The other boy gave a sidewise not to tackle tough things, you know, and why the fails a time, and this deal a short time grow takes of the use of her arms by taking as time, and this deal a short time grow takes of the use of her arms by taking as time, and this deal a short time grow takes like a top." A representative feature, of the stakes like a top." A representative feature, of western

Dr. Agnew's Cure for the Heart.

The good that Dr. Agnew's Cure for the Heart has done finds a ringing echo in the hearts of thousands in Canada who have used this medicine. There are some diseases where prompt action is not absolutely necessary to avert quick disaster. This is not the case with heart affection of any kind whether this be chronic or sympather with heart affection of any kind whether this be chronic or sympather time to produce that prevents us from eating but to pigs and cattle. It is nothing but it off some way," went on Jack, laugh-intended and prevents us from eating it off some way," went on Jack, laugh-intended prejudice that prevents us from eating to fish some way," went on Jack, laugh-intended prejudice that prevents us from eating to fish some way," went on Jack, laugh-intended prejudice that prevents us from eating to fish some way," went on Jack, laugh-intended prejudice that prevents us from eating to fish some way," went on Jack, laugh-intended prejudice that prevents us from eating to fish some way," went on Jack, laugh-intended prejudice that prevents us from eating to fish some way," went on Jack, laugh-intended prejudice that prevents us from eating to fish some way," went on Jack, laugh-intended prejudice that prevents us from eating to fish some way," that one of my as said to feed the introduction of the potato a hundle her by the fire, I hadn't and landed h people had been told that this American root caused fever, and rendered the ground unfit for all other crops.

The exception against horseflesh is not even founded upon any objection to its properties. It is solely due to the influence of the Church. The clergy did everything possible to prevent the newly converted Saxons from returning to their heathenish practices, and pro-

model of neatness and cleanliness, every-thing being arranged with marvelous or Sale by McFARLANE & CO.,
