THE IDEAL HOME.—Lady Aberdeen is an educated lady. sympathetic in her tastes and has a constant aim to better the guest of his brother-in-law, N. Mcthe social conditions of the people. Cannel, this week. Among her recent utterances, the following is good. It was part of an address to the Toronto Women's Council:

We shall all agree that to be a homemaker in the real sense of the word should be the noblest ambition of every woman. But what do we mean by that? What is our idea of a home? Do we maker? What is that indefinable some They escaped with a few slight injuries thi g that makes a home-that reveals and reached Durham drenching wet, itself in the books and the pictures in just in time for the train. It was all preparation for the guest, in the tones knew what happened. of the children, in the expression of husband and wife? We cannot describe it, but we recognize it at once when it son attended the Toronto Exhibition present, and no house can be truly a last week. home, without some measure of it. And It is homes we want if the nation is to is renewing acquaintance among his be strong and righteous, and able to take its place in fighting God's battles in the world. We do not need just houses where we can eat and sleep heathfully, but we want homes full of rest and peace and beauty and refreshment. Full of power, therefore, to send out n.en and women inspired with the spirit and devotion to all that is true and beautiful to serve their day and

The Conference of the representatives swore at her to get up and get him a match. She said there wasn't a match Colonies, now meeting in Dallin, and its results, will be watched with much interest by patriotic Irishmen in every part of the Empire. Whether ever Home Rule gate, door and window opened, asked just as those who are agitating for it desire what it all meant. The girl said the it, will be obtained or not, it is certainly man drove a white horse and squeaky much to be wished that every legitimate cart, and as a half dozen people say cause of grievance against Britain which they can swear to the hat, he had bet-Irishmen are really labouring under should ter call and settle up or the constable be redressed, and that peace and content. Will be on his tracks. ment should everywhere prevail among the Irish at home and abroad. It must be said that the irrepresable divisions and strife among Irishmen themselves, which it may well be feared, in spite of all reolutions, will still continue to divide them have alienated the sympathy of many who would otherwise be friends, and led Liem to abandon all hope and interest in disgust. Besides, the prosperous and contented state existing in the North of Lucretia of Orchardville. Ireland generally, despite what are called Irish grievances, have led many to the conclusion that the troubles are largely of a social and religious kind governments cannot directly do much to remove, and for which a remedy must be sough largely amongst the people themselves in improv- tended the funeral of her father Mr. ed social, commercial and agricultura John Baird on Friday. conditions, - Canada Presby.

N. EAST NORMANBY.

On Thursday of last week some lads and lassies of this neighborhood picniced out at Hamilton's Lake in Egremont. They had a fine day for it and all report having a good time. A welcome addition to the picnic was Miss Robena Watson, who returned from Guelph just the evening before.

Misses Leeson, Fee and Petty were

days lately with his mother and friends in this part.

A kitchen is being erected to the house

while, returned home last Saturday was 74 years,

Mr. and Mrs. Ramage and family, of R. J. Eden, a son. Durham, were visiting friends in this vicinity for a few days lately. Mr. Ramage brought his wheel along and

we see he has become quite an expert two weeks ago. An entertainment will be held in Knox Church on Thursday the 24th inst. The

proceeds will go towards buying presents for the Sunday School children. We wonder if William, of the front hne does not feel very happy these days?

Normanby farmers are proof against grasshoppers and a scarcity of hay, in their immense cornfields. The Marshall families take the cake in this respect, growing from 10 to 14 acres each.

Nervous

Peop!s find just the help they so much need, in Hood's Sarsaparilla. It furnishes the desired strength by purifying, vitalizing and enriching the blood, and thus builds up the nerves, tones the stomach and regulates the whole system. Read this:

"I want to praise Hood's Sarsaparilla. My health run down, and I had the grip. After that, my heart and nervous system were badly affected, so that I could not do my own week. Our physician gave me some help, but did not cure. I decided to try Hood's Sarsaparilla. Soon I could do all my own housework. I have taken

Hood's Pills with Hood's Sarsaparilla, and they have done me much good. I will not be without them. I have taken 13 bottles of Hood's Sarsaparills, and through the blessing of God, it has cured me. I worked as hard as ever the past summer, and I am thankful to say I am well. Hood's Pills when taken with Hood's Sarsaparilla help very much." MRS. M. M. MESSENGER, Freehold, Penn. This and many other cures prove that
