TO FARMERS.—Farmers or others having young cattle which they are willing to trade for farm machinery, can have a splendid choice at
C. McKINNON'S,
Agricultural Emporium.

Rheumatism Cured in a Day.—South American Rheumatic Cure, for Rheumatism and Neuralgia, radically cured in 1 to 3 days. Its action upon the system is remarkable and mysterious. It remedies at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by McFarlane & Co.

PICNICS GALORE.—The Varney Methodists had their annual outing in Mr. Aldred's orchard on Tuesday last, and what with swings, ball, ice cream, lemonade, good tea, good weather and good fellowship it was a decided success. On the morning of the 24th of June off it came, and as he walked the streets of his own town, few knew him.

HOME FOR THE HOLIDAYS.—Among the many home for the holidays in Durham and neighborhood are the following teachers and others:—Mr. Walter Elvidge, from Belmont; Miss Bull, from Orangeville; Miss McCreary, Yorkville; Miss Parker, Zion; Miss Hughes, Chatsworth; Miss Anderson, Crawford; Miss Whelan, Lauriston; Miss McKenzie, Elnwood; Miss Aggie Bull, Priceville.

BRUCE COUNTY has been mapped out for the County Council plan. Judges Jones, of Braint, and Oreson, of Owen Sound, did the work and they have made 9 divisions. This will make their council number 18 members, the largest possible.

NORTH WELLINGTON.—The Official figures give Mr. McMullen 100 majority. The country has been greatly indebted to Mr. McMullen for efficient work in the last parliament, and they will rejoice that his constituents have again rendered his services available.

FROM N. DAKOTA.—We were much pleased a few weeks ago to have a letter from a valued subscriber in N. Dakota. Mr. John Cameron, of Bottineau. The letter was lost in the thick of the fight and it turned up last week. He hopes there will be enough good common sense voters in S. Grey to elect "that grand old man Dr. Landerkin." There was, Mr. C. knows now. Mr. Cameron is now a full fledged American citizen and while feeling a pride in his adopted country has a warm side towards Canada. They are having a glorious time out west this year. Seasonable rains making splendid wheat fields. A government report shows that 50,678,140 bushels of wheat were shipped within the year, the largest quantity shipped from any state of the Union.

Rev. H. Caldwell before entering on his new circuit is spending a day or two round the old home in Normanby.

SYMPATHY.—We sincerely sympathize with Bro. Rickaby of the Mt. Forest Confederate in the sudden death of his wife.

Mrs. Harriet Beecher Stowe, the famous authoress, who immortalized herself by her famous work, "Uncle Tom's Cabin," died last week at an advanced age.

HONOR STANDING.—Mr. Mal. Clarke, Aberdeen, passed his 3rd year examination with flying colors. As the Curriculum has lately been much broadened, to take honor standing is no light task. We congratulate Mr. Clark.

For that tickling sensation in your throat try a 10c box of "Mist" Cough Lozengers. They will allay the irritation at once. For sale by all druggists and the Key Medicine Co., 385 Yonge Street Toronto.

TORONTO INDUSTRIAL.—The prize list and posters for the big institution are now out. The date is from August 31st to September 12th. An effort is being made to secure Mr. Laurier to open the exhibition, and it is announced that their Excellencies Lord and Lady Aberdeen will be present.

HOME FROM OLD QUEBEC.—Mr. S. Morlock came home Monday night and Mr. A. Jackson, Tuesday morning, the latter wheeled from Toronto to Proton Station against rain and wind on Monday. Mr. Jackson speaks in enthusiastic terms of the great Wheelmen's meet in historic Quebec. Ontario men carried off some of the highest honors.

THE LATE MRS. HOPKINS.—All that was mortal of this esteemed lady was laid to rest on Sunday last in Hutton's Hill graveyard. A very large following testified to the respect in which she was held. Mrs. T. Moffat, Mrs. E. Hutton, Mrs. David Hopkins, all in town are daughters of the deceased, Messrs Geo. and Alex. Hopkins, Hutton Hill, are sons. Rev. Mr. Connor conducted the services in Trinity Church.

Hay Fever and Catarrh Relieved in 10 to 60 Minutes.—One short puff of the breath through the Blower, supplied with each bottle of Dr. Ayer's Catarrhal Powder, diffuses this Powder over the surface of the nasal passages. Painless and delightful to use. It relieves instantly and permanently cures Catarrh, Hay Fever, Colds, Headache, Sore Throat, Tonsillitis and Deafness. Sold by McFarlane & Co.

FATAL ACCIDENT.—While Mr. Frank Twamley was engaged in drawing in hay about 10 days ago he fell to the ground from the wagon owing to the breaking of a board. Although the distance was only a few feet, he received an injury to the spine, which resulted fatally and he died last Friday. Much sympathy is felt for his only child 12 years old who has lost both parents within 2 months.

