J. A. HUNTER'S,
UPPER TOWN.

GLASCOTT.

Occasional bluffs of snow remind us winter is approaching. Fodder will be plentiful this winter, but money scarce. The rise of wheat is no profit to this locality as most farmers are buying their flour.

Mr. Neil Livingstone is engaged with Mr. Robt. Mills of Dornoch, making square lumber.

Mr. Jno. Clark, Bentinck, made a flying visit with friends here lately, while attending to other business.

Mr. Jno. Winlaw enjoyed a two weeks hunting tour near Dundalk.

Miss Nellie Lee recently became the bride of Mr. Wm. Ricketts, Markdale, where they will reside and share each others joys and sorrows.

Miss Maggie Diner went to Markdale lately to take charge of Rev. Father Hauck's residence, and will do herself credit.

Relatives here of the deceased Mrs. Wm. Boyle, Bentinck, attended her funeral recently.

Mr. Jno. McArthur has been laid up for some time as a result of the accident to his foot, in Baird's Sawmill. He will be crippled for some time.

Messrs Chas. Boyle, Geo. Lamb, along with Dr. Smith, Geo. Ledingham, and Wm. Duncan of Dornoch attended the Presbytery meeting in the interest of the retention of Rev. Mr. Little. The decision was good news to many a home.

Mr. Wm. Thomas has been seriously ill for some time, but we understand is improving, and we trust will soon be around again.

Rev. Mr. Little will continue to fill his regular appointments at Townsend's Lake which was asked to be cut off to lighten his work. His services are much appreciated, as a well filled church generally shows.

[We regret this budget did not appear last week, as it should have done. Ed.]

WELBECK.

Mr. Editor, seeing that our burg is not represented in your columns, we wish to remind your readers that there is such a place.

Our Post Office is doing a large business. Should the present government hold out another session, they may depend on a large income from this quarter.

Farmers here are nearly done ploughing.

Miss Sarah and Mr. Dan Stewart paid the County capital a visit last week. They report every thing very quiet.

Mr. Albert Smith has purchased the machinery of the Williamsford Woolen Mill and intends having it refitted and a mill started here next summer.

Mr. Smith is also of the opinion that he has a Coal Oil spring on his farm and will have an expert to examine it, should such indications prove correct. Welbeck will yet be a noted place.

Mr. Will and Fred Bray have returned home after spending the summer in and around Guelph.

Mr. Hector McDonald of Walkerton, is visiting friends around Welbeck. Must be some attraction.

The trustees of S. Section No 13, have engaged Mr. Hoyt Ledingham for 1887.

Mr. Jno. McArthur left last week for Rat Portage with a car load of horses, cows, sleighs and every thing that a young man is in need of but a house keeper. Mr. Duncan accompanied him to Fort William, where he intends to remain a few days for the purpose of transacting some business with his brother.

The late Mr. Neil McArthur who met his death violently about Nov 1, was well known and highly respected in this locality. While on his way to work with others on a hand car, he met a work train in a rock cut which proved fatal.

Mr. Geo. Alexander of Allan Park is visiting at his brother Harry's for the past two weeks.

We think there is some attraction around Welbeck for George as he likes ploughing on the fifty.

Miss Kate Campbell, of Sydenham, has been visiting at her sister's Mrs. T. O. Stewart for the past two weeks.

Mr. William Wade returned from Manitoba where he spent the summer.

Our friend Mrs. Geo. Sheerman rejoice over the arrival of a young son.

Campbell Bros. are hustling telegraph poles out of Mr. T. O. Stewart's swamp.

Mr. Hugh Smith, formerly of this place has entered the bonds of matrimony with Miss Thomas. The young couple intend making Duluth their home.

VANDECK.

ROB ROY.

Our stock of news this week, Mr. Editor, is short owing to the dull times just at present.

A shooting match was held at the Rob Roy Hotel on Thanksgiving day.

Mr. Hugh Edwards raised his house last Friday. The boys hustled it up and were through in good time though the days of this season are but short.

Our School has just received their diploma from the Educational Department of the "World's Fair" for specimens of drawing that ranked among the best that were exhibited.

Master Willie Edwards the other day caught in a rat trap a large hen hawk which measured 42 inches across the wings.

Mr. Chas. McArthur, we understand has been laid up with rheumatism for the last week.

A party residing near here had a small adventure with a skunk recently.

Bank

President Isaac Lewis of Sabina, Ohio, is highly respected all through that section. He has lived in Clinton Co. 75 years, and has been president of the Sabina Bank 20 years. He gladly testifies to the merit of Hood's Sarsaparilla, and what he says is worthy attention. All brain workers find Hood's Sarsaparilla peculiarly adapted to their needs. It makes pure, rich, red blood, and from this comes nerve, mental, bodily and digestive strength.

Neuralgia

In one eye and about my temples, especially at night when I had been having a hard day of physical and mental labor. I took many remedies, but found help only in Hood's Sarsaparilla which cured me of rheumatism, neuralgia and headache. Hood's Sarsaparilla has proved itself a true friend. I also take Hood's Pills to keep my bowels regular, and like the pills very much." ISAAC LEWIS, Sabina, Ohio.

Miss Mary L. McDonald who has been employed at Mr. A. McMillen's during the summer has returned to her home in Balsam Valley. Mary is a general favorite with the youth of this burg, and her presence will be welcomed any time.

We were asked to announce, that the gaiter lost by the Mink a short time ago was found out in Stone's Settlement Artemesia, a young lady was the finder and she is worthy of special mention for not accepting the reward offered.

A few of the merry youths of the Grove together with a number of Scotch-towners spent a few pleasant hours in dancing and other amusements at the home of Mr. H. McMillan on Tuesday evening. (A surprise.)

Mr. A. Morrison has been ill lately.

Mr. John McKay was a welcome visitor among friends in this burg Saturday and Sunday. Mr. Mack is a good Scotchman having lived in the old land until 8 years ago, and since that time he has been employed in the Toronto Asylum, as Supervisor, which position he holds.

While in Priceville lately we were shown a paper headed "Marriage Licenses" and we listen for the wedding with our friend Jimmy, of Maple Grove Valley were welcome guests with Mr. and Mrs. Pat Sullivan, Balsam friends here Sunday last.
