EDITORIAL NOTE AND COMMENT.

The Sultan has at last, at last, been forced to institute reforms for the protection of his Armenian subjects. This time the change for the better has been caused by a visit from the Russian Ambassador, and the change will continue—till the next massacre.

Papers in Owen Sound and other northern districts are warmly advocating the elevation of R. J. Doyle to the vacancy in the Senate. Papers to the South see in Mr. Jas. Innes, Editor of the *Grey Mercury*, and late M. P., a fitting man. Either will do, but Mr. Innes' place is in the Commons, and we hope to see him there again.

The presentation of the Grand Jury at the Bruce Fall Assizes contains an urgent recommendation for the erection of a House of Refuge for the indigent poor. This is a live question in Grey also; and will remain so until provision is made for the housing of indigent poor in a manner more in accordance with modern philanthropy than herding them with criminals in the common goal.

Mr. Tarte and Mr. Blair are touring the country at different points, getting a grasp of the work of their departments. By far the greater interest however attaches to Mr. Tarte who has been lionized from Winnipeg to Regina. Mr. Tarte, it seems, rides in the government car "Cumberland," but we very much mistake the man, if the country will have to pay more for his legitimate expenses as Minister of Public Works while on this tour, not withstanding the clamor of the Conservative press. Should Mr. Tarte ask for more than that he deserves to be censured.

Next Tuesday it is announced the Tariff Commission will commence their labors. The commission consists of Sir Richard Cartwright, Hon. Mr. Fielding and Hon. Mr. Patterson. They will visit the chief centres of the Dominion and ascertain in detail much of the needs of the country, from those most likely to know. It will be their task then, and no easy one to adjust taxation "that it will fall as much as possible on the luxuries of life and not upon its necessities." The Premier has promised that many burdens that now press heavily upon the farmer will be removed. He will keep his promise notwithstanding the carping of opposition journals who would have everything done in a day.

FAT STOCK SHOW.

The Ontario Fat Stock, Dairy and Poultry Shows will be held at Gt. Gt. Dec. 8, 9, 10, 1896, when \$4000 are offered in Cash prizes in the live Stock, Dairy and Dressed Poultry department.

Programmes for each meeting will be issued later, and can be obtained from C. A. Zavitz, the "Secretary of Union."

Public Meeting of the Ontario Agricultural and Experimental Union will be held in the O. A. C. on the afternoon and evening of the 10th, & forenoon and afternoon of the 11th Dec. when prominent speakers from the United States and Canada will be present.

Prize Lists and entry forms may be had from Major G. B. Hood, Guelph. Reduced rates are to be given on all railways.

LAURIER IN QUEBEC.

Last week old Quebec honored itself by banqueting the Premier amid such enthusiastic surroundings as fairly eclipsed anything in banquets for some time. He is as popular to-day with his countrymen as he was on June 23rd notwithstanding the fact that the School question has been as good as settled without having separate schools thrust on an unwilling province. The Premier spoke well, reminding them that the Liberal party would do justice to all, there was no rancor in the breasts of ministers, the government was a business one, and desired peace and good will to reign among all men. He spoke on the fast Atlantic service and the School settlement in his usual frank and patriotic way. On the latter question he closed thus:

"I know that we have people who believe and who hope that we cannot succeed, and we have all those devout Catholics who exact that we shall restore everything that they have themselves destroyed. We do not appeal to those, nor to the men who have traded upon their religion for the last 25 years. But we appeal to sincere men, Catholics or Protestants; we appeal to all Christians who want the rights of conscience to be respected and who will be satisfied with that. To these I say that within a few days, within a few weeks, we shall be in a position to announce the terms of our settlement. That settlement will be embodied in an act of the Legislature of Manitoba which will be drawn up and carried out by a sympathetic Government. Some of our friends complain that we do not proceed fast enough. We have not been in power four months; give us time. As I have kept my promise concerning this school question, so shall we keep our promise respecting all reforms, and with the assistance of the eternal and immutable Providence we shall give to the country peace, harmony and prosperity."

These words were the signal for another outburst of loud cheering. Many were heard to say that it was the finest speech that they had ever heard from the lips of Hon. Mr. Laurier.

Cripple Harness!!

The iron grasp of scrofula has no mercy upon its victims. This demon of the blood is often not satisfied with causing dreadful sores, but racks the body with the pains of rheumatism and Hood's Sarsaparilla cures.

"Nearly four years ago I became afflicted with scrofula and rheumatism. My limbs straightened out and I threw away my crutches. I am now stout and hearty and am farming, whereas four years ago I was a cripple. I gladly recommend Hood's Sarsaparilla." URBAN HANCOCK, Table Grove, Illinois.

Made Well

Running sores broke out on my thighs. Pieces of bone came out and an operation was contemplated. I had rheumatism in my legs, drawn up out of shape. I lost appetite, could not sleep, I was a perfect wreck. I continued to grow worse and finally gave up the doctor's treatment to Hood's Sarsaparilla. Soon appetite came back, the sores commenced to heal. My limbs straightened out and I threw away my crutches. I am now stout and hearty and am farming, whereas four years ago I was a cripple. I gladly recommend Hood's Sarsaparilla." URBAN HANCOCK, Table Grove, Illinois.
