Has been proved to us over again since we started our

The public realize that when we advertise an article, we always carry out what we advertise. In spite of the dull times we have been kept so busy that we haven't been able to wait on all our customers. People always like to come where there's a Crowd, because where there's a Crowd there must be Bargains to attract them there. We are going to

DURING THIS NEXT MONTH and in order to do so we will continue offering goods at

"Cut Throat" Prices.

There's no money in it for us but we want the room worse than we want the goods.

We haven't time to mention particularly anything this week but you can be sure that whatever you buy from us during this sale we will save you good money on it.
