lowest price for some years, but the market is now looking up and salesman Smith has refused an offer of \$\frac{1}{2}\$ cts. for the June make. 67 patrons shared in the first sale and to show the possibilities underlying this form of dairying we may state that three of these carried off over \$150.00. Mr. Wm. Marshall is again the cheese king of the district, having supplied over \$12,000 lbs, of milk in the 4 weeks. His nephews, James and John are also in the first make at 7½ cts. and were shapped with Varney. Both these factories have a good season in prospect.

In the first some years, but the market is now looking up and salesman (We shall give next week a full list of the performers contenting ourselves meanwhile with noting a few points. The Johnston Family appeared for the first time, and filled in three numbers, being these carried off over \$150.00. Mr. Wm. Marshall is again the cheese king of the district, having supplied over \$12,000 lbs, of milk in the 4 weeks. His nephews, James and John are also in the first make at 7½ cts. and were shapped with Varney. Both these factories have a good season in prospect.

Scotch Town.

We shall give next week a full list of the performers contenting ourselves meanwhile with noting a few points. The Johnston Family appeared for the first time, and filled in three numbers, being time, and filled in three numbers, being the called in three as everywhere having high compliments paid to their skill. Miss Swanston has a voice of great purity and compass and sang most with the same and John are also in the first make at furne for the first make at furne acquitting herself admirably. Several lively and the farmers cross, so tramps Good Roads.-We have been asked performers in costume showed that the keep your distance. to mention as worthy of notice the ex- section is not wanting in Dramatic Another raising this week at Will supervision of pathmaster S. McComb, of Bunessan. The road has been cleared of stones and gravelled in such a manner that Mr. McComb will not be found shunning travel on his own work, as was the case in the same township where a piece of work was so roughly done that the pathmaster himself it is reported travelled around it for a whole year. A little girl while riding with a friend recently saw a man raking stones.

Section is not wanting in Dramatic power, the part taken by Miss Agnes Hunter being especially well rendered. By special request Mr. Walter Hastie sang "The Cat came back," and as usual brought down the house. Mr. C. Ramage as one of the old teachers in the section put in an appearance, and met with many old time friends. For a night of innocent amusement and bubling over enthusiasm commend us to old No. 12, Egremont. Some \$23.00 was collected, which will probably be spent.

friend recently saw a man raking stones off the road, and such an unusual sight for a bell for the school house. made her ask if the man was drunk? She was seriously assured he was not drunk though he might be crazy! Nothing superficial should be allowed on roads. Often too much is attempted wife of Mr. Thos. Knox, of a daughter.
