Telieving pain in the biadder, little speaking art, which day. Is it possible that this can indeed be the first can indeed be to her for her care of the mansion and its her for her care of the mansion and its h

HEART;

the world she had so nearly quitted.

the world she had so nearly quitted.

She gazed wearily around her upon the strange place in which she found herself.

A long room, with a row of tiny white beds facing the large uncurtained windows through which was to be obtained a glimpse of the pale blue of the Spring sky, flecked here and there with tiny white clouds.

"The Wolf" had been scared away from Hilda's door by the exercise of her talent for drawing, and she had fortunately found a purchaser for her clever sketches, though she starvation she could barely live upon the starvation prices paid to her by the fashionable picture dealer. She had been busy all day finishing the last of a series of hunting sketches which had been ordered, and now, satisful the heiress of Marham Abbey, instead here and there with tiny white clouds.

to recall her scattered memory, and vaguely wondering where she was, a pleasant-looking ping herself into a thick coarse shawl, she (TO BE CONTINUED). woman approached the bed and in subdued put on her hat and left the room, to walk and kindly accents asked her if she wa two miles through the foggy, muddy streets

"Have I been ill?" asked the girl. perless to bed. "You are in St. James's Hospital," her landlady's little parlor stood ajar, and exercises-until she gets married."

he restorative that had been ordered by recalled to our poor Hilda's mind the fact gle. the doctors, and Hilda obeyed and suffered that she, too, was very hungry, and, with repose she so much needed,

wished, for truth to tell, with returning "Wherever are you off to now?" asked for a girl." health the girl's spirits sank and greatly the landlady, as Hilda drew near the fire. Now the druggist's face is beaming, as the retarded the progress of her recovery. "I never knew the like of girls for gadding But at last there came a day when, being this you'd be a deal best at home. down by the lonely young girl, took her you to-night, and am very much obliged to it."

get your tea, pray, if you've no fire !" care what becomes of me. I am quite alone Hilda in reply.

Office next door to Standard Bank, thoughts on one side, or we shall never get my hands. Here!" pushing the plate of isn't she?" some friend to whom I can write for you, welcome, I'm sure,' rather a pained tone. "I assure you I ample justice to Mrs. Davey's buttered you charge for that?" am speaking the truth. When this new toast, and, refreshed and strengthened by

attended with a terrible cough that allowed me no rest, either day or night. The doctors, after working over me to the best of their ability, pronounced my case hopeless, and said they could do no more for me. A friend, learning of my trouble, sent me a bottle of Ayer's Cherry Pectoral, which I had much of a cough since that time, and I firmly believe that Ayer's Cherry Pectoral

A TERRIBLE FALL.

A Buffalo Woman Falls Into the Niagara Gorge-A Rotten Railing Gives Way and She Goes Down 150 Feet-Miracu lous Escape From Instant Death,

was accompanied by Mrs. George Auer, of No. 354 North Division street, and little daughter Irene. Mrs. Auer's husband keeps a meat market. The party was walking While I admire the plan of independence | along the sidewalk, between the tracks of

she had been killed, but when the rescuing party reached her it was seen that she breathed, and she was taken to the Maid of the Mist dock and up the roadway there to the Parkside inn, near the Clifton house, and a physician summoned. Here she regained consciousness, and enquired what had happened to her, and complained BOULDIN & CO'S much of her back. At this writing it cannot be determined how serious her injuries are. Word has been sent to her son in Buffalo. Mrs. Grahm weighs nearly 200 pounds, and is 40 or 45 years of age.

Craig's Road Disaster.

nquest on the bodies of the victims of the G. T. R. dissater at Craig's Road station, through which 14 lives were lost, closed at

emportant evidence, and which alone gives clue as to the possible cause disaster, was given by Ludger Perrauit, hotel-keeper at Arthabasks station. He testified that Engineer McLeod purchased a can of ale at his bar when the ill-fated train passed that station on the night of the disaster. McLeod had the reputation of being a sober, competent man, but on this occasion the supposition is that the ale made him drowsy, and he thus missed his

Madagascar's Attractive Queen. A correspondent of a London daily news-paper writes that the Queen of Madagascar is a handsome woman, and unusually so for and an agreeable smile. She received the with fine white silk lace, and at her throat, holding her lace collar, she wore a valuable diamond cluster brooch. Her earrings were the work of Malagasy goldsmiths.
