P. S.—A New Cleveland Swell Special Bicycle, the best wheel in the world, ask for terms.

HOLSTEIN.

Mr. and Mrs. Wm. Main were visiting friends at Riverview last week.

Messrs. Dr. Brown, Geo. Klempf, and T. Petrie, went to Warton on their bikes last week.

Mr. John Burrows, of Chicago, is home on a visit to his mother, Mrs. Wm. Burrows, and other friends.

Mrs. Whetton and son, of Galt, left for home after spending a few days with friends here.

Messrs. Wm. Seaman and J. Burrows drove to Conn. Riverview and Flesher-ton Station recently to visit friends and relatives.

Mr. H. Ham has his new house completed. It is of the finest in the village. The contractors were Mr. W. S. Horsburgh, stone work, brick work and plastering, while Mr. D. Paul did the wood work.

ZION

Harvesting is well on the way round here.

Our township bears a hard name, but we believe that the crops of our part would be hard to beat in any of the other three.

There is quite a rush of thrashers this year. The well known Jim Haley, of Haley Bros., was round the other day. Those who know them say that they are hustlers. As to canvassing the same Jim will soon be a rival for the well known C. McKinnon. He states that the machinery is all in good order, and that their charge will be in accordance with the hard times.

Several pieces of winter crop are already sown in our vicinity.

A large picnic was held at the Falls on the 5th. Among those taking part were Messrs. Moffat, Firth, Ector and others. All appeared to enjoy them selves and were unanimous in stating their intentions of making the picnic an annual one.

If any one should feel proud it is one who has come to a good old age to see his family gathered around him. Mr. Banks is one of these and the other day they held a family picnic at the Falls, when they occupied 8 conveyances. There were upwards of 20 grand children.

Mr. Vair, of G. T. R. fame and family, held a picnic here on Saturday last. He says that by the looks of things around here he will not have so much work this winter in the feed line.

Among the visitors to our part this last week is a party from Hespeler, consisting of the Rev. Mr. Peet, Baptist Minister, Mrs. Peet and Miss A. Elmer. Mr. Peet is writing a short letter on this part, which will be forwarded to the Review in the course of time. The smiles of the young lady has left a mark on several of our yeomen's hearts.

As year by year rolls by the Noble Red Man is gradually driven out of his hunting ground, leaving but few foot prints on the sands of time. As a relic of the past, and in regards to its significance the Falls known as Hayward's will henceforth be known as Minnehaha Falls. The word is Indian and signifies laughing waters. It is pronounced Min-ne-ha-ha.

PROTON CENTRE.

Well Mr. Editor news is very scarce around these parts, but we will try and send in a few items.

The hayting is about through here and some have commenced their harvest, while others have thrashed.

Messrs. S. Brown and F. Gregory, Elders of the L. D. S. Church, have been holding meetings at Mr. J. Batchelor's for the past couple of weeks. The meetings were well attended. Quite a number joined the Church.

Misses Ida and Lottie Wilson, of Swinton Park, were visiting friends around Proton Centre last week.

Mr. J. Lee had a raising last week, putting up a house. He has the cage now, we wonder if the bird is caught yet.

There is a little stranger taken up its abode at the home of Mr. J. Ellis.

Miss McLean has been visiting friends at Swamp College for the past week.

While Mr. Love, of Hespeler, was going home from the cheese factory the horse took fright and ran away upsetting the rig and throwing him out, breaking his leg and bruising him badly. Dr. Mitchell was summoned and dressed the wounds.

Mr. J. Jack, who has been laid up for some time with a sore knee, is able to get around again.

Mr. G. Woodley had a logging bee Monday last. He got a fine piece of log.

Mr. George Ellis took a trip to Egremont on his bicycle last week.

VARNEY.

Mrs. T. Hill has been poorly, but we are glad to relate she is on the mend.

I wonder what makes the young ladies jump through the window when the young men come to see them?

Look out girls for W. and his new top buggy.

Miss Ethel Eden is enjoying her holidays with friends at Varney.

Miss Hattie Eden is assisting Mrs Hill during her illness.

Vacation Time.

Is at hand and is gladly welcomed by all, especially those whose duties in life have caused them to greatly run down their system to meet the requirements, physical and mental, forced upon them. With these and others, it is important, whether at home, at the sea-shore or in the country, that some thought be given to diet, and as further assistance to Nature, a good building-up medicine like Hood's Sarsaparilla had best be resorted to. If the digestion is poor, liver deranged and frequent headaches seem to be the rule, Hood's will change all this and enable everyone to return to their home and business in a refreshed state of mind and bodily health.

A TRIPLE ALLIANCE.

That Has Won in Every Conflict—The Three Great South American Remedies Never Fail in the Cure of Rheumatism, Kidney Disease and the Worst Forms of Indigestion.

The three great South American Remedies have been called into conflict with many a desperate enemy, but the case is yet to be recorded where they have not come out the victors. If we take South American Rheumatic Cure, the story of the patients who have been cured by it is like a tale. Mr. D. Dessnetels, of Peterboro', suffered so terribly from rheumatism, that he was blistered by doctors ten different times, in as many different places with the hope of driving the disease from his system. His hands were drawn out of shape and the fingers almost destroyed. His left leg had to be encased in a plaster of Paris cast for months. One week after using South American Rheumatic Cure this patient was like a new man, and in a short time was completely cured.

When South American Kidney Cure is called into question, unlike pills and powders and medicines of that kind, it immediately dissolves the uric acid and hardened substances that constitute this disease, and the system rid of these a cure is soon effected. Mr. D. J. Locke, of Sherbrooke, Quebec, says he spent over \$100 in treatment for a complicated case of kidney disease, but received no relief. After taking a few doses of South American Kidney Cure he felt wonderfully helped, and, to quote his own words, "I have now taken four bottles and consider myself completely cured."

The worst forms of indigestion were cured by the use of South American Nerfine. It acts on the nerve centres located at the base of the brain, from which come all nervous troubles and disorders of the stomach. Mrs. H. Stapleton, Wingham, Ont., says: "I had been troubled for a number of years with nervous debility, indigestion and dyspepsia, and had been treated by a number of the best physicians in Canada and England. I was advised to take South American Nerfine, and must say if I had not done so I would not have been alive to-day. I will never be without it."

Mothers

Anxiously watch declining health of their daughters. So many are cut off by consumption in early years that there is real cause for anxiety. In the early stages, when not beyond the reach of medicine, Hood's Sarsaparilla will restore the quality and quantity of the blood and thus give good health. Read the following letter:

"It is but just to write about my daughter Cora, aged 19. She was completely run down, declining, had that tired feeling, and friends said she would not live over three months. She had had

Cough

and nothing seemed to do her any good. I happened to read about Hood's Sarsaparilla and had her give it a trial. From the very first dose she began to get better. After taking a few bottles she was completely cured and her health has been the best ever since." MRS. ADDIS PECK, 12 Railroad Place, Amsterdam, N. Y.

"I will say that my mother has not stated my case in as strong words as I would have done. Hood's Sarsaparilla has truly cured me and I am now well." CORA PECK, Amsterdam, N. Y.
