A Terrible Cough. No Rest Night nor Day. Given up by Doctors.

A LIFE SAVED

BY TAKING

Several years ago, I caught a severe cold, attended with a terrible cough that allowed me no rest, either day or night. The doctors, after working over me to the best of their ability, pronounced my case hopeless, and said they could do no more for me. A friend, learning of my trouble, sent me a bothe of Ayer's Cherry Pectoral, which I began to take, and very soon I was greatly relieved. By the time I had used the whole bottle, I was completely cured. I have never had much of a cough since that time, and I firmly believe that Ayer's Cherry Pectoral saved my life."-W. H.
