At Bramford Cheese Market, June 5 H factories sold, may make from 63 to 68. That Gov. speculation in cheese is hanging like a nightmare over the trade.

We have been assured that the death recorded last week, as by diphteria, was not so caused. We hope the dreaded disease may ever be kept out of Durham.

Most coughs may be cured in a few hours or at any rate in a few days, by the use of Ayer's Cherry Pectoral. With such a prompt and sure remedy as this at hand, there is no need of prolonging the agony for weeks and months. Keep this remedy in your house.

TOWN COUNCIL.—The special meeting on Monday night came to an abrupt conclusion. The Mayor was prepared to lay a bylaw, or plans for a bylaw before the Council, but that body wants time to consider. Quite right, and we hope the consideration may result in some well matured scheme to get that Railway as soon as possible. Walkerton we see passed its bylaw, three readings at one session.

PRICEVILLE.
A fine rain Sunday night revived crops and human hope, and doubts as to the harvest, are vanishing as they should do. Not because we expect a change of Government, and that coming change is much needed, but because of the promise "Seed time and harvest shall not fail while the world lasts."

Dr. Landeikin's meeting in Watson's Hall was well attended. The good old doctor will be strongly supported in this locality again. Mr. McCallum, a true blue highland man, made a stirring speech and an attempt at defending the Tupper Government was made by Mr. Patterson a barrister, Mr. Allan, by his side of the story would be the right man in the right place. Mr. Davis, of Ephraim, defended him, he would probably make a better candidate than Allan.

S. GREY FARMERS' INST.—The Annual meeting of South Grey Farmers' Institute was held in Durham, Tuesday the 9th inst. The chief business was the receiving the Financial Statement and it is gratifying to know there is a handsome balance on hand. The officers for the current year are: Pres., Wm. Irwin Vice, E. W. J. Young; Secy, Treas., Geo. Binnie; Directors: Geo. Ries, Andrew Derby, W. R. Rombough, Jas. Allan, Alex. Taylor, Wm. Smith, Jas. McGirr, Wm. McMurdo and Wm. Alcorn. A meeting is to be held in Dromon in July and next winter in Durham and Elmwood.

TOWNSHIP OF BENTINCK.
The representatives of the Patrons of Industry, of the fressad Township, met at Campbell's Corners on Saturday. Eight lodges responded to the Roll Call and gave a very gratifying report in favor of Allan. This year seems strange tidings after so many reports from the opposition to the contrary, but we hope to prove on the 23rd day of June that truth is stronger than fiction. Bro. Allan and McNeill were present. We had a good meeting, no excitement but decisive in opinion that those who make the most noise were the ones least to be trusted to rule the state of affairs in this country, and we are expecting that every stratagem of an illegitimate nature will be used as heretofore to confuse as well as deceive the poor laboring man of this country. On the 20th day of June the third Saturday of the month we will hold an open meeting at Louise at 1 o'clock p. m. We hope many will avail themselves of this opportunity and join in with us to carry out the welfare of our fellow citizens.

R. WEBBER, Secy.
