Church and to reent r the field of journalism. It is proposed to begin minster "of which Mr. McDonald will assume the editorship. A good church monthly would be a good thing, but one strong journal, which would command the support of the whole Presbyterian Church in Canada. The Church powerful influence in moulding public opinion, and that influence would no doubt be for the good of the entire body politic.

-The Montreal Witness speaks a It would be a distinct gain to Cana-

Sunday, the only moral from which ments of knowledge, our orchardists would have been that the more gener-ous, the more gentlemanly, the more affectionate and tender a man is to all about him, the more may we fear that he may be plotting the murder of his RE. TREE PLANTING AND ARBOR DAY. nearest and dearest. The real lesson of it is that the popular craving for morbid writing can create the fiend who could SIR.—Since the formation of tions, and yet, after such an exposure, that paper goes on, Mephistopheles-like, to lie against human kind, and the Directors of the Cemetery Co. to the nepeople go on to buy it.

-Many attempts have been made to induce the Jews to return to the land of their fathers, and large sums have been expended by wealthy Jews such as Sir Moses Montifiore, Baron Hirsch and others for that purpose. But evidently the "set time" has not DEAR SIR. - The Ontario Legislature Bargains at Wholesale!

But evidently the "set time" has not come. The Jews who were conveyed to Palestine quickly lapsed into mendicants and hung around the gates of Jerusalem in abject poverty. However, Mr Hol, man Hunt, who has been amid all reverses a strong believer in and the tenure of office. The change is any person in need of a Land, comes forward with a new scheme for that purpose. The Sultan of Turkev is in need of money and Mr. Hunt proposes to purchase Palestine

Hunt proposes to purchase Palestine

Hunt proposes to purchase Palestine of Turkey is in need of money and an extended from the Sultan—the sum suggested being four hundred million dollars. A very large sum but one which wealthy Jewisn financiers could easily arrange for. It is expected that the emrty being then under Jewish control entire by that agriculture and every other industry suitable to the country would flourish as in the days of old. The scheme is a good one, but it cannot be forgotton, that since the days of a An atting the want of the Jewish nation was a nation of traders and that they throve best in the large centers of population.