STILL ANOTHER PIONEER GONE.—On Monday evening last another of the men to whose labor the country owes a deep measure of gratitude passed over to the greater number. This was Mr. Allan McEachern, for many years well known in Bentinck. Deceased was stricken with paralysis about 4 weeks ago, and died at the residence in Upper Town. He was born 77 years ago in Argyleshire Scotland, and over 30 years ago came to this country settling in Vaughan. Here he was married and the young couple shortly afterwards moved to the 2nd con. Bentinck, to begin life with the usual battle of the forest. To them were born 6 sons and 1 daughter. The latter is Mrs. Henry Fifth, one son died 10 years ago, three are in the States, John, at the Rocky Saugeen, and George, our councillor townsman, and both well known. In religion Mr. McEachern was a staunch Presbyterian, and in politics was ever found advocating liberal principles. He was buried at the Rocky Saugeen Cemetery. Rev. Mr. Little conducting the services. We add our tribute of sympathy and respect to the widow and family.

POLITICAL NOTES.
Tupperism is dead. From its ashes, Sphinx like, will arise a new Conservative party with the bolters of last Parliament as its leaders.
Patronism crushed and humbled as it is, may yet under different leaders and with a different policy make its power and influence felt. Like the Conservative party they seem to have been cursed with too much bossism. The day is happily gone by when the electors will mark their ballots blindly at the dictation of any machine politician.

The Hierarchy too has been taught a lesson. The habitant has spoken as plainly to them as the Conservative party has to Tupper. Habitants have gone up considerably in Ontario since the election. The majority of us will have a better opinion of our French Canadian brothers.

It seems to be no loss a victory for Public Schools as against Separate Schools. If the Habitant doesn't want Separate Schools who does? Will Laurier get rid of the Manitoba School Question by abolishing Separate Schools altogether? Why not if Quebec is willing?

Was there ever an election at which the defeated party accepted defeat so cheerfully? Conservatives everywhere seem almost to welcome it, perhaps for two reasons, to kill Tupperism and to place the responsibility of disposing of the Remedial Bill on the Reform party. Below we give some press comments on the result. Dundak Herald.

THE PRESS.—Seven newspaper men were elected to parliament in the late election, two of them being from Toronto.

A Terrible Cough. No Rest Night nor Day. Given up by Doctors.
A LIFE SAVED
BY TAKING

AYER'S CHERRY PECTORAL

"Several years ago, I caught a severe cold, attended with a terrible cough that allowed me no rest, either day or night. The doctors, after working over me to the best of their ability, pronounced my case hopeless, and said they could do no more for me. A friend, learning of my trouble, sent me a bottle of Ayer's Cherry Pectoral, which I began to take, and very soon I was greatly relieved. By the time I had used the whole bottle, I was completely cured. I have never had much of a cough since that time, and I firmly believe that Ayer's Cherry Pectoral saved my life."—W. H. WARD, a Quimby Ave., Lowell, Mass.

Every Church and Society is entitled to send two delegates, with an additional delegate for every 50 members over the first 50. Every young People's Society connected with church or philanthropic work, and every young man or woman, need not be given on all railways. F. S. Spence, Toronto is the Secretary.

PLAIN TALK.—W. T. McLean in his paper, the Toronto World, last week writes a double column scorching letter to the Conservative party (to which he belongs) demanding a reconstruction, and giving reasons therefor. Two of his paragraphs will give an idea of the letter, which might well be considered the work of some rabid agitator, and not an ex-Conservative M. P.:

"What more? There were scandals going. Clarke Wallace made distinct charges against a colleague that the colleague should have proved false or resigned. The Curran bridge, the McGreevys, the Day Canal, a dozen of other things were talked of, and the Ministers implicated never thought that it was incumbent on them to resign and relieve their party. They insisted on their party carrying them. How different it is in England! A man who does something wrong, or is charged with wrong doing, or with making even a mistake doesn't wait to be asked to get out and relieve his party; he goes out, even if he is most unfairly treated, and saves his party the trouble of carrying him. The evil-doers, the makers of mistakes, the men of bad policy in the Conservative party for five years back have insisted on the party carrying them. They hadn't that poorest of all virtues, the virtue of resigning when found out."

"Of the men who against their conscience and against their political views, and against the wishes of their constituents swallowed Remedial Legislation, and then decided to take refuge in office, the names have only to be mentioned to rouse the disgust of honest men, namely, Masson, of South Grey, the two members of Hamilton, Metcalfe of Kingston, Boyle of Monck, Ferguson of Leeds, Marshall of Middlesex, Fairbairn, of Victoria, Carpenter of Wentworth, McLeod of St. John, Patterson of Colchester, and two or three others of the Maritime Provinces, not to mention Ross of Manitoba, Corbould of British Columbia and Davis of the Territories. There is nothing quite so disreputable in the history of members of parliament in Canada as the conduct of those men during the last session. They all knew that Remedial Legislation was a political crime, was against their own conscience, yet for some reason they were aiders and abettors thereof."
