WILL INAUGURATE A 7-Day's

# GIGANTIC Clearing SALE

COMMENCING

## TUESDAY, FEBRUARY 2, 1897

### AND - CONTINUING - FOR 7 BUSINESS - DAYS.

MR. HUNTER has been successful in completing several enormously large purchases of Seasonable Winter Goods at about his own prices, for Spot Cash: these, as well as our already extensive stock of Merchandise, we are determined to convert into Cash, although it means the sacrifice of all our profits for the season. We emphatically wish to state that the quality of the goods sold will be of the very highest. We will not attempt to publish a full list of the Great Bargains that will be on sale, but simply mention a few of the Special Lines. Dont Come Late. Be On Hand Early. The Doors will open sharp at 8.30 a. m. and close at 7.30 p. m.

Please note, NO Produce will be taken during this Sale—Cash only.

Produce is all right, but we simply have not the time to attend to it. Those who attended our other sales know this.
