Toronto is enjoying splendid weather
 this week and is receiving tribute from
 all parts of Ontario. From Durham
 there has gone Messrs N. W. Campbell,
 Jas. Crawford, Wm. McFarlane, Ar-
 thur Jackson and others. Miss Blanche
 Hunter left this morning also.
 W. C. T. U.—This body met on Tues-
 day night and had an interesting meet-
 ing. Two interesting papers on Sabbath
 observance are to be read at next meet-
 ing.
 Rev. Mr. Fear writes in a Hesper paper
 in an interesting way on our little
 known scenery. The Minnie Ha Ha
 Falls are better known as Hayward's
 Falls. His letter is in another column.
 Farmers needing ploughs, Wilkinson
 and other makes: Call at C. McKinnon's
 and be suited.

SUCCESSFUL OPERATION.—On Tues-
 day last Mr. Hugh McDonald South
 Line, Glenelg, had a cancer on the lip
 removed successfully. Dr. Park had
 the case in charge and called in Dr.
 Gun to assist in the operation.
 Two Horses Wanted.
 The undersigned wishes to exchange
 two corner lots fenced and cultivated in
 the lower town here for two good
 drivers, not more than 8 years old.
 Apply to Mr. J. P. TELFORD, or
 Thomas D. Thomas
 Box 305 Owen Sound.

COUNTY COUNCILLORS.—A large num-
 ber of ratepayers in Glenelg and Durham
 are requesting Mr. C. McArthur to
 allow his name to be put in for nomi-
 nation for one of the new positions. Mr.
 McArthur has interests in both municipali-
 ties, and is capable of filling the
 position with credit.
 Chas. McKinnon has a few Osham
 Fencing Mills on hand which he will sell
 cheap.

AT DORCHESTER.—The funeral of the late
 Albert Taylor took place last Wednesday,
 at the quiet little graveyard near Amos
 Church. Through a bleak afternoon, the
 attendance was very large, and to accom-
 modate the crowds the services were held
 in Amos Church. The pall bearers were
 Jas. Murdoch, Jas. Calvert, Robt. Renwick,
 Jno. Findlay, Jno. Henton, and Dr. Mc
 Kenzie, of Mt. Forest. He was laid to
 rest beside his grandfather, father and
 son, this making four generations. By
 request of the family Rev. Mr. Morrison
 of Cedarville assisted Rev. Mr. McVicar.
 Mr. Morrison had united Mr. and Mrs.
 Taylor in marriage, and he gave a sym-
 pathetic review of the life and character of
 the deceased. Business and Professional
 men, farmers, and even the young all
 shared by their presence their sense of
 his loss.

PRESENTATION.—The pupils of Miss
 Petherbough, of Latona School, met re-
 cently and presented this popular young
 lady with the following flattering at-
 tention:
 Dornoch, Aug. 28th, 1896.
 To Miss Petherbough,
 Dear Teacher,
 We your loving pupils of Latona Public
 School, knowing your intention of
 leaving your relation to us as teacher
 in order to further equip yourself as
 teacher in your chosen profession, take
 this opportunity of showing our great
 love and esteem to you for the kind
 efforts you have put forth for our moral
 and mental welfare during the past two
 and a half years. By your actions in
 the school and in the community you
 have gained the respect of all classes
 and we would therefore offer you this
 slight token, trusting that you will
 accept it as a memento of the well
 wishes and kind regards of us, your
 pupils. Bespeaking for you future suc-
 cess in your work and deserved pros-
 perity.

CHIEF LIGHT.—A move was made Mon-
 day night last to secure cheap public
 lighting for the town. In February 1895,
 a motion was carried in the Council to
 give the present lessee the contract for 5
 years at \$50 a quarter. No contract was
 signed nor by-law passed, hence it is claim-
 ed no liability exists to continue dear
 lighting. However the Council think a
 point of honor compels them to carry out
 the spirit of the motion. Certainly it is a
 reduction in public lighting corresponding
 to that recently obtained in private lighting
 could be secured, the sooner the town gets
 the benefit of the 50 per cent or more re-
 duction the better. We are not quite
 ready on the point of honor which seems
 to be well grounded, but we have a vivid
 idea of what 27 1/2 mills on the dollar as a
 tax rate means.

SENSATIONAL.—The reports in the two
 Toronto papers last week, the World
 and the News, as to the supposed foul
 play over the body found in Duchesne
 Lake, alleging it to be that of Angus
 McAlvie, proved to be entirely mis-
 leading. Letters from him that were re-
 ceived by the firm from whom he
 bought the 20th of August, and friends
 in Weyburne where Mr. McKelvie taught,
 seeing the alarming reports and judging
 of the anxiety of the parents wrote to
 the Postmaster. McKenzie stating that
 letters have also been received there
 from him. His friends will now breathe
 freely after an anxious period of sus-
 pense.

WILL BE A POPULAR APPOINTMENT.—
 We understand Mr. Jas. Murdoch, of
 Egremont, has been appointed to the
 position of Inspector of Weights and
 Measures for this district. Should Mr.
 Murdoch accept there will be no two
 officers and worthy of all the honor and
 emoluments there are in it.

HONORED.—The first meeting of the
 Select Committee on Standing Orders
 in the House at Ottawa was held last
 week and Dr. Landerkin was the unani-
 mous choice for Chairman. The Dr. is
 altogether too useful to be relegated to
 would like. This constituency will not
 be opened just now, much as some would
 like it.

