TO THE ELECTORS OF  
BENTINCK DURHAM & GLENELG.  
At the request of many of the electors  
of Division No. 3, under the new  
County Councils Act, I have consented  
to be a Candidate at the forth-  
coming election. If elected, I will  
use what experience and ability I  
have in the interest of the division.  
Your vote and influence is respectfully  
requested.  
GEO. BENNIE,  
Bunessan, Dec. 2, 1896.  
Ladies and Gentlemen:  
At the request of a large number of the  
ratepayers of the above Division, I  
have consented to be a Candidate at  
the forthcoming election. As I will  
not be able to see all of you personally,  
I hereby ask for your vote and influ-  
ence in the coming election. Having  
had some experience in County busi-  
ness, I will, should you elect me, use it  
in the interest of the whole division.  
Very truly yours,  
HENRY BRIGHAM,  
Allan Park, Dec. 4 '96.  
To the ratepayers of Division No. 3 Grey  
County.  
At the request of a large number of the  
Ratepayers of the above division I have  
consented to be a Candidate at the  
coming Election. I hereby ask for your  
support. I have considerable experience  
in municipal matters and, if elected will  
do my best to use it in the interest of  
the Division.  
Respectfully Yours,  
CHAS. MCKINNON.  
Gentlemen:  
Having been requested by a number of  
ratepayers to offer myself as a candi-  
date for the position of County Coun-  
cillor for Division No. 3, Grey  
County, I have decided to accept the  
nomination and earnestly request  
your vote and influence.  
Faithfully Yours,  
J. MESSENGER,  
Hanover, Dec. 15th, 1896.  
TO THE ELECTORS OF THE TOWNSHIP  
OF GLENELG.  
Ladies and Gentlemen:  
At the urgent request, of a large number  
of ELECTORS of the Township of Glenelg,  
I have decided to become a Candidate  
for Municipal honors at the coming  
Election. Having acquired consider-  
able experience in Municipal matters  
while in the council for four years, I am  
enabled to more fully comprehend the  
wants of the Public. Should you deem  
it sensible to elect me, my main object  
will be economy with a due regard to  
efficiency in the public interests.  
Thanking you for past favors, I once  
more solicit your vote and influence.  
Yours Respectfully,  
THOMAS SULLIVAN,  
Irish Lake, Dec 11th 1896.  
LADIES AND GENTLEMEN:-At the  
solicitation of many of the Electors of  
the Township I have consented to allow  
my name to be placed in nomination as  
councillor for 1897.  
Although I have been a resident of  
the Township for the past forty years,  
there may be some among you not per-  
sonally acquainted with me. To those I  
would say that my efforts to administer  
the affairs of the Township in an econ-  
omical yet efficient manner will be our  
best introduction to each other.  
To my acquaintance I merely state  
that should I be elected they will find  
me in the future as in the past an ad-  
vocate of economy combined with effi-  
ciency.  
I respectfully solicit your votes and  
interest in my behalf in the coming con-  
test and trust that my devotion to duty  
in Township matters will prove my  
gratitude for your kindness.  
JOHN WILLIAMS.  
Ladies and Gentlemen:  
At the request of many of the rate-  
payers of this township I have con-  
sented to allow my name to be placed  
in nomination for the office of coun-  
cillor. My experience of 13 years leads  
me to ask with confidence for your  
vote and influence, and, if elected, my  
aim shall be to exercise all due econ-  
omy in the affairs of the township.  
Yours Faithfully,  
JNO. A. MCMILLAN,  
Pomona, Dec. 14th, '96.

LECTURE IN PRICEVILLE.-Rev. Mr.  
Jansen will deliver his lecture on Hol-  
land in the Presbyterian Church, Price-  
ville, on the evening of Dec. 20th. The  
choir of the church will render several  
selections.  
In addition to the list given last week  
is being entertained by the towns-  
people who are attending the Women's meet-  
ing were Mrs. Scott and Miss Woodall,  
both of Arthur, with Miss H. Smith;  
Mrs. McMurchy and Mrs. Glennie, both  
of Harrison, with Miss Bull.  
