ELECTION NOTES.

—Dr. Landerkin, and A. B. McCullum, of Paisley will address meetings at Priceville June 4th, Dromore, June 5th, Latona School House June 6th, all at 8 p. m.

—Dr. Jamieson has been in Normanby this week with what success we have not heard.

—South Grey is for Geo. Landerkin, the only candidate with a straight record in the Campaign.

—Young Liberals everywhere should consider the record of the past. Every enlargement of the Franchise has been the work of the Liberal Party. But then, the Tories gave us the famous Franchise Act. By the bye, do you hear them boasting of it?

—We learn from Holstein correspondence in our Conservative contemporary that Landerkin will take his old vote in Centre and South Egremont. We have suspected this, and expected it too. In fact, unless all signs go wrong there are very few localities he will not do this, and in many he will do better than ever.

—John Crearer Esq. Q. C., of Hamilton will address the electors of South Grey at two points in the Riding at an early date. Particulars in a day or two. The trade and financial questions will be fully dealt with.

Pros.—Weather cloudy for the bishops of Quebec and Tupperites everywhere. Local squalls and wind gusts. A cyclone approaching and will rage from ocean to ocean about June 23rd. Great dodging between now and then.

—All honor to Archbishop Walsh of Toronto who refused to sign the collective mandement of the Quebec Bishops urging opposition to all candidates who refused to pledge themselves to support a remedial bill. He does not stand alone either in this province, nor in this riding where many of his co-religionists will be found voting for the champion of provincial rights, Dr. Landerkin.

—The Orange meeting at Stayner last week was unique in the fact that for the first time that body has shown a disposition to kick against the conservative machine. It did so in two notable instances, it elected Clarke Wallace by acclamation, although there was a party there opposed to him that dared not bring in another candidate. It also carried a vote of censure against all members of the order who had voted for the remedial bill, and no doubt the censure applies to all who still or who will support that coercive measure. The Grand Master in his able address said he issued no mandement, and it is likely that in many cases, strange as it may seem, old associations will lead Orangemen in the same old paths.

—Mr. Dalton McCarthy, the friend of Manitoba as he is familiarly known in the prairie Province, has been West and has received most flattering receptions wherever he has been Winnipeg, Portage La Prairie, Brandon, etc. His great great themes have been the School question and the tariff. He maintains the right of Manitoba to deal with the School law herself and that the Privy Council committee did not question that right. He opposes the present tariff for protection, and hopes that by the Liberal Party gaining power a fair reciprocity treaty, which would be of the greatest benefit to all the Provinces, especially Manitoba, could be secured with the United States.

MR. NO-PLEDGE.

At Neustadt on Monday evening Dr. Jamieson said that he had to repeat what he had said to the meeting that nominated him, that he would "make no pledge" on the School question.

Do the electors of South Grey wish to be represented by a no-pledge man who endeavors to be all things to all men and who upon one of the important questions of the day seeks to express himself differently upon every hustings? Can Protestants or Catholics place any dependence upon such a candidate.

CHANGE OF FORM.

The pressure on our space has been so great of late that we have decided to enlarge to a six column quarto in the meantime. This gives us a largely increased space for local matter and we hope to be able to still further add to the usefulness of this journal, as a local newspaper and an advertising medium. We trust our friends everywhere will give us what encouragement lies in their power and it will be our aim to furnish a reliable, clean, family paper. REVIEW to Jan. 1 1897 for 50cts.

DORNOCH MEETING.

At the Dornoch meeting we understand Dr. Jamieson declared himself in favor of National Schools, if such could be carried out all over Canada.

Mr. Putherbough on behalf of the Patrons, attacked the Senate and the Superannuation abuses both good grit positions.

Mr. Pat Malone made an able, breezy, speech. This Catholic farmer has read history and can draw conclusions, and these are decidedly in favor of Liberal positions. Mr. Malone lives in North Grey, but we believe, if required, would come further South to advocate Liberal principles, as upheld by Laurier and Landerkin. He will do it for the love of it too and not as a paid, mercenary stumpster.

Mr. Calder followed on behalf of the Liberal Candidate, and the meeting was wound up by Mr. Herman Spence whose oratory overflows for the Tupper Candidate at so much a night.

WORK OF A SINGLE DAY.

Some Startling Facts Concerning the Action of the Heart.

