An intellectual entertainment will be held in Knox Church, Normanby, tonight, Thursday.

Tuesday and Wednesday of next week is South Grey Fall Show. Press in the entries and make it a big success.

Mrs. Turnbull of Rocky Saugeen is at present spending a few weeks with her niece Mrs. Dan Muir at Flesherton.

Corespondents will oblige by making brief communications during the next two weeks as there will be a press of Show matter.

CHEAP.—Dr. Bonnar's election expenses in North Bruce election (as published) were only $14.00!! Mr. McNeil's $38.83, Mr. Potts $97.65. Ahem!

The ladies of Trinity Church have engaged the Town Hall for Exhibition Day (Sep. 30th) where they will provide a good dinner during the day for 30 cts. and tea in the evening at 15 cents.

Mr. Jno. Allan brought in 6 fine pigs Monday, which tipped the scales at nearly 1000 lbs. The price was $3.60 live weight. Not so bad for 5 months old. About 40 hogs were shipped in all the ruling price being $3.50. Brunt was the shipper.

Miss Maggie E. Vessie has returned to the city again after enjoying a month's holidays, with her parents Mr. and Mrs. John Vessie Glenelg. She was accompanied back by her sister Miss Annie whose smiling countenance will be missed by all who knew her.

Messrs Jno. and Dan Campbell, Pittsburg, Pa., have been home for a brief visit to friends round Pomona, and left last Monday for the busy manufacturing city. The former sports a Bryan button, but thinks McKinley will win. Mr. C. is one of the men dear to publishers who has his REVIEW paid always a year ahead.

FATAL SHOT AT CAMP.—While the 12th Batalion were practicing at the targets on Thursday last, Pte. Hatten, of No. 8 company, 31st Batt., was acting as marker. One of the bullets struck the ground in front of the target and then struck Hatton on the temple, passing through the brain. Hatton came from Owen Sound, and his friends there have been notified. There will be an inquiry, probably, to ascertain if proper precautions had been taken to ensure the safety of the marker, and if the tragedy was due to his own negligence.

PRESENTATION.—A large number of the friends and neighbors of Mr. Donald McCormick, Bunessan, met at his residence on Monday night last to bid him good bye, as he is leaving here to go to the State of Wisconsin for a time. An address from Glenelg Centre Sunday School accompanied by a handsome Bible was presented to Mr. McCormick, who was a teacher in the School. The evening passed in a social way very pleasantly. Then the company bid Mr. McCormick good bye, and hoped he would soon come back to his friends in Glenelg.

IT WAS CHINESE.—Many of our readers if they have not met Dr. Bird, late of Dromore, have heard of him. It was well known that there was Chinese or Jap blood in his veins. This was something however which Dromore's popular little doctor never denied. He was rather proud than otherwise of it. As Li Hung Chang was passing through Allandale Mrs. Bird with her two sons was invited into the great man's private car riding with him as far as Barrie. He presented Mrs. Bird with a commemorative silver medal with his likeness on one side and the words "In Remembrance of the visit of Li Hung Chang 1896" on the reverse side.—*Dunnalk Herald.*

COUNTY COUNCIL.—New candidates for the positions are springing up every day. Ex-dep. Swanston it is expected will be one of the candidates in No. 4 division, another in Egremont being Dep. Reeve Allan, who was first in the field. Normanby will present Reeve Morice and Schenk, while friends of Reeve Dickson believe he could beat them all. No. 3 has C McArthur in the field in addition to Reeve Binnie who seems to our hearing to have more friends certain of his election than any other candidate. To the west of the district Messenger is the favorite, with Brigham talked of, and some are mentioning Putherbough as a possible candidate. The contest is going to be intensely interesting, and will be as exciting as a parliamentary election.

Pike Lake, Minto's beautiful summer resort, has changed into the right hands now. Mr. R. Grieves, of Harriston, for $2000 has bought the Lake and site and as Bob understands human fancies well we expect he will have his inventive mind at work during the winter devising schemes by means of which they can be satiated on the glories and on the surface of this fair famed Lake, during next and following summers. We hear that it is his intention to have a small steamer built on it which will no doubt attract great crowds. The small boats heretofore in use were very pleasant to everybody but the one who substituted the engine; but no doubt the steamer will be an all round improvement. Ex.

We welcome Mr. Arch. Davidson to Durham once more. He is now installed as chief clerk in Mr. C. McArthur's store.

Great sales prove the great merit of Hood's Sarsaparilla, and great merit enables it to accomplish wonderful cures.

Mt. Forest High School Board is advertising for a fourth teacher, and is trying to be converted into a Collegiate Institute.

Hanover Show last Friday was again a success. Good weather, energetic management, and a public spirited people is sure to make it so.

ICE.—This, Wednesday morning, will have matured the corn. Ice a quarter of an inch thick formed on standing water. Garden stuff, except some roots and cabbage, has suffered greatly.

For that tickling sensation in your throat try a 10c box of "Mist" Cough Lozengers. They will allay the irritation at once. For sale by all druggists and the Key Medicine Co. 395 Yonge Street Toronto.

Mrs. Neil McPhee and her son Archie, from Glen Eden, were visiting at Mrs. Turnbull's, Rocky Saugeen, this week. It is 23 years since Mrs. McPhee visited Durham last. She says there is a great change since then.

Mr. Jas. Watson, Normanby, had his fine driver in Owen Sound last week, and took first prize in a contest with 12 competitors. He also got 2nd prize for the best turn out. He came out ahead last year. Well done.

