ONE OF CANADA'S FIELDS

SOMETHING ABOUT THE HISTORIC CRYSLER'S FARM.

tarm. writes a correspondent. This historic spot is about five miles below the town and fronts on the St. Lawrence river. There is the most striking difference between this battle ground and that of Queenston Heights. The Heights seem as if designed by nature for a scene of Titanic strife, but "the farm" is a level plane on which if the property of the farm is a level plane on which in the property of the farm is a level plane on which in the property of the farm is a level plane on which in the property of the property of the commit suicide in that way. A life conspicuous in Fenian affairs, died in Mix one egg—with flour stiffen. New York a few days ago. He enmailed ports a few illy-chos words may rob a man of it, for a tin at least.

Captain George W. Spearman, once with a pinch of salt, or two—with a pinch of salt "the farm" is a level plane on which life, with many years of usefulness be-"the farm" is a level plane on which fore him; one who might be happy and even the most vivid imagination finds contribute to the happiness of others? it difficult to conjure up any other scene Why is it, sir, that you will thus make some of the minor miseries of life. To than the one of pastoral peace and sim- a mock of your god-given advantages be compelled to sit in a straight-backed plicity presented to-day. There is not a ridge upon it, and the only point are ridge upon it. plicity presented to-day. There is not and attempt, sir, to rush unbidden into chair for three hours, eating badly of defence is formed by a creek which sir, do you dare to go thus unshaven and ancient jokes of the speakers, is tivating her tastes? Surely it does not girl has suffered from thoughtless inruns from north to south into the St. before the great white throne? Why a tiresome ordeal." runs from north to south into the St. Lawrence, and even this point seems to have been neglected by the British have been neglected by the British cluded: "Why do you dare to do this, the Crown Prince of Denmark, and the same must neglect any, or all, of a most dangerous enemy for he is easily commander until after the battle was without—ah—without the permission Princess Sibyl of Hesse, niece of the Denies Sibyl of Hesse, nie "I would like to add my testimony to their of others who have used Ayer's Fills, and to say that I have made to say that I hav for many years, and always derived the best results from their use.