SCHOOL ENTERTAINMENTS.-Mr. John  
A. Graham, Edge Hill will have one of  
his all day entertainments on the 22nd,  
and Miss McEneaney, No 10, Glenelg, will  
have one the evening of Monday, Dec.,  
21st. We have to thank both teachers  
for an invitation.  
Asst. P. O. Inspector Maloney gave  
Durham a brief call yesterday, and of  
course found everything neat and cor-  
rect round Mr. McKenzie's establishment.  
We were pleased to meet the genial  
gentleman who enjoys and can tell a  
good story.  
M'FAYDEN.-At her home, 22 O'Hara  
avenue, Parkdale, on Sunday morning,  
November 20th, 1896, Christina McFay-  
den youngest daughter of the late Don-  
ald McFayden of King, Deceased, was  
a sister of the late Chas. McFayden,  
once a Reform candidate in S. Grey.  
GRASSHOPPER EGGS.-Mr. Thos. Mil-  
ligan is of an observant eye. He  
showed us the other day some small,  
clear, pulpy objects, of the size of clover  
seed, which he avers are the eggs of the  
grasshopper. From the description  
given of their habitat, it seems certain  
he is correct, and the pest will, we hope,  
be exterminated by the frost.  
Belle Rose Emelle, the Edinburgh  
electrionist, gave several readings in  
which she showed her remarkable ver-  
satility. "Candle Dances" was given  
with rare sympathetic power; her  
other selections were rendered with  
equal intensity of dramatic power and  
soul. The artist is one of the best elec-  
trionists Glasgow has ever heard.  
Glasgow Herald, in the Town Hall on  
Christmas Eve.  
GREY FALL ASSIZES.-These are pro-  
longed this year to a second week.  
Messrs. A. S. Hunter, A. McLachlan,  
and others came home Saturday night  
and returned Monday morning. The  
docket is unusually full of robbery and  
seduction cases and the evidence is  
much in favor of the King. The gen-  
eral case we are informed, a sen-  
tence of 7 years was inflicted, with  
lashes.  
ADDRESS AND PRESENTATION.-On  
Friday afternoon last, Mr. Alex. Firth's  
pupils marked the last day of his teach-  
ing here with an entertainment and  
presentation. Mr. Firth has been pop-  
ular, and leaves much appreciated after  
three months of faithful service. After  
a couple of hours of vocal and instru-  
mental music, recitations, &c., Miss  
Maggie Hunter presented the parting  
gift of the pupils; a fine travelling case,  
fully equipped, also a silver inkstand  
and a scented bottle, while Master Allie  
McIntyre read an address which ex-  
pressed warm appreciation of Mr. Firth  
and his work.  
Mr. Firth under a suitable reply, giv-  
ing some good parting advice. The  
Modellies were present in force, and  
took part in the entertainment.  
FIRE BELL.-On Saturday morning  
last, the town was tumbled out of bed  
about 1 a. m. by the brazen sound of  
the fire bell. The blaze had made head-  
way enough to announce its where-  
abouts and hurrying feet made their way  
to Mr. Slatcher's property, whose wood-  
shed, filled with finely split wood was  
ablaze. Mr. and Mrs. Jas. Wehler  
were returning home from a late visit,  
and were the first to see the fire. They  
at once aroused the inmates, raised  
the alarm and none too soon,  
for as the house is only a path separated  
from the wood shed, it would undoubt-  
edly have gone too had it got headway.  
Mr. and Mrs. Slatcher applied water  
to the flames, which had begun to scorch  
and the latter we regret to say received  
severe burns on the face. Help soon  
arrived, and when the fire engine got  
placed, the result was not long in doubt.  
A good deal of the wood was saved by a  
few of the firemen and citizens. It is  
not known how the fire originated as we  
were assured by one of the sufferers  
there was neither ashes nor used stove  
in the wood shed. We will have more  
to say on this matter.  
NOTICE.  
Tenders will be received up to Tuesday  
22nd inst. for the office of caretaker of  
cemetery. Application to be made to