Rev. Mr. Jansen lately took the oath of allegiance and is now a full fledged British subject. He made use of the incident to form the groundwork of a pithy sermon on the translation of the sinner from the Kingdom of mammon to the Kingdom of righteousness.

RELIEVED.—Mr. and Mrs. Jno. McKelvie are feeling that way this morning, having heard the first direct word from their son Angus since the sensational story of his death a few weeks ago. Mr. R. Parker returned Tuesday night from the northern district and left Angus hard at work, his saw mill being in operation. Angus knew nothing of the rumors when Mr. Parker left.

Two Horses Wanted.

The undersigned wishes to exchange two corner lots fenced and cultivated in the lower town here for two good drivers, not more than 8 years old.

Apply to MR. J. P. TELFORD, or,
Thomas D. Thomas
Box 306 Owen Sound.

BEN HUR.—To those who have read Lew Wallace's charming Book, the presentation of Ben Hur with 100 pictoral views on the night of Wednesday, Sept. 30th, will be a treat. Those who have read the book, will go. Those who have not read the book should go. Admission 25 and 15 cents. Under the auspices of the Methodist Church, in the Town Hall.

BURGLARY.—The house and cellar of Mr. Geo. Moore, Normanby, were entered by thieves in the early morning hours of Friday morning last. Mrs. Moore heard some unusual noise, roused the house and the robbers made off, but not before they had removed a supply of meat, 4 dozen eggs, a hat, and possibly other articles. Judging from our exchanges an epidemic of this nature exists at present.

Chas. McKinnon has a few Chatham Fanning Mills on hand which he will sell cheap. 1

A WAD OF DEFUNCT BILLS.—Sometimes it doesn't pay to keep money too long. It goes bad. Mr. Wm. Turner, a farmer from near Mount Forest, had a rather unpleasant experience of this kind on Thursday. He had a roll of bills which he intended to deposit in the postoffice. In counting the roll Deputy Postmaster Little found Federal and Central Bank Bills to the amount of $105. Some of the money Mr. Turner has had in his home for nineteen years. As the Federal and Central Banks have for a number of years been defunct, the bills are, of course useless.—*Mercury*

RUSTED STRAW.—Mr. Wm. Strain, of Flesherton, wrote to the Agricultural College Guelph, making enquiries as to whether rusted straw was injurious when fed to animals. The reply he received was to the effect that no injury had ever been observed from that cause. As there is a large quantity of rusted straw in this district it will be a source of satisfaction for farmers to learn the above. We are informed that cattle will eat rusted straw with more relish than clean, there apparently being a saline taste to it which suits their palates.—Ex.

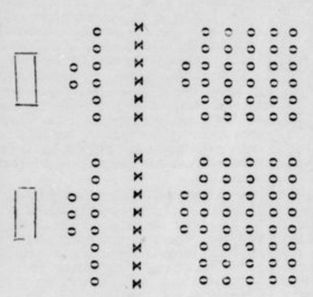
IN CAMP AT NIAGARA.

All Battalions are on the ground and mostly full in strength as are the Bands. Some of these latter have 24 pieces, and with the bugle band, keep the air full of music, interlarded everywhere with commands from the Captains, Lieutenants, Sergeants and Corporals of the various companies to "Halt." "Stand at Ease." "Right." "Company front" etc etc. This peaceful fruit growing district, richin historic memories, is again resplendent and resounding with all the pomp and circumstances of war.

The number and arrangement of the tents, &c., are somewhat as follows:

NORTHESTW.

Off's Mess	Off's Tents	Camp fires	Rank & File



SOUTHEAST

The 12th Battalion is farthest southeast, the 31st Battalion next.

All hands regret the absence of the cavalry and artillery, and as these are a necessary adjunct of every modern battle field, we think the authorities have made a mistake in not familiarizing we footsoldiers with the neighing of the warhorse and the roar of the cannon. But I must remember "Theirs not to reason why."

Anyway, the boys are in good spirits, with an evident desire to excel in drill and to appear cleanly even with the antiquated equipment which the *Toronto World* sneers at.

Haldimand Battalion, composed as it is mostly of Indians, and possessing a fine band draws a lot of interest.

The weather is fine here, apparently no rain has fallen for weeks, and the ground is dry and comfortable. The tents are good and new, and the white tented field, arranged in lines at right angles to each other, and also lining diagonally like a well planted orchard, presents a fine appearance and is an unusual sight.

Gen. Gascoigne was on the field today and has left a good impression among the men.

Mr. Francis McLeod of Sunnidale visited Mr. N. McLeod on Sunday.

Miss. Annie Wilson is home from Toronto. Miss Kate Clark is home after spending the summer in Sunnidale.

Who was the Conservative who wrote for the keeping of the Dromore P. O?

Mrs. D. McCannel made her husband the present of a young son, on Sunday morning.

Mr. W. Nichol is re-engaged for 1897 at this school. His salary will be larger as faithful work deserves reward.

Mr. Wm. Marshall visited at his brother Jim's, after his summer's work near Stayner.

Mrs. Alex, McDonald visited her old schoolmate, Mrs. Marshall last week.

Last Saturday night was paynight at the factory, and though the weather was cold and raw, quite a number were out. Every one seemed pleased as they well might. Average 10.37, and price 8¾ cts, a quarter of a cent better than any factory near here. Mr. C. Ramage Durham handled the money in the absence of his brother, the Treasurer, who is at Niagara Camp. He paid out over $500.

PROTON CENTRE.