Mr. Wm. Reynolds has disposed of
 Pike Lake to Mr. R. Grieve, of Harris-
 ton, at the fair price of \$2000. Mr.
 Grieve intends, we hear, putting a
 restaurant on the lake and building a
 all comers. Soon this is to be. If
 Grieve's hopes are realized, the leading
 summer resort in Western Ontario
 will be here. This constituency will not
 be opened just now, much as some would
 like it.

The Harriston Review referring to the
 burglary of Mr. Laidlaw's store last
 week says in regard to the capture of
 the burglars there, "The prisoners
 gave their names as Donovan and Bar-
 ley, claiming Connecticut and Barle-
 y, claiming to be their respective homes."
 In Durham they gave Montreal and Belle-
 ville. During their occupancy of the
 Harriston cells they wantonly smashed
 all the window glass, and their general
 demeanor would mark them as a pair
 of very bad characters.

A PRINTER IN LUCK.—Mr. Ainsley
 Megraw, proprietor of the Warton Can-
 adian newspaper, five or six years ago,
 invested nearly all the money he had
 in mining property in British Columbia.
 When the gold boom struck the country
 Megraw was right in it, and the other
 day was offered \$30,000 for his claim.
 Before accepting the offer he decided to
 pay a personal visit to the gold fields,
 and he is there by this time. He is
 sure of \$30,000 in any event and may
 get twice or three times that sum. This
 is the first genuine case on record of a
 printer striking a snap.—Ex.

PERSONAL MENTION.

Miss Allan, of Mt. Forest is a guest of
 Miss May McCracken this week.

Mr. Dan Greenwood took in the Tor-
 onto Exhibition last week.

 Thursday.

 day last, and came home the beginning
 of the week.

 Nichol of Toronto are the guests of Mr.
 Walter Nichol.

Mrs. Walter Nichol, was at Onaida
 last week attending her brother Mr.
 Wm. Cranston's funeral.

The name of Maggie Clark in the list
 of Primary candidates last week should
 be Mary C. Clark.

Miss Collier, Miss Allie Grant, Mrs.
 Stonehouse and Mr. Henry Cameron
 attended Toronto Show last week.

Mrs. Goldie and her daughter Mrs.
 Moodie of Armesia were the guests of
 Mr. Robert Ector of the Avenue last
 week.

 and Mary E. Turnbull of Glenelg spent
 last Saturday and Sunday with Miss
 Bessie Clark at Aberdeen.

Mrs. (Rev.) W. H. Boyle visited her
 brother-in-law, Mr. Chas. Boyle and
 family, Townsend's Lake for the last
 two weeks. She left Monday for her
 home in Colorado.

Dr. Arthur Gun came home from
 Innerkip last Friday for a few days'
 stay. He is looking up after a recent
 illness. Dr. Park, of Woodstock is
 attending to his practice in his absence.

Dr. Landerkin came home on Satur-
 day last, and left the beginning of the
 week for his duties which begin Tuesday
 after the Labor Day recess. The Dr.
 was much pleased at Mr. Taylor's death,
 as he was more than a consistent sup-
 porter, he was a personal friend.

The name of Miss Millie Leeson, of
 Varney, was inadvertently omitted
 from our list of successful students last
 week. She took her Junior Leaving
 Certificate in Owen Sound after only
 6 mos. study, and part of that time was
 engaged at the sick bed of her sister.

Dr. Hugh McNeill, Chicago gave us a
 call last week. He is home on one of
 his annual visits to his father in Price-
 ville. We were pleased to meet the
 handsome genial Scott. He is Presi-
 dent of a large Scottish Society in the
 land of his adoption. As a wheelman
 he has made his "century run" i. e. has
 ridden 100 miles on a straightaway
 course in 10 hours, and wears the medal
 given therefor.

Bank

President Isaac Lewis of Sabina, Ohio,
 is highly respected all through that
 section. He has lived in Clinton Co.
 75 years, and has been president of
 the Sabina Bank 20 years. He gladly
 testifies to the merit of Hood's Sarsa-
 parilla, and what he says is worthy
 attention. All brain workers find
 Hood's Sarsaparilla peculiarly adapted
 to their needs. It makes pure, rich,
 red blood, and from this comes nerve,
 mental, bodily and digestive strength.
 "I am glad to say that Hood's Sarsa-
 parilla is a very good medicine, especially
 as a blood purifier. It has done me good
 many times. For several years I suffered
 greatly with pains of

Neuralgia

in one eye and about my temples, es-
 pecially at night when I had been having
 a hard day of physical and mental labor.
 I took many remedies, but found help only
 in Hood's Sarsaparilla which cured my
 rheumatism, neuralgia and headache.
 Hood's Sarsaparilla has proved itself a true
 friend. I also take Hood's Pills to keep
 my bowels regular, and like the pills
 very much." ISAAC LEWIS, Sabina, Ohio.

 feet. Mr. S. Arrowsmith has a plum tree
 radiant in a spring dress of blossoms.
 Spring at both ends of the year.

 Crokers went to Hanover and played
 the local team. The result was 40 runs
 for Durham with two innings and 13 runs
 for Hanover with two innings. On Tues-
 day Hanover Lacrosse team came here,
 and Durham was again a victor by 2
 goals to one. Our boys are "in it."

THE BAND.—Messrs Peel and Knapp
 leave for Toronto this morning to pur-
 chase a set new instruments for the Band.
 The response of the town to the appeal
 made this week was a generous one.
 Right. The Battalion Band should have
 the best.

MODELLITES.—Principal Allan has a
 smaller number in charge this year than
 usual, as have most of the schools. The
 limited supply of help, teacher's

 McIntosh, P. McDougall, R. Scott, W.

 ceptant of an elegant Teacher's Bible
