichol was more convinced than | disheartened, and time after time have Russia. But the Sultan has failed to equively with the advice of the Western Powers, and in consequence an ultimatum has been forwarded to His Majesty.

This is unquestionably the right way, but such a step necessitates as the London Speaker says, that deeds must follow words, and should Constantinople be bombarded, a terrible conflagration will surely appear in the East and involve the whole Mohamginning of the struggle.

remedy, by the use of which with care and attention the attacks of the horn and attention the attacks of the horn more brief. The nemedy is simply a mixture of spect. He was proud of his position, not help admiring the Pink Pills, and coal oil, seap suds and water in the and hopeful for the future. Railways being about to leave for the cast, I gave specific for cleaning the cattle of lice.

"OUR FRIENDS FIRST." That our friends have the first claim Pation platform was the hope of the walk many miles a day. For rheumaall. First those of our own household organizer Jamieson said a little, consended the world, unquestionably. demning the practice of appointing the minertly above all other medicines acrequire \$500 each, other things being who simply tied 40 per cent. of honest equal, he would have no objection to tories, while the 20 per cent. of a pur-Oulmet put in a saving clause in his speech, "other things being equal," but when the appropriations are make it is then found, that, other things being equal has no place, but that on the contrary the appropriations are made by the Government with regard to the interests of their friends. This was very clearly shown by Mr. Mills was very clearly shown by Mr. Mills who reminded the House that the was very clearly shown by Mr. Mills who reminded the House that the speech of the minister was directly in speech of a resolution that had been passted by the House which declared that in the expenditure of public money the interest, and not party favority. public interest and not party favorit- latter he therefore considered wasted. public interest and not party lavoritism should control. The Minister has ism should control. The Minister has said that party interest should control. Said that party interest should control. He has said that he would serve his life has said that he would serve his first. Why had he erected a public building in Petrolea, and why public building in Petrolea, and why had he failed to erect one in Sarnia? Recovered First Lambton was represent. The pass system in both houses came in for Three Doctors.

A well known farmer says: Lot 232, Thorold Township, Welland P. O,.—
Since at one time men bers of Gov't got full free since at one time men bers of Gov't got full free pass system influential in procuring favors while the rank and file only got half fare. He thorold Township, Welland P. O,.—
The order of the superappuation would disquisify a sufferer from most dreadful headto a voter before an election would disquisify a sufferer from most dreadful headto a voter before an election would disquisify a sufferer from most dreadful headto a voter before an election would disquisify a sufferer from most dreadful headto a voter before an election would disquisify a sufferer from most dreadful headthe thought all right.

The pass system in both houses came in for Three Doctors.

A well known farmer says: Lot 232,

For over 30 years my wife had been a sufferer from most dreadful heada sufferer from most dreadful headthe failed to erect one in Sarnia?

The original sufference of a store that a sufference of Becaused East Lambton was representtortily illustrated, vigorous man sometimes they were so bad she could neither sit or lie down but her head seemed as if it would split. She was attended by two or three doctors, at the same time getting a good round salary for at the same time getting a good round salary for at the same time getting a good round salary for the Upposition. He had seemed as if it would split. She head seemed as if it would split. She head seemed as if it would split. She was attended by two or three doctors, and the same time getting a good round salary for the Upposition. He had seemed as if it would split. She head seemed as if it would split. She head seemed as if it would split. She was attended by two or three doctors, but, could not find relief until we got stark's Powders for headache, bilious forth. The finished product of the farmer being forth. The finished product of the superior of the work at the same time of the work at the same time of the work at the same time of the manufacturer and while willages where less than a thousand willages where less than a thousand dellars was collected, and had refused of the farmer had none. He urged unity among of the farmer had none. He urged unity among from suffering, and any tendency to farmers as the only way to meet the curidity of farmers as the only way to meet the curidity of farmers as the only way to meet the curidity of farmers as the only way to meet the curidity of pain Stark's Powders remove impain Stark's Powders remove renue of \$50,000 a year is collected.

The money which that equality? The money which the manufacturers and seconded by Mr. Haycock, moved by Mr. A vote of thanks to Mr. Haycock, moved by Mr. A vote of thanks to Mr. Haycock, moved by Mr. She ever got that has been of benefit."—
