STUMPING IN EGREMONT—A lively meeting was held Saturday evening in Russell Hall, Dromore, to discuss Township and Co. matters, this report, coming as it does after the election is over, need not be long.

The speakers interested, were Bye, Hunter, Watson, for 1st Dep., and Chas McInnis 2nd Dep, for Municipal honors, and Allan, Morice, and Swanston, for the Co.

Mr. Bye created a good impression by his calm semi dignified manner. Whereas it was felt that the remarks in regard to temperance, made by another speaker were out of place and uncalled for, Watson improved here, making a good hit on the preceding speaker's reference to the fooling away of the first days of the Co. Council meeting, the Township being no better, their first sitting costing \$10 in passing items to the extent of \$20. Mr. McInnis, expressions of appreciation and regard for his opponent who was absent, won for him a good opinion from those present, this is as a should be, one felt it a pity he could not vote for both, the speakers necessarily parroted much of what was said at nominating the last speaker making a passing reference to the liberality and public spirit of the late Mr. Taylor whose acquaintance he had valued highly, also dealt with Township finances in a clear and lucid style. Mr. Allan on Co. topics spoke in an interesting manner. Mr. Swanston was not quite up to his usual excellence on the platform. While Mr. Morice agreeable surprised the audience by his fine speech, thereby gaining several more votes.

After a vote of thanks to the chairman Mr. R. Renwick the meeting dispersed.

ADDRESS AND PRESENTATION.

On the evening of Mr. Jansen's lecture in Pricewille, a pleasant event was a presentation to Mr. Donald McDonald, Dr. Hutton read the address given before which explains itself.

TO MR. DONALD McDONALD, Sup. of St. Columba Sunday School.

DEAR FRIEND,—It is with regret that we have learned that you are about to sever your connection with us as Superintendent of our Sunday School.

We appreciate your untiring efforts and kindly thank you for your past work of the Sabbath School for the past seven years. We recognize and deplore fully the loss we are about to sustain.

But it is with unfeigned pleasure we bear testimony of your faithfulness, diligence, prudence and Christian deportment as a man and as our Superintendent.

Permit us to present to you, as a slight token of our esteem and sincere regard, these three volumes of English, Scottish and Irish Lore—"Shakespeare," "Scott" and "Moore." We trust that though you may be absent from us for some time your connection with us will not altogether cease, but that as a member of the session, we may still have the benefit of your valuable advice and counsel from time to time.

In bidding you farewell we hope that in resuming your professional labors "God may prosper you in all things, both temporal and spiritual, that your labors may be owned of Him for the good of all who come under your instruction and influence.

Signed in behalf of the Sabbath School, J. G. HUTTON, Com.

WALTER NICHOL, Com.
ROBT. McCLACHLAN, Com.

Pricewille, 29th Dec. 1896.

In replying Mr. McDonald said he was indeed taken in surprise. He regretted that he had done so little for the advancement of the school but what he had done he felt it a duty devolving upon him to do. He felt sorry indeed to sever his connection from St. Columba Sabbath School, but hoped that the School would continue to prosper in the future as well as in the past. In conclusion he said he thanked them for the presents from the bottom of his heart, but merely for their intrinsic value, but for their kind appreciation of his services as Superintendent for the past seven years.
