**MISTAKEN JOURNALISM.**—Some of our exchanges give disgusting details of a negro living in Tennessee. If such a man exists he must be a scoundrel, but if he does not exist, the writer should be indicted for libel.

In many cases, the first work of Ayer's Sarsaparilla is to expel the effects of the medicines that have been tried in vain. It would be a saving of time and money if experimenters took Ayer's Sarsaparilla at first instead of last.

Mr. White is an eloquentist of the highest class. His impersonation of the "how-down" filler calling of the bandage was so realistic that the house was one continuous roar of laughter throughout. —Ottawa Citizen.

In the Town Hall, Durham, November 1st.

**WANTS THE ENTRANCE.**—West Groy Teachers at their Convention last week refused to pass a resolution abolishing the Entrance Examination, but passed one condemning the system of examining candidates in reading during written examinations or after hours.

**COMING.**—Dr. Sinclair, specialist, will be at the Middleburg House, Durham, on Tuesday November 12th, from half past three in the afternoon for all night. Lung, Heart disease, rheumatism, diseases of women and all private diseases treated with success. Consultation free.

**BREGALAY.**—An epidemic of this crime is on at present. From various points in the province reports come of a large number of these midnight artists. In fact, it is supposed that an organization for the purpose exists in several places. Mr. Forest and Shillburne have both been victimized.

**TRACT & BIBLE SOCIETY.**—The annual meeting of the Upper Canada Tract Society will be held in the Methodist church on Tuesday evening next.

A meeting of the Upper Canada Bible Society will be held in the Baptist church, Wednesday evening. Rev. Dr. Moffat, agent in Toronto will address the meeting.

**DEATH.**—On Monday last, the eldest daughter of Mr. J. Kelsey, a bright little girl of 9 years, succumbed to the effects of membranous croup. A large funeral was held on Tuesday at the funeral home, Mr. Connor conducting the service. We sympathize deeply with the afflicted parents.

**FARMERS ATTENTION.**—Farmers and those dealing in poultry would best consult their own interests by observing with their own eyes the following instructions:—Abstain from feeding poultry 24 hours before killing. Bleed thoroughly and pluck clean, leaving on the head and feet, as well as feathers on wings and tail, and not clean the entrails, nor scald the birds. The last process is readily effected by the use of the "T & B" brand of pure Virginia Tobacco. This will give you one or two cents per lb. of the birds. The last process is readily effected by the use of the "T & B" brand of pure Virginia Tobacco.

Rev. Mr. Jamieson goes to Palmerston on Sunday to supply Mr. Auld's pulpit and on Monday night will give his Holland lecture in aid of the Leper Mission. Any community during the coming winter desiring to have a good lecture and at the same time help the Leper Mission should secure Mr. Jamieson's services which are given free. We believe Mr. Jamieson has it in contemplation to give a series of monthly lectures in town, on some of the leading Reformation characters, with a voluntary collection in aid of the poor. If such is forthcoming we will expect a treat.

**SUNDAY SCHOOL SOCIABLE.**—Last Thursday night the church at the Town Hall, in the presence of a large and distinguished audience, and presided over by Rev. Mr. Pomeroy, and supplied by Rev. Mr. Pomeroy, was given a most interesting and pleasant evening. It was given by the friends, and was a somewhat hurriedly by the friends. The program was of length, variety and excellence. The presentation of the prizes and the singing of the hymns and the choir and the choir. After the presentation of the prizes, the choir and the choir. Wanted for which we will pay the highest market price in merchandise.

We have made arrangements with a large Toronto Dealer to ship this quantity of fowl this season.

Our instructions in buying are as follows:—  
All fowl must be DRY PLUCKED.  
Scalded fowl will not be accepted at any price.  
Leave on the heads and feet as well as feathers on wings and tail.  
Abstain from feeding 24 hours before killing and bleed thoroughly and pluck clean.

The early market is the best especially this year when feed is so very scarce.

Bring them along now while the market is open as it is always an overstocked market later on.
