A broad flat effect must be

DIRTIEST CITY IN THE WORLD.

Amoy, China, Has Graveyards on Nearly Amoy, in China, bears the uneviable reputation of being the dirtiest and most unhealthful city in the world. What is a more unpleasant fact is the

promise of the present tendency of af-"I don't care," said Neaera.

Mr. Blodwell shook his head. "You must consider Gerald and his people."

"Gerald doesn't doubt me. If he did—" Neaera left her recreant lover's did—" Neaera left her recreate lover's

The city is built on the edge of mountainous island, and is exceedingly old. Inscriptions on ancient tombs run back so far as the beginning of mined not to face his friends again "I suppose so," said Neaera, sadly. Then he read his letters, and cursed the Christian era, and coins found in his luck, and went to bed a miserable without attempting to prove his words. "My dear Mrs. Witt, why didn't you man. The presentment of truth, not the in- dynasties from 1,000 to 500 B. C. During all this period the billsides of the city have been used as burying grounds. encroached upon the cemetery land, until the two became hopelessly mix-

The United States Consulate is regarded as a very superior locality, but it is surrounded by over a hundred tombs. A score of the large

Near the Lampaw-do joss house 30,000 bodies are said to have been buried vertically to save space. They lie, or stand, on a plot of ground of as many square feet. Amoy proper and its suburbs have a living population of about 1,000,000 and a dead one of four and a half times as many. The wells are shallow, and are sunk on the edges of the graveyards, and even among the tombs themselves. I have not seen one whose water is not muddy and discoloured by the perpetual turning up of the soil. The city is a relic of the past. It

is walled still as it was in the time of Confucius. The streets vary from two to six feet in width; no wheeled vehicle can use them. An equestrian would experience great difficulty in turning a corner. Here and there is an open space or plaza dug out so as to be a huge receptacle into which the streets discharge their refuse.

FOR BABY'S COMFORT.

There are some mothers who ruin the health of baby in their excessive care for its clean clothes.
