Fresh turnip seed at Grant's.  
 Mr. T. H. Farr, of Huron College, London, returned home on Saturday last for his summer vacation.  
 FOR RENT OR SALE.—Lot 20, con. 3, W. G. R., township of Bentinck. Apply to  
 A. H. JACKSON, Durham.  
 Rev. Mr. Jennings, of Hanover, was in town Monday. He was a guest of Rev. Mr. Connor.  
 KILLED BY LIGHTNING.—During the thunderstorm last week Mr. Jno. Williams had a heifer killed.  
 Now, just now, is the time to subscribe for the Review. Starts to Jan. 1897. \$1.50 to Jan. 1898. Send in your name now.  
 Get the brightest, cleanest, newest Sunday paper, the Illustrated Buffalo Express for sale at the "Durham Pharmacy."  
 Impoverished blood causes that tired feeling. Hood's Sarsaparilla purifies, enriches and vitalizes the blood and gives vigor and vitality.  
 Mr. J. A. Hunter finds business so rushing that he has engaged Mr. Robt. McCracken. When Mr. H. A. Hunter returns this week there will be six busy salesmen in the Departmental Store.  
 The Orange "machine works" got a great set-back in Grand Lodge. It was a question whether the Government or the Order should survive, and the delegates decided against the Government.  
 For that tickling sensation in your throat try a 10c box of "Mist" Cough Lozenges. They will allay the irritation at once. For sale by all druggists and the Key Medicine Co., 345 Young Street, Toronto.  
 Food, when it sours on the stomach, becomes unwholesome and unwholesome. It poisons the blood, and both mind and body suffer in consequence. What is needed to restore perfect digestion is a dose or two of Ayer's Pills. They never fail to relieve.  
 A SNAP!  
 That eligible residential lot, at present occupied by Rev. J. A. Hunter is for sale, or will rent on reasonable terms.  
 Apply on the premises or to  
 J. P. TELFORD.

It is a great mistake to suppose that a simple tonic gives strength; it only stimulates the stomach to renewed action. To impart real strength, the blood must be purified and enriched, and this can only be done by such a standard alterative as Ayer's Sarsaparilla.  
 NOTICE.  
 I have received an application for a transfer of license granted to Wendell Beitz, of the town of Durham, from John Wattles. A meeting of the Board of Commissioners will be held at the Central Hotel on the 4th day of June next, at 1 p. m., to consider such application.  
 THOS. A. HARRIS.  
 Durham, May 29th  
 SAD AND SUDDEN.—The town was shocked on Monday morning to learn that Arthur Young, a bright son of Mr. Henry Young, lower town, aged 13 years and 6 months had died of diphtheria, and his sudden taking off has aroused widespread sympathy for the afflicted parents who have another son seriously ill.  
 His teacher, Miss Banks, and fellow pupils showed their sympathy and regard for him by collecting flowers, and working them into beautiful "heaths," etc., which were placed lovingly on his coffin.  
 A printer is a most curious being. He may have a "bank" and "coins" and not be worth a penny, may handle "pearl," "diamond" and "ruby" and know nothing of precious stones. Others may run fast, but he gets along swifter by "setting" fast. He may be making "impressions" without eloquence; may use the "eye" without offending; and be telling the truth; while others cannot "stand" and "stare" they "set" he can "set standing" and do both at the same time; last to use "furniture," and yet have no dwelling, may spread "sheets" without being a housewife; may lay his "form" on a "bed," and yet be obliged to sleep on the floor. He may make and put away "pi" and never see a pie, much less eat it, during his whole life.  
 "press" a good deal, and not ask a favor; may handle a "shooting iron" and know nothing of cannon, gun or pistol; may use the "dagger" without shedding blood, and from the earth he may handle "stars." He may be of a "rolling" disposition, and yet never desire to travel; he may have a "sheep's-foot" and not know of it; never be without a "case," and know nothing of law or music. His acquaintance of mine may be rich, but his contact with "quines" frequent; he may attend well to his duties, and yet work at "random"; may be always "correcting" his errors and be growing worse every day; have his "form locked up," and at the same time be free from jail, watch house or any other confinement; may work at a "gallery," and be neither slave nor criminal.—Ex.

THE PAIN LEFT QUICKLY.  
 Rheumatism of Seven Years' Standing Cured in a few Days.  
 "I have been a victim of rheumatism for seven years, being confined to bed for months at a time, unable to turn myself. I had been treated by many physicians in this part of the country, none of whom benefited me. I had no faith in rheumatic cures advertised, but my wife induced me to get a bottle of South American Rheumatic Cure from M. Taylor, druggist, Owen Sound. At the time I was suffering agonizing pain, but inside of twelve hours after I took the first dose the pain left me. I continued until I took three bottles, and I consider I am completely cured. (Signed)  
 J. D. McLEOD, Leith P. O., Ont.

