WHEAT PROSPECTS, &c

The rise in the price of wheat is at present attracting great attention. Our market quotations to day show that it has reached 80 cents and it is still rising. This rise is not caused by any manipulating of wheat speculators, but is the result of scarcity in India, where a famine is feared, and elsewhere.

BALSAM VALLEY

Mr. Editor news is very scarce at this season of the year, but still we always try to make it a point to collect together the most interesting events.

Threshing is all done in this locality, the last of the season was done at Mr. McCormick's of Riverside last week by the McL. an Bros. of Arternesia.

Mr. Dan McKechnie has returned home from Brampton where he has spent the summer months with the intelligent farmers of that part.

Miss Sarah E. Ferguson left for Dundalk where she intends to remain for some time. Say, Dave, Charlie says he will take the train, but you can strike across through the country and I think you will come out best.

The Misses Epworth of Harriston are visiting friends in this part.

Mr. Hector McKechnie and wife of Toronto were visiting at Mr. Colin Lamont's last week.

Miss Mary Lamont is at present very sick, but we hope soon to hear of her recovery.

Mr. Dougald McDonald of Beatrice, accompanied by his daughter, Mary, paid a short visit at Dave McIntyre's last week.

Mr. Charlie Watson of Farewell Corners was visiting at Riverside last Sunday, and we judge by the lean he took that he will come again.

Mr. Hector McDonald, chief of police, Priceville, was around delivering a few white papers last week.

Black frost is very common these mornings, but still we had a little of both last Thursday morning, but the Frost came from Owen Sound and was gathering a few missing links for the prosecution.

Miss Sarah McIntyre of south line spent Saturday night in Balsam Valley. We learn that Hector got quite a scare with a pitchfork last week.

There is to be an elevated sidewalk built over the recent lines.

FAREWELL CORNERS

Mr. Thomas Hornby visited friends recently down the country. He gives a good account of the crops.

Mrs. Jones and son, Abe, are visiting their relatives in Penetanguishine.

Miss Jane Leith left for the Queen city on Tuesday week. She intends staying for some time.

Mr. Charles Watson, jr., has moved up to his farm in Arternesia. We expect to hear of Charlie getting the good wife soon.

Much sympathy is felt for the bereaved parents, Mr. and Mrs. John McQueen, for the loss of their little boy. The funeral, which took place on Tuesday, was very large, some forty rigs attending.

Miss Lizzie Brown of Minto visited at her cousin's, D. McKinnon's, for a fortnight. Many new acquaintances will be pleased to see her soon again.

Mr. James Geddes was one of our red ticket men at the Priceville show. Jas. is a go-ahead farmer, and excels as a sheep breeder.

Mrs. Jno. Weir is visiting her Glenelg friends this week. Cattle-king Brown was around their corners last week and bought some of our surplus stock at slightly improved prices.

Mr. David McKelvie is, we hear, out for the council. He will make a good public officer and stands a good chance of election. Mr. P. Watson is out for 2nd deputy and will put up a good fight.

Mr. G. Watson has his new blacksmith shop about completed. It is a marvel of construction and George will be better able than ever to attend to the wants of his customers.

Messrs Grant McComb and Thos. Jackson of Bunnison, spent an evening with Mr. D. McKinnon last week.

Mr. P. Muir, King Tp., visited at the old homestead recently.

Mrs. Dr. Hutton and Master Arthur and Miss Patton, of Priceville, visited at Mr. D. McKinnon's Sunday week.

BOOTHVILLE.

Potato digging is over for another year, and potatoes are a good crop. I notice the Scotch town cor. speaking of picking them on their knees, if they had some of the potatoes around here they would do well if they could handle them on their feet.

Mr. D. McCannel had a very narrow escape lately, from losing his hand, while putting on the elevator belt he slipped off the wheel he was standing on, his hand went into the cylinder cutting a deep gash on three of his fingers.

We are sorry to learn that Mrs. Don. McCannel had the misfortune to get her feet scalded. She is suffering very much with them. We hope she will soon be around again.

We are also sorry to say that Mrs. Wm. Booth is not very well, but, under Dr. Sneath's care we trust she will be around again as usual.

Threshing is nearly over for another year, Mr. John Campbell had the McLean Bros. with their steam-thresher, they threshed 1300 bush. of grain in 9 hrs. and 20 min. Mr. D. McCannel threshed for Mr. W. J. Wilson 1000 bus. in 14 hrs.

