Wonders of this World-Famed Physician's Catarrhal Powder.

Success has followed all of Dr. Agnew's specifics. With all the emphasis pos-sible, this is the case with his Cure for the Heart. Its effectiveness is marvellous. The very paroxysms of death may seem to have seized the patient, and yet relief is secured with the taking of a single dose, and the continuation of the use of the remedy soon cures the worst cases of heart disease. George Crites, custom officer, Cornwall, Ont. says: "I was troubled with severe heart complaint for several years. The slight. est excitement fatigued me. I was un-

who found, on examining my lungs, that the upper part of the left one was badly affected. He gave me some medicine which I took as directed, but it did not seem to do any good. Fortunately, I happened to read in Ayer's Almanac, of the effect that Ayer's Cherry Pectoral had on others, and I determined to give it a trial. After taking a few doses my trouble was relieved, and before I had finished the bottle I was cured."—A. LEFLAR, watchmaker, Orangeville, Ont.