Do people recognize the immense work transacted by the heart in a single day? It equals that of lifting one hundred and fifty pounds to the height of thirty-three hundred feet. And yet, knowingly, or through ignorance, nine out of ten people abuse this hardest worked organ of the body. There is nothing remarkable in the fact that heart failure and apoplexy are among the most prevalent diseases of the day. Happily a remedy is found in Dr. Agnew's Cure for the Heart, which gives relief instantly. This medicine should be kept in every house, so that on the slightest indication of heart trouble it may be taken. It has saved, by its prompt and efficient work, the lives of thousands of Canadians. VARNEY.

News is scarce but grasshoppers are plentiful. Between grasshoppers and worms, wind and frost, we are afraid the harvest and fruit will be light.

Elen Bros. commenced the first of their barn contracts at Mr. Gideon Johnston's. They intend raising this Thursday. Look out girls and boys for a hop at night.

Miss Mary Wallace is assisting Mrs. Grant for a month or so. Mary thinks the front line better than North East Normanby.

Mrs. R. Hannah, of Fergus, and Mrs. Reid, of Holstein, are paying their mother, Mrs. Wm. Grant a visit.

Mrs. R. J. Eden has been seriously ill for the past two weeks, but we are glad to learn she is recovering at time of writing.

We are sorry to learn Mrs. Wm. McCalmont is also in poor health. We have had some splendid rains after such dry weather, which made the farmers smile.

Owing to Mr. and Mrs. Flagg being at Conference we will not have service here Sunday next.

Mr. J. W. Blyth intends leaving for Conference next Thursday. He is also thinking of visiting his old homestead. We wish him a pleasant journey.

Look out for a garden party and a picnic in connection with the church and Sunday School in two or three weeks.

We are sorry to learn of Mrs. John Saunders being in very poor health. We hope to hear of her speedy restoration to health.

The Mission Band held the last quilting for this summer at Mrs. Little's last Thursday and presented Mrs. Little with a lemonade set and fruit basket. The girls report having passed a very enjoyable afternoon and evening.

ORCHARDVILLE.

The recent rains have greatly improved the appearance of crops in general. Considerable damage is being done, however, by that gray grub, principally on fall ploughed sod. Some fields have had to be re-sown.

The football club has been re-organized and practise occasionally, so we may expect to hear from them by and by.

Mr. Wm. Pinder, Jr., is building a veranda to the front of his house.

Mr. Jas. Haney is enlarging his barn in Egremont and building a stone stable under it.

Politics are very quiet here but it may only be the calm before a storm.

Mr. Jas. Peters, Sr., shot a bear last Friday, on Mr. Blythe's farm.

NORTH EAST NORMANBY.

Mr. John Johnston, of Galt, was visiting his brother Mr. Wm. Johnston the other week.

Miss Cook, of Glenelg, was spending a few days with her aunt, Mrs. Jas. Watson.

Mr. James Mc Mitchell came up on his bike from Fergus last Sunday week to visit his mother, Mrs. Dickenson. Will also drove up from Holstein the same day.

The social held in the Knox Church on the evening of the 25th was a success in spite of the rain, the church being filled. A game of foot ball was commenced about 5 o'clock in Mr. John Marshall's field between the Orchardville boys and those of the 13th con., Normanby. We understand that neither won the game as it turned out a tie. About 8 o'clock when all were gathered in the church refreshments consisting of sandwiches, cakes and lemonade were passed around and they did credit to the ladies of the congregation. The Dromore choir furnished the music and Mr. Watson and Miss Cook also sang a few solos. The chief speakers were the Rev. Mr. McGregor and Rev. Mr. Dodds Mr. Allan and Mr. Snell, with Mr. Mc Vicar as chairman there was very good order. The proceeds amounted to some thing over \$22.

We would like to know if the foot ball boys enjoyed eating the cakes with which they stuffed their pockets the other evening.

PRICEVILLE.

Last week's rain followed by the cool weather we now enjoy has given new life to vegetation and the prospects are good for a heavy crop this year.

AYER'S Hair VIGOR

Restores natural color to the hair, and also prevents its falling out. Mrs. H. W. Fenwick, of Digby, N. S., says: "A little more than two years ago my hair began to turn gray and fall out. After the use of one bottle of Ayer's Hair Vigor my hair was restored to its original color and ceased falling out. An occasional application has since kept the hair in good condition."—Mrs. H. F. Fenwick, Digby, N. S.

Growth of Hair.

"Eight years ago, I had the varioloid, and lost my hair, which previously was quite abundant. I tried a variety of preparations, but without beneficial result, till I began to fear I should be permanently bald. About six months ago, my husband brought home a bottle of Ayer's Hair Vigor, and I began at once to use it. In a short time, new hair began to appear, and there is now every prospect of as thick a growth of hair as I have my fingers."—Mrs. A. V. Curtis, Plymouth St., New Orleans, La.