Mr. Robert Marshall was spending a few days at his father's, he returned to Stayner on Wednesday last.

We would advise our council to put a culvert Lots 25 and 26, con. 21 as it is not at all safe. There is a great danger of horses getting their legs broken, or rigs getting smashed.

We are very sorry to chronicle the death of the infant son of Mr. and Mrs. John McQueen after an illness of about 36 hours. The entire neighborhood showed their sympathy towards the sorrowful parents, as there was a very large procession followed the remains to the grave. Mr. McVicar of Dromore preached a very appropriate sermon.

Mr. and Mrs. A. Weir of Nottawasaga formerly of this place, visited their daughter Mrs. Noble Wilson. They are hale and hearty for an old couple.

Mr. A. McLellan and sister visited friends at Boothville, last Sunday. Archie will likely come again soon.

Mr. McLeod of Harriston is visiting his daughter Mrs. Neil Clark.

Mr. J. McQueen has hired John Conkey of Priceville for a while. Queer time to hire a man! John.

HOLSTEIN.

Will Armstrong and his mother of Mt. Forest were guests at Mr. Nelson Main's on Sabbath.

Mr. and Mrs. Dick Irwin of South Bend and Miss Vance of Normanby spent Sabbath at Mr. W. Mains.

Mr. Robert Hoffman of Quinn, Kent County is at present visiting his mother-in-law Mrs. Wm. Burrows and other friends.

Arthur Isaac of L. H. Yeomans drug store Mt Forest paid his parents Rev. Mr. S. W. Isaac a visit on Sabbath.

Mr. Thos Brown and his daughter Annie are at Mt Forest this week visiting friends.

Mr. John Horsburg, Sr. having sold his farm to Ed. Walker is at present up at Stayner we believe with the intention of purchasing another farm, we wish him success although sorry to lose him.

The E. L. of C. E. of the Methodist church here elected new officers on Monday night W. J. Sharp as Pres, Miss E. Mickleborough as Vice Pres, Maud Burrows 2nd Vice Pres, Jennie Main Treasurer, Lillie Mickleborough Secy, and Jennie Doupe Rec. Secy, and organist.

CRAWFORD.

The snow storm of last Sunday night was an unwelcome visitor.

The sacrament of the Lord's Supper was observed at Crawford Presbyterian Church last Sabbath morning.

Mrs. Canning returned to her home in Orillia, after a two week's visit at her daughter's Mrs. A. McDougall.

We are sorry to state that Mr. Green took another paralytic stroke last Saturday. We hope to hear of his recovery soon.

Mr. Duncan McKinnon Jr. had a large stoning bee last Saturday. They all worked well and made quite an improvement on their front lawn. Duic thinks it will pay better to raise a crop of peas than a crop of grass hoppers.

Mr. Hector McDonald formerly of this place paid us a visit last week. We were all glad to see Hector back, but the girls especially so.

Wonder what is the attraction South when Jno. McC. is often seen wending his way that direction.

Mr. Dougald McDonald and daughter Mary spent last week visiting friends in Arternesia, Proton and Egremont. As Mr. McDonald is a hard working man he is right in taking a few days holidays. He says he had a fine trip and saw some fine tracts of land since he left.

We are sorry to learn that Mrs. Boyle is suffering under a very painful disease but we hope to hear soon of her recovery.

Mr. Boyle and sister from Glascoot, spent Sunday at their uncle's, Mr. Boyle, of this place.

STRIDES OF A CANADIAN INSTITUTION.

It is over a quarter of a century since the Family Herald and Weekly Star of Montreal was established and it certainly grows better with age. During the past eight months it has made greater strides towards perfection than during any five years of its history. Well may it astonish American publishers that the Family Herald and Weekly Star can give so much for a dollar a year. It is no exaggeration to say that it is the most welcome, while it is absolutely the most entertaining visitor that comes to tens of thousands of Canadian Homes. The Family Herald and Weekly Star has passed the point where others publishers might be jealous of it, because it is emphatically the leader and without its competitor. No home can be dull or unthrifty where the Family Herald and Weekly Star is taken. All Canadian publishers wish it well, for it deserves it, and we see that only a dollar a year secures it and its beautiful premium, "The Orphans Prayer."