CONCERT AND LECTURE.—The Diocesan Court of the I. O. F. held their Annual Concert last Friday evening, and the brethren were again successful in drawing a large house. The Haw Bros., of Swinton Park on violin and piccolo gave the first number and confirmed their popularity as first class entertainers several times during the evening. Miss King, who formerly gave Music lessons in the neighborhood, sang sweetly and with great taste. Mr. Will King gave an exhibition of stepdancing. Mr. G. W. Jones, of Durham, gave some instrumental selections on guitar and mouth organ. He will have to appear here again. Mr. R. Parker, of Durham, sang two selections in his usual able style. A duet by Miss King and Mr. Glanville, and a song by the born comic Mr. T. H. Ellis were both well received. The force "Paddy Myles" by Messrs. Fleming and Calvert, and Messrs. Ellis, Perry, Clark, King and Rodgers delighted the house though some exerecences in language marred good acting. The event of the evening was, however, Insp. Campbell's lecture. He won golden opinions for able presentation of Forensic principles. He began with referring to some modern features of social life which were likely in the near future to cause a social upheaval. Combination was one feature, and was the refuge of the rich while co-operation was the refuge of the poor. The I. O. F. and other societies were instances of the latter movement. Forestry gave fraternity in health or sickness, opportunity of social moral and intellectual culture, and was superior to old line companies in the matter of sick benefits. Mr. C. is not an old Forester but his address proves him entitled to his honors as a P. D. H. C. R. Mr. Walter Hastie occupied the chair and will be happy as presiding officer to initiate new members at charter rates during the month of June. The meeting closed with the National Anthem.

MAPLE GROVE.  
 On Wednesday the 29th of May Mr. Alex. Carson and Miss Tenn McLean were married at Pricerville by the Rev. Mr. McLeod. After the ceremony the happy pair started for a short trip east and returned on Friday following when a numerous company of their friends assembled to bid them a welcome home. Mr. H. J. H. was the promoter of the reception which was a great success.  
 Mr. John McLean left for his new home in Duluth, Minn. on Thursday the 21st May. Hope he will have a good trip.  
 Miss Jennie Carson and Miss Mary Campbell were guests of Mr. McGrogan, Irish Lake Sunday last. Mr. J. H. the pilot of the Lake accompanied them.  
 Miss Black and Miss McCormick, of Glenelg have been visiting in this vicinity this week, their object being to collect funds for the R. C. picnic to be held on the 11th of June at the usual place. A good time is expected. The Irish Lake picnic being one of the events of the summer in this section.  
 A number of the young people of this burg attended a dance at Mr. Donald Black's on the 4th con. near Pomona. A visit from Scotch town met with an unfortunate mishap through some mistake his lady friend that accompanied him was carried off by some one of the boys and pseudo reporter was left lamenting. We trust that he may eventually recover. Better luck next time.  
 Miss M. from Scotchtown visited in this vicinity last Sunday.  
 Miss Mary Conkey held a quilting bee last week, the frequency of matrimonial events lately leads to the question: Who will be next?  
 Archie from the hills, is a regular visitor to the Grove, the climate here is evidently conducive to friendly visits.  
 Mr. John McDonald and Pat McArthur, visited Mr. A. Carson, on Sunday and returned to Pricerville in the evening.  
 Mrs. J. Henry and Mrs. Jos. McDonald, started for a holiday trip to Guelph last Saturday taking advantage of the excursion. They will no doubt enjoy their trip, the detizens of the Royal City being famed for their hospitality.  
 Mr. John Campbell got his foot severely cut with an axe while splitting rails last week. Dr. Hutton put four stitches in the wound. He is getting along well, but it can be expected, but it will be a few days before he splits rails again.  
 Henry Bros. are busy putting up the Wartman Fence on their farm. They think it is just the real thing as it is simple to build and good and solid when put up. Others intend adopting this fence. It is a great improvement on rails which articles are becoming scarce around here.  
 Mrs. A. C. McLean was taken suddenly ill last Sunday 24th inst. under the care of Dr. Hutton she is improving.

KIDNEY TROUBLE.  
 The Bane of Millions of Lives. Can be Cured.  
 The diseases that we so dread do not come upon us at one step. They are a matter of growth. The sad news is that too common of friends who have died of Bright's disease, diabetes and kindred complaints. It is known that in the system of thousands exist the seeds that in a short time will develop into these dread maladies. Disease of the kidneys in its mildest form never stands still. The warning is worth heeding that efforts should be promptly taken to eradicate the slightest symptoms of kidney disease, and in South American Kidney Cure is found a sure and safe remedy for every form of kidney trouble. Whether chronic, incipient or in some of the distressing phases so well known, it proves an effective, and what is pleasing to know, a ready and quick Cure. Sold by MacFarlane & Co.

**CANCER ON THE LIP,**  
 AND IS CURED BY  
**AYER'S Sarsaparilla**  
 Mr. Nicholson says: "I consulted several physicians for me, but to no purpose; the cancer began to eat into the flesh, spread to my chin, and I suffered in agony for seven long years. Finally I began taking Ayer's Sarsaparilla. In a week or two I noticed  
 Decided Improvement.  
 Encouraged by this result, I persevered, and in a month or so the cancer under my chin began to heal. In three months it had disappeared. After using the Sarsaparilla for six months, the last trace of the cancer disappeared."
